

Report of Initiatives taken under
Swachh Bharat Abhiyan
January 2020 to March 2020

Submitted by

Mehr Chand Mahajan
DAV College for Women

Our Guide and Mentor

Dr. Punam Suri Ji, Padma Shree Awardee
Hon'ble President
DAV College Managing Committee
New Delhi

PRINCIPAL'S MESSAGE

The clarion call by our Hon'ble Prime Minister Shri Narendra Modi to make swachhata a nation-wide cause has stirred national conscience, thereby making swachhata a 'jan andolan'. The college is also working consistently to contribute to this andolan and is a proud recipient of nation-wide 1st rank as the Cleanest College (Residential) in the year 2018 and 3rd rank in Indian under Citizen Led Initiatives of Swachh City Awards 2019. Swachhata has evolved into a wider phenomenon encompassing the dimensions of sustainable development, environment conservation, physical and psychological well-being, and the college has made concerted efforts to include all these dimensions in its swachhata endeavours. Since actions speak louder than words, the commitment of the college to the cause of swachhata is well-reflected in its initiatives that include harnessing solar energy, biogas production from waste of hostel messes, rain water harvesting, segregation of waste, vermicomposting, artificial forest, yoga classes for staff and students, psychological well-being intervention programmes, sensitization programmes in villages, production of oyster mushrooms from kitchen and agricultural waste and much more. Swachhata Pakhwada 2020 was also observed by the college with full enthusiasm and the level of participation of the staff and students was very encouraging. I take this opportunity to express my sincere gratitude to Dr Punam Suri Ji, Padma Shree Awardee, worthy President, DAV College Managing Committee (DAVCMC), New Delhi, Sh. H.R. Gandhar, Honourable Vice President & Sr. Governing Body Member, DAVCMC, New Delhi and Shri Shiv Raman Gaur, Director Higher Education DAVCMC, New Delhi for their guidance and blessings due to which the institution is making rapid strides in diverse fields. I congratulate the Swachhata Committee of the college and Coordinators of various activities for bringing this programme to life with utmost dedication and precision.

Dr. Nisha Bhargava

Swachhta Pakhwada begins at MCM DAV

16th January 2020

Swachhata Pakhwada- a fortnightly initiative focusing on the issues and practices of Swachh Bharat Abhiyan began at Mehr Chand Mahajan DAV College for Women. On the inaugural day, Swachhata Committee (Commerce) of the college organized a Swachhta Pledge ceremony. During the ceremony, the staff and students, led by Principal Dr. Nisha Bhargava, took a pledge to work towards the cause of Swachhta as envisioned by Mahatma Gandhi and propagate the message of Swachh Bharat Abhiyan.

Principal Dr. Nisha Bhargava reiterated that the endeavours under the Swachh Bharat Abhiyan have been instrumental in bringing about behavioural change towards cleanliness- a concept that has evolved into a wider phenomenon encompassing sustainable development and environment conservation. She further informed about the Swachhta initiatives undertaken by the college including setting up of solar panels, biogas plant, segregation of waste, vermicomposting, artificial forest and much more.

Saplings planted during Swachhta Pakhwada 17th January 2020

The Horticulture Committee of Mehr Chand Mahajan DAV College for Women organized a plantation drive as part of the on-going Swachhta Pakhwada. College Principal Dr. Nisha Bhargava led the drive wherein saplings with high rate of

absorption of carbon dioxide were planted. Dr. Bhargava emphasized on sensitizing society about saving environment and plantation of medicinal plants that are useful in treating common ailments. The drive was also aimed at generating awareness about medicinal values of various plants among teachers and students. Around 50 students participated in plantation drive. The students also displayed their love and care for environment through posters and slogans.

Awareness Session on Innovative Technologies for Waste Recycling and Energy Conservation. 18th January 2020

On the third day of Swachhta Pakhwada, the Departments of Food Science and Botany of Mehr Chand Mahajan DAV College for Women organized a session on 'Development and presentation of innovative technologies for waste recycling, energy conservation, etc.'

With the aim to create awareness and comprehensive knowledge about waste management, the faculty of both the departments demonstrated and discussed various innovative practices adopted by the college to treat solid and liquid waste such as biogas plant, composting units and the recently developed sewage treatment plant.

The students were made aware of various benefits associated with these practices and the need to adopt and promote such innovative waste management techniques.

Principal Dr. Nisha Bhargava informed that the college has made concerted efforts in the field of energy conservation and waste management by installing solar panels, rain water harvesting, composting, and biogas production.

