The EOC organized Remedial Classes for the students in the month of April from 08.04.2018 to 16.4.2018. The students who needed extra attention were identified based on their performance in Mid Term Tests. The classes were conducted for the students of BA, B SC, B COM, BCA and BBA courses with following. The Objectives was to motivate and give additional help to academically weaker students, to help students who were away for participation in other activities and to monitor the effectiveness of remedial class by conducting tests.
