Feedback Committee Report 2017-2018

Three informal meetings of the feedback committee were held from August to September to discuss and study feedback forms filled by the students. A comprehensive report on students feedback forms was prepared and submitted to the office. A meeting of the committee was held on 5-4-2018 and it was decided to make the feedback online for the convenience of all the stakeholders. Students were directed to fill up college feedback form online on the portal desamcmdav.com from April 9 – April 20th 2018. Teachers were requested to guide the students. An analysis of the online feedback forms and flow observations were made.

- 1) Regarding curriculum and teaching: Students affirm that the faculty comes well prepared and covers the syllabus on time.
- 2) 85 % of the students are satisfied with canteen, banking and sports facilities but space is a major concern as far as library is concerned.
- 3) Satisfaction level of the student community as regards key arenas such as academic, infrastructure and management are very high.

From the feedback by the students the committee communicated the issues to various committees. Necessary steps were taken by the respective committees to satisfy the students.