Cleanliness Drive during Swachhta Pakhwada 20th January 2020

As part of Swachhata Pakhwada 2020, the NSS units of Mehr Chand Mahajan DAV College for Women organized cleanliness drive in the campus with active participation of students, faculty and non-faculty members. The drive was conducted in various areas of the college including departmental rooms, labs, parking areas, Botanical garden, Rishi Vatika, Celebration ground and hostel premises. A demonstration on waste segregation including the usage of green and blue dustbins was also carried out.

The staff of the administrative office also undertook a cleanliness drive of the office wherein the old files and records were weeded out or recorded as per procedure. Principal Dr. Nisha Bhargava appreciated the efforts of the staff towards maintenance of clean surroundings. She shared that individual responsibility is of essence in realizing the dream of a clean India and thus, each individual should voluntarily shoulder this responsibility.

Photography Competition 21st January 2020

Carrying forward the cause of swachhata, Mehr Chand Mahajan DAV College for Women organized a Photography Competition under Swachhata Pakhwada 2020. Held under the aegis of Swachhata Committee (Arts), the theme of the competition was water conservation. The competition drew good response with participants depicting effectively and aesthetically various concerns pertaining to the elixir of life like depleting water levels, wastage of water and pollution of water bodies. Principal Dr. Nisha Bhargava said that the clarion call by our Hon'ble Prime Minister Shri Narendra Modi to make swachhata a nation-wide cause has stirred national conscience, thereby making swachhata a 'janandolan'. She added that the college is also working consistently in this direction to contribute to this andolan. In the photography competition Harsirjan Kaur of PGDMC secured first position while Tanvi Sharma BA III and Nina Chandel of PGDMC bagged second and third position respectively. Anuly Singh of PGDMC was given consolation prize

Talk on Swachhta marks 7th day of Swachhata Pakhwada

22st January 2020

Spearheading the cause of Clean India, Mehr Chand Mahajan DAV College for Women observed Swachhata Pakhwada 2020 in its true spirit with various events aiming to bring about behavioural change in the society in relation to the concept of swachhata. Carrying forward this mission, the Mass Communication Department of the college organized a talk on swachhata that envisioned to create awareness among students about different aspects of swachhata including physical, psychological, environmental and social.

Dr. Anju Lata, Head, Physical Education Department, MCM DAV College shared her insightful views on the physical aspect of swachhata wherein she not only talked about the importance of meditation and yoga for a healthy body but also

sensitized students about menstrual and personal hygiene.

Shedding light on the psychological aspect of swachhata, Dr. Nitasha Khehra, Assistant Professor, Post Graduate Department of Psychology, Mehr Chand Mahajan DAV College for Women touched upon various pertinent issues like

mental health, depression and emotional well-being, and also urged the students to fight the stigma attached to mental illness, apprising the students of the social dimension of swachhata.

Dr. Bindu Dogra, Asst Professor, Post Graduate Department of Sociology, Mehr Chand Mahajan DAV College for Women educated the students about various innovative practices and how the different strata of society need to

come together for furthering the cause of national development.

Dr. Vini Arora, Former Associate Professor, Department of Botany, MCM DAV College delved into the environmental aspect of swachhata, raising concerns about the recent fires in Amazon

and Australia, and the concept of sustainability.

Principal Dr. Nisha Bhargava said that the college is also working consistently in this direction to contribute to this andolan through various programmes at the organisational level as well as by sensitizing its various stakeholders about the importance of individual responsibility in realizing the dream of clean and green India.

Competitions on Forest Conservation

23rd January 2020

Observing Swachhata Pakhwada 2020 in letter and spirit, the College conducted various competitions on the 8th day of Pakhwada. The day witnessed plethora of activities as Swachhata Committee (Sciences) of the

college organized Speech, Poster making and Slogan writing competitions on the theme of Forest Conservation. Held with the aim of sensitizing the students about the need to conserve our forests in the wake of the recent wild fires in Amazon and Australia, the competitions drew enthusiastic response from students. Principal Dr. Nisha Bhargava asserted that realizing its responsibility in ensuring a sustainable future, the institution is making concerted efforts to contribute to varied dimensions of swachhata including environmental conservation, waste management, energy conservation and much more. The winners of the competitions were:

Speech Competition:

- 1st: Ruhi Pathania (B.Sc. I Non Medical)
- 2nd: Anushree Sharma (B.Sc. I Non Medical)
- 3rd: Deepti Siwach (B.Sc. II Medical)

Poster Making Competition:

- 1st: Vidushi Joshi (BA II)
- 2nd: Gurnoor Kaur (B.Sc. I Computer Applications)
- 3rd: Deepanshi (B.Sc. II Medical)

Slogan Writing Competition:

- 1st: Isha Kundu (B.Sc. II Medical)
- 2nd: Priyanka Garg (B.Com. II)
- 3rd: Parima Jaswal (B.Sc. II Medical)

Cleanliness Drive in Hostel and Mess conducted on day 9 of Swachhata Pakhwada 25th January 2020

On day 9 of Swachhata Pakhwada 2020, the Hostel Committee of Mehr Chand Mahajan DAV College for Women carried out extensive cleaning of rooms in all the six blocks of the hostel.

