The EOC organized Remedial Classes for the students in the month of November from 12.11.2018 to 17.11.18 and in month of April from 8.4.2019 to 16. 4. 2019. The students who needed extra attention were identified based on their performance in Mid Term Tests. The classes were conducted for the students of BA, B SC, B COM, BCA and BBA courses. The Objectives of the classes was to motivate and give additional help to academically weaker students, to help students who were away for participation in other activities and to monitor the effectiveness of remedial class by conducting tests. The students attended the classes for the subjects in which they needed extra help and also appeared for the test to improve their internal assessment.
