FEEDBACK COMMITTEE REPORT (2016-17)

The Feedback Committee constituted under the guidance of Madam Principal Dr. Nisha Bhargava held many formal and informal meetings throughout the session. After many deliberations, a feedback form was structured and distributed to the outgoing classes. The questions were wide ranging and covered every aspect of the College such as curriculum, teaching, infrastructure, management and student support.

The feedback exercise has provided valuable inputs and show the spotlight on areas where greater efforts will yield better results. It was suggested by Dr. Nisha Bhargava to make it a regular feature and a more comprehensive and structured form to be prepared and would also try to put it online for the convenience of all the stakeholders. The Feedback was discussed with IQAC and Advisory Council.