The rooms of hostellers were inspected by their respective hostel superintendents and by the members of the Hostel Committee. On the basis of various parameters, the Hostel Committee members adjudged the cleanest room in each block. Nearly 980 students participated in this extensive cleanliness drive. The Mess and dining area for the students was also cleaned up as part of this drive by the mess workers. Principal Dr. Nisha Bhargava said that at MCM, a gradual culture of cleanliness has been built up with consistent efforts to sensitize the students and staff about the importance of cleanliness. She added that the college takes pride in being awarded nation-wide 1st rank as the Cleanest College (Residential) in the year 2018 and strives to maintain that standard.

Best out of Waste Competition **27th January 2020**

On day 10 of Swachhata Pakhwada 2020, Mehr Chand Mahajan DAV College for Women conducted Best out of Waste Competition with the aim of promoting innovative solutions to the problem of waste management and sensitizing the students about it. A joint endeavour of Departments of Fine Arts and Computer Science and Applications, the competition drew a heartening response as a total of 38 teams participated in it. Ingenious ideas that took the shape of creative objects created from waste were appreciated by the judges who had a tough time judging the winners. Principal Dr. Nisha Bhargava appreciated the remarkable talent on display and asserted that for realizing the dream of a clean and green India, such out of the box ideas are imperative. The winners of the competition were:

Non-Working model category:

- 1st prize - Khushi Mehta of BA-1 (Fine Arts)
- 2nd Prize - Aastha of BCA-1
- 3rd prize - Disha and Pragya of BSc-3
- Consolation prize - Manpreet and Shatakahi of BCA-1

Working model category:

- 1st prize in – Anam Fatema and Nandini Rana of BCA

Competitions on water conservation

28th January 2020

Observing Swachhata Pakhwada 2020, the Swachhata Committee (Sciences) of Mehr Chand Mahajan DAV College for Women organized Poster making and Slogan writing competitions on the

theme of water conservation. Over 30 participants presented their vivid ideas through posters and slogans on the topical issue of water conservation. In another activity, the Construction Committee of the college conducted a special drive to check water leakage from taps, pipes and water coolers at various spots of the college. Wherever found, the leakage was fixed in order to prevent wastage of water. Principal Dr. Nisha Bhargava reiterated that committed to the cause of swachhata, MCM carried out various activities under Swachhata Pakhwada 2020 in true letter and spirit. She also appealed to the students and staff to make conscious efforts to conserve the elixir of life as life won't be possible without water. The results of the competitions were:

Poster making

- 1st Deepanshi Garg (B.Sc. II Medical)
- 2nd Yotasha (BA III)
- 3rd Amneet Kaur Badwal (B.Sc. II Medical)

Slogan Writing

- 1st Kritika (B.Sc. I Medical)
- 2nd Isha Tanwar (B.Sc. II Medical)
- 3rd Harreet (B.Sc. I Medical)

Awareness activities in villages

29th January 2020

In pursuance of its vision to contribute effectively towards awareness generation about single-use plastic, Mehr Chand Mahajan DAV College for Women conducted a plethora of activities on day 12 of Swachhata Pakhwara

2020. The NSS unit and Unnat Bharat Abhiyan (UBA) Committee of the college organized awareness activities about the menace of single-use plastic in the two adopted villages- Badheri and Buterla.

At Badheri, a demonstration for making paper bags and cloth bags from used newspapers and old clothes was given by Ms. Rati Arora, Assistant Professor, Department of Home Science, MCM DAV College for Women.

At Buterla, the volunteers took out a rally and performed Nukkad Natak to raise awareness about the harmful effects of single-use plastic. The activities were well-received by the villagers who expressed their resolve to do their bit in the fight against plastic pollution.

Principal of the College, Dr. Nisha Bhargava asserted the college's allegiance to the mission of Swachh Bharat and informed that the college has undertaken various initiatives, at the institutional level to promote the cause of swachhata and sustainability, like waste segregation, waste management through biogas production, rain water harvesting, composting and harnessing of solar energy.

