

## Community Meetings

Date: 3<sup>rd</sup> August 2019

Venue: Office, Municipal Councillor & Local places in Attawa

The team representatives met Mr. Hardeep Singh, Councillor and discussed the problems faced by the village people. As the village is under Municipal Corporation so the village is benefitted with all basic amenities like water supply, electricity etc. The major issues discussed were the hygienic environment, child safety and ladies inequality as they are financially dependent on male partners. The team suggested several steps to address these issues like tree plantation, awareness on waste segregation, lectures on child safety and skill development for ladies to enhance their earnings etc. After the discussion two activities were finalised for the month (August) i.e. tree plantation drive and session on child safety.
