Physical Output/Practical Application Demonstrated by Participants: Please see the attached file

Duration (Hours/Days): Nil

Feedback/ Analysis: The Creative Writing Club provides coverage of principles and techniques that pertain across the genres: imagery; character development and point of view; narrative design and pacing; establishment of place and time.

The club aims to immerse students in the creative process and help writers find their voice. Keeping this in mind, the club plans to organise workshops and lectures on essential skills such as critical reading, concise writing, and knowledge of the revision process.