Report Presentation on village visits 30th January 2020

On the 13th day of the on-going Swachhata Pakhwada 2020 at Mehr Chand Mahajan DAV College for Women, the NSS unit and UBA Committee of the college organized a report presentation on village visits conducted under Swachhata Pakhwada. The report provided glimpses of the activities conducted during the recent visits to the adopted villages Badheri and Buterla which included demonstration of paper bags and cloth bags making from old newspapers and clothes, rally and Nukkad Natak on the menace of single-use plastic and gram sabha.

During the presentation, the volunteers also sensitized students about the aims and objectives of Swachh Bharat Mission. In another activity, the Equal Opportunity Cell of the college conducted a review of barrier free access to drinking water and toilet facilities for Divyang students in the college.

Principal Dr. Nisha Bhargava said that MCM carries out various activities throughout the year that focus on impressing upon its various stakeholders the significance of swachhata and its varied dimensions.

Swachhta Pakhwada concludes

31st January 2020

In a befitting finale of Swachhata Pakhwada 2020- a fortnightly programme envisioning to bring about behavioural change in the society with respect to swachhata and its varied aspects, the Swachhata Committee (Cultural) of Mehr Chand Mahajan DAV College for Women organized a prize distribution function for the winners of various competitions held during the Pakhwada.

During the event, the audience was apprised of the multifarious activities conducted under the aegis of the programme including competitions on the theme of water conservation, forest conservation and best out waste, cleanliness drives, rally and Nukkad Natak in adopted villages on single-use plastic, plantation drive, talk on varied dimensions of swachhata, special drive on water conservation, review of facilities for Divyang students and many more.

The top 10 entries of poster making, slogan writing and best out of waste competition were also displayed during the function. It was a euphoric

moment for the winners and participants of various competitions as they were felicitated by Principal Dr. Nisha Bhargava, along with the Swachhata Coordinators of various activities.

Principal Dr. Nisha Bhargava said that the clarion call given by our Hon'ble Prime Minister Shri Narendra Modi to make swachhata a nation-wide cause has stirred the national conscience, thereby making swachhata a 'janandolan'. She added that the

college is also working consistently in this direction to contribute to this andolan and is a proud recipient of nation-wide 1st rank as the Cleanest College (Residential) in the year 2018. She also apprised the students of the fact that swachhata is a wider concept that includes, besides cleanliness, the dimensions of environmental protection, physical and psychological well-being, sustainable development, and much more.

Lecture on Personal Hygiene

20th January, 2020

The UBA Cell of the College organized the activity titled “Lecture on Personal Hygiene” on 20th January, 2020 in Badheri village.

Objective

The objective of the activity was to disseminate knowledge and create awareness among the residents about the importance of personal hygiene. The emphasis was on teaching the participants simple and easy ways to take care of their hands, feet and other body parts. The relevance of using cloth in personal hygiene was also highlighted upon.

The context

The motive of the activity was to encourage the participants to take personal responsibility of their health and cleanliness to create an environment that is conducive to holistic well-being.

The Practice

An awareness session on maintenance of personal hygiene was conducted in Government Model School, Sector 41-D, Badheri. The importance of a

hygiene regimen intertwined in the daily chores of the residents was illustrated comprehensively so as to reinforce the tenets of good health. The misconceptions and taboos relating to personal hygiene were addressed and resolved.

The session covered various parameters of personal hygiene, i.e. combing hair, brushing teeth, washing mouth after eating, washing hands before eating, washing hands after visiting toilet, trimming nails, taking a bath daily, wearing shoes and changing clothes daily etc. To enhance the effectiveness of the lecture, a power point presentation with myriad illustrations was made. This elicited enthusiastic response from the audience.

Evidence of Success

Problems encountered and resources required

The main problems encountered in conducting the activity were-

- Arranging meetings with the Village Councillor.
- Difficulty in choosing the appropriate time for active involvement of students.
- Villagers expect continuity in follow-up activities which is not feasible.

Open Defecation Free (ODF) Drive 22nd January 2020

The activity held under Swachhta Action Plan (SAP) - Ministry of Human Resource Development (MHRD) along with Mehr Chand Mahajan College DAV College for Women, Chandigarh.

Date: 22.01.2020

Venue: Village Badheri and Village Butlerla

- 2) Dr. Vandana Sharma, Assistant Professor, Department of Microbial and Food Technology, Mehr Chand Mahajan DAV College for Women, Chandigarh
- 3) Dr. Sandeep Kaur, Assistant Professor, Department of Microbial and Food Technology, Mehr Chand Mahajan DAV College for Women, Chandigarh

Student Team Leader: Ms. Simran Kaur (B.Com final year) and NSS team involved of 30 student Volunteers.

Safe sanitation means promotion of safe disposal of human excreta, right use of toilet and avoiding open defecation as well as management of solid and liquid waste. Poor sanitation is a primary cause for many deadly diseases, deaths among children under age five, contamination of ground water sources, loss of family income on account of increased health costs, and compromised human dignity. In managing safe sanitation at each level understanding impacts of poor sanitation and implementation of safe sanitation processes is considered crucial. This requires active contribution of all the key stakeholders. To accelerate the efforts to achieve universal sanitation coverage and to put focus on safe sanitation, the Prime Minister of India launched the Swachh Bharat Mission on 2nd October, 2014. The Swachh Bharat Mission (Gramin) aims towards improving the levels of cleanliness in rural areas through Solid and Liquid Waste Management activities and making the rural areas- Open Defecation Free (ODF), clean and sanitized.

With this aim, MHRD along with Mehr Chand Mahajan College DAV College for Women, Chandigarh have collaborated to promote Swachh Bharat Mission (Gramin) mission [SBM-G] for achieving ODF status for its two adopted villages – Badheri and Butrela through a pilot level Swachhta Action Plan (SAP).

Objectives of the Practice

The Swachhta Bharat Abhiyan works with the idea that physical and mental cleanliness are very important for a longer and healthy life.

- To examine the previous conditions of the village.
- To look at the progress made in last four months after the visit.
- To encourage volunteers to keep themselves and their surroundings clean every day.
- To encourage volunteers to make the people aware regarding cleanliness.

ODF_SAP Mission Execution Study

Ministry of Human Resource Development (MHRD) along with Mehr Chand Mahajan College DAV College for Women, Chandigarh launched the Swachh Bharat (Gramin) Mission [SBM-G]

for achieving Open defecation Free (ODF) status for its two adopted villages – Badheri and Buterla through a pilot level Swachhta Action Plan (SAP) co-ordinated by Mr. Priyavart Sharma from, MHRD, Government of India along with faculty members of the college (Dr. Vandana Sharma and Dr. Sandeep Kaur) and NSS student volunteers.

The Practice

Under this programme, three major visits were conducted by the ODF action team. The first visit done in Sept, 2019 focused on conducting a complete survey of the two villages by teams of student volunteers. This survey was basically based on the type of lavatories being used, quality of hygiene and cleanliness in private and community toilet, defecation status etc. The survey also aimed to create awareness about the importance of keeping lavatories clean and the ill effects associated

with disease outbreaks. The second visit was done in the month of November 2019 where the coordinator assessed the water quality management and storage system in the two villages. He reviewed and discussed the various issues with the villagers related to availability and quality of water supply, functionality and maintenance of the sewerage system and storage facility available in the adopted villages.

The final visit (on 22 Jan 2020) was the impact study to follow up the actual implementation of the sanitation programme in these two adopted villages (Households, Anganwadi, Schools, Shops, Community areas etc.). Student volunteers interacted with the villagers to evaluate the level of awareness and level of implementation of the hygiene practices in their houses and surroundings. A short video portraying the outcome of the entire ODF drive in both the villages was finally compiled. The outcome of the ODF Action plan showed enthusiastic and positive response with active participation of villagers at various levels in maintaining sanitation and cleanliness as a daily practice.

Learning Outcomes

- An insight into the actual picture of sanitation, sanitation management and its related issues was obtained through the survey carried by the team while direct interaction with the villagers, school children, Anganwadi caretakers, housekeeping staff etc. This also helped in getting an idea of villagers' overall behaviour and attitude towards sanitation and hygiene.
- The ODF mission helped to educate and increase the awareness among villagers regarding the importance of adopting hygienic practices and the subsequent ill-effects of open defecation and lack of clean sanitary habits on their health.
- Student volunteers themselves got apprised about the The Swachh Bharat Mission (Gramin) Open Defecation Free and actual implementation of the sanitation programme making our society and nation as a whole a better and healthy place to live.
- Villagers were enthusiastic about the various Government initiatives undertaken to make the population more aware about sanitation practices being adopted for a healthy tomorrow.
- A short video portraying the final outcome of the entire ODF drive in both the villages was finally compiled.

Evidence of Success

**Awareness programme on Swachh Bharat Mission
(Lecture on Swachhta App)
27th January 2020**

Timings: 11.00 am – 12.30 pm

Venue: College Auditorium

Department involved: NSS unit

Number of participants: 200 students including 9 NSS volunteers.

Objectives

1. To sensitize students about Swachh Bharat Mission
2. To urge students to fill Swachhta Survekshan 2020.

Context

In another event, the NSS unit of the college in collaboration with Municipal Corporation, Chandigarh organized an awareness session on Swachh Bharat

Mission. The officials of Chandigarh MC sensitized the students about the aims and objectives of the mission and urged them to contribute towards this mission with utmost sincerity. NSS programme officers Ms. Pallavi and Dr. Purnima Bhandari were also present in the event. The students also filled the Swachh Survekshan 2020 during the session.

Evidence of success

Lecture on Personal Health and Hygiene

4th February, 2020

The UBA Cell of MCM DAV College for Women, organized the activity titled “Lecture on Personal Hygiene” on 4th February, 2020 in Buterla village.

Objective

The objective of the activity was to disseminate knowledge and create awareness among the residents about the importance of personal hygiene, balanced diet and symptoms of cancer and its precautions. The emphasis was on teaching the participants, especially women of the village, and the importance of observing personal hygiene.

The context

During household survey of the village, it was noticed that there was a lack of knowledge among the residents with regard to health and hygiene. So, it was considered appropriate to deliver a composite lecture comprising various issues of health in order to increase the awareness of the residents.

The Practice

The activity took place at Anganwadi, Buterla, Chandigarh with the participation of 13 people comprising 12 student volunteers and a Resource person, Dr. Gunjan Sud, Deptt. of Botany, MCM DAV

College. The lecture was divided into three sessions. In the first session, the participants were told about the necessity and significance of hygiene with special reference to the menstrual cycle. At the end of this session sanitary pads were distributed amongst the participants, so as to encourage them to

discontinue the use of cloth which is extremely unhygienic and causes many health hazards. The second session was dedicated to disseminating information regarding prevalence of different types of cancers, their detection, treatment and prevention. During this lecture, information was also disseminated on common food ingredients of plant origin which have anti-cancerous properties. The third session was conducted to impart knowledge about the significance of a balanced diet. In this session, Dr Gunjan Sud told the gathering about the essential dietary components, their sources and how they could be incorporated into a healthy diet. The lecture ended with round of an applause by everyone present there.

Problems encountered and resources required

The main problems encountered in conducting the activity were-

- Lack of knowledge among the residents of the village about the rules of basic hygiene.
- Arranging meetings with the Village Councillor.
- Difficulty in choosing the appropriate time and active involvement of students for conducting the activity.
- Villagers expect continuity in follow-up activities which is not feasible.

Evidence of Success

‘Importance of Menstrual Hygiene: Myths and Truths’

6th February 2020

An Interactive session on 'Importance of Menstrual Hygiene: Myths and Truths' was organized by the Swachhta Committee (Commerce) on 6th Feb, 2020. The session was conducted by Dr. Jaspreet Kaur, Gynaecologist and Laparoscopic Surgeon, Bedi Hospital, Chandigarh.

Objective

The event was organized with the aim to spread awareness about maintaining menstrual hygiene and to understand its importance for a healthy living. Also, the event aimed at throwing light on the myths and truths related to menstruation.

The Context

Dr Jaspreet explained to the participants the scientific reasoning behind the process of menstruation and the different phases of the menstrual cycle.

She began the session by telling that talking about menstruation is still seen as a taboo in the Indian society and this is a thinking that needs to be changed. The significance of maintaining menstrual hygiene was stressed upon as it not only leads to a healthy living, but also ensures full participation of women and girls in work, and other activities.

The myths related to irregular periods were talked about. The pros and cons, of various options available, including sanitary pads, tampons and menstrual cups etc. were also discussed.

She also talked about the infections and diseases that can occur if proper care is not taken with regard to menstrual hygiene. The precautions to be taken to prevent the occurrence of sexually transmitted diseases and cervix cancer were also highlighted.

Evidence of Success

The information regarding the lecture on Menstrual Hygiene was disseminated in advance, as a result of which many faculty members and students attended this interactive session. Principal Dr. Nisha

Bhargava appreciated the endeavour of the Swachhta Committee.

Outcome of the activity

The information imparted through the session helped the students to come out of the inhibitions to talk and discuss about issues related to menstruation. As a result, they were able to interact with Dr. Jaspreet and got the answers to all queries related to the issue to their utmost satisfaction.

MCM DAV is the cleanest residential college in India

HT Correspondent
chandigarh@hindi.khaskhabar.com

CHANDIGARH: The Mehr Chand Mahajan Dayanand Anglo Vedic College for Women, situated in Sector 36 and called MCM DAV in short, has bagged the first rank in the National Swachh Campus Ranking 2018 among colleges in the residential category.

Principal Nisha Bhargava received the award on behalf of the college from Union Minister Prakash Javadekar in New Delhi on Monday.

As many as 6,029 higher educational institutes had participated in the all-India ranking and 4,792 were found eligible, according to a release. Finally, 81 were ranked under eight categories, covering technical institutes, universities and colleges with hostels (residential) and without hostels.

"We have received the award under the residential college category. It means both the campus and hostel infrastructure has been adjudged the best," said Bhargava.

A college spokesperson said:

Nisha Bhargava, principal of MCM DAV College, Sector 36, receiving the Swachh award from Union minister Prakash Javadekar during a function in New Delhi on Monday.

"Under the Swachh Bharat Abhiyan, the college has installed a biogas plant, vermin composting plant and a real-time air quality monitoring system in its campus. The college has organised many plantation drives and awareness drives on solar

power generation, rainwater harvesting and waste segregation." The college has also adopted Badheri village in Sector 41, where sensitisation programmes on sanitation, hygiene and cleanliness are regularly held by students.

एमसीएम कॉलेज-36 को स्वच्छ सर्वेक्षण में मिला राष्ट्रीय पुरस्कार

जागरण संवाददाता, चंडीगढ़ : सिटी ब्यूटीफुल को पहचान दिलाने और अपनी उल्लेखनीय उपलब्धियों की श्रेणी में एक नाम जुड़ गया है। एमसीएम डीएवी कॉलेज फॉर वुमेन-36 ने पूरे देश में 'बेस्ट सिटीजन लीड इनोवेशंस' कैटेगरी में तीसरा स्थान प्राप्त किया। इसकी घोषणा स्वच्छ सर्वेक्षण 2019 के तहत दिल्ली में आयोजित स्वच्छ सिटी अवार्ड्स के दौरान हुई।

भारत सरकार के मिनिस्ट्री ऑफ हाउसिंग एंड अर्बन अफेयर्स के द्वारा पुरस्कृत यह अवार्ड प्रयोग की गई प्लास्टिक की बोतलों में कृषि एवं रसोई में व्यर्थ जाने वाली वस्तुओं से मशरूम उत्पादन की पहल जैसे प्रबंधन के एमसीएम के अमृत उपक्रमों की पहचान के रूप में प्रदान किया है। कॉलेज के फूड साइंस विभाग के अधिकारियों से

सेक्टर-36 एमसीएम कॉलेज फॉर वुमेन की प्रिंसिपल डॉ. निशा भार्गव दिल्ली में आयोजित स्वच्छ सर्वेक्षण अवार्ड-2019 में केंद्रीय मंत्री हरदीप सिंह से पुरस्कार लेते हुए।

कॉलेज को यह सम्मान मिला है। इसका उद्देश्य व्यर्थ के रूप में अवशिष्ट जैविक वस्तुओं का सही उपयोग करना है। इससे सभी के लिए उच्च स्तर के पौष्टिकता युक्त आहार को उत्पादित कर समाज को सशक्त बनाया जा सकता है। एमसीएम

के फूड साइंस विभाग के इस प्रयास की सराहना करते हुए प्रिंसिपल डॉ. निशा भार्गव ने कहा कि स्वच्छता अभियान में अहम योगदान के लिए पहले भी एमसीएम कॉलेज को नेशनल लेवल पर सम्मान मिल चुका है।

MCM bags national award for innovation

TRIBUNE NEWS SERVICE

CHANDIGARH, MARCH 6 MCM DAV College for Women bagged the all-India third rank in the 'Best Citizen-Led Innovations' category during the Swachh City Awards announced on Wednesday in New Delhi.

The award by the Ministry of Housing and Urban Affairs was recognition for MCM's unique solid-waste management initiative for cultivating oyster mushrooms from agricultural and kitchen waste in used plastic bottles.

A brainchild of Vandana Sharma and Sandeep Kaur of the Food Science Department, the initiative is a sustainable approach with the objective of utilising organic

MCM DAV College for Women. TRIBUNE PHOTO

waste residues while enabling community empowerment through generation of high nutritional value food for all.

Project concept

The need for developing

alternative strategies for effective waste management is mandatory due to the threat posed to our environment and public health. One such strategy for solid waste management is the successful cultivation of one nutri-

tional variety of mushroom called oyster mushroom by utilising kitchen and agricultural wastes as substrates.

The oyster mushroom cultivation in used plastic bottles has a high impact as it offers multiple solutions including generation of a relatively cheap source of high-quality food protein and skill training to the target population, especially women, for setting their own small business units.

Nisha Bhargava, Principal of MCM College, said: "We sent a prototype of the project to the Municipal Corporation, which submitted it to the Ministry of Housing and Urban Affairs. Students and faculty were working upon the project for more than one year."

देश का सबसे स्वच्छ कालेज बना चंडीगढ़ का एमसीएम डीएवी

स्वच्छ कैंपस रैंकिंग 2018 में पहले स्थान पर चुना गया, मानव संसाधन विकास मंत्रालय ने दिया स्वच्छ शैक्षिक संस्थानों में सर्वोच्च अवार्ड

अमर उजाला ब्यूरो

चंडीगढ़: देश के उच्च शैक्षणिक संस्थानों की स्वच्छ परिसर रैंकिंग में चंडीगढ़ के एमसीएम डीएवी कालेज सेक्टर-36 ने नंबर वन पर आकर सिटी ब्यूटीफुल का नाम रोशन किया।

इस खिताब के साथ एमसीएम डीएवी कालेज देश का स्वच्छ कालेज बन गया है। नई दिल्ली में सोमवार को आयोजित अवार्ड समारोह में कालेज को यह खिताब मानव संसाधन विकास मंत्रालय के केंद्रीय मंत्री प्रकाश जावड़ेकर के हाथों दिया गया। अवार्ड को कालेज प्रिंसिपल डॉ. निशा भार्गव ने हाथ किया गया।

कालेज ने बुनियादी तौर से स्वच्छता पर दिया है खास ध्यान, लेकिन 2014 से योजनाओं को किया गया पुख्ता

कालेज प्रिंसिपल ने बताया कि कालेज की बुनियादी तौर से ही यहां स्वच्छता को प्राथमिकता दी गई। लेकिन 2014 से स्वच्छता को लेकर और योजनाओं को पुख्ता किया गया। कालेज के प्रयासों में स्वच्छ भारत अभियान के तहत बायो गैस प्लांट लगाना, बगीचा पोस्टिंग, पौधोपवन अभियान, सौर ऊर्जा निर्माण, रेन वाटर हार्वैस्टिंग, रिफिल टाइम एयर क्वालिटी मॉनिटरिंग सिस्टम, वेस्ट सेन्सिटीवन, नीले और हरे कूड़ेदान कैम्पस में रखने, परिसर की सफाई, एनएसएस की ओर से परिसर और आसपास के परिवेश की सफाई, सफाई स्वच्छता एवं सेनिटेशन पर दसक गांव बड़े में जागरूकता अभियान चलाना, स्वच्छता पखवाड़ा एवं स्वच्छ भारत समर इंटर्नल समित है।

नई दिल्ली में आयोजित कार्यक्रम में एचआरडी मिनिस्टर प्रकाश जावड़ेकर और डॉ. स्वच्छपाल सिंह एमसीएम डीएवी कालेज चंडीगढ़ को सबसे स्वच्छ कालेज का खिताब देते हुए।

भविष्य में अधिक गांव लेंगे गोद कालेज प्रिंसिपल डॉ. भार्गव ने कहा कि यह अवार्ड स्वच्छता के प्रति अपने सहोकार और उपलब्धि को रखने के लिए मिला है। इस पर कालेज प्रबंधन और छात्रों को गर्व है। उन्होंने बताया कि स्वच्छ भारत मिशन के उद्देश्यों के साथ-साथ ही एमसीएम ने स्वच्छता संबंधी अपने लक्ष्य का समन्वय बनाए रखा है। वेस्ट मैनेजमेंट के आधुनिक और वैज्ञानिक तरीकों को प्रोत्साहित करना, सफाई एवं स्वच्छता के महत्व के प्रति जागरूकता बनाना, सफाई रखने के व्यावहारिक कदमों को प्रभावी बनाना - ये सभी उद्देश्य केंद्रीय स्वच्छ भारत मिशन के सर्वोच्च अनुक्रम हैं। इस मिशन से मार्गदर्शन लेकर एमसीएम सस्टेनेबल डेवलपमेंट तथा समाज के सभी तहों के विकास के लिए सही प्रयासों को करता है। ये भीषण में भी अधिक गांव जैसे भूखंड, कजहरी और किशनपुरा गांव को मोद लेकर स्वच्छता अभियान जारी रखेंगे।
