**Name of the Village: KAJHERI**

#### **ACTIVITY:**

**NAME OF THE ACTIVITY:** A Cleanliness cum Awareness Drive on “Waste Segregation and Management”

**DATE:** November 15, 2019

#### **Need of the Activity:**

- To sensitize the people about the concept of waste segregation and its techniques.
- To elucidate the functioning of compost pits in school premises.

#### **Description in 200 words (along with the Pictures):**

A cleanliness cum awareness drive on “waste segregation and management” was held on 15.11.2019 in Village Kajheri, in which the volunteers of Unnat Bharat Abhiyan (UBA) unit - Mehr Chand Mahajan DAV College for Women, Sector 36-A, Chandigarh, participated and disseminated knowledge about different types of waste generated and their means of disposal.

During the drive, UBA volunteers identified the filthy area and with the assistance provided by Municipal Corporation, cleaned the main market area. In addition, volunteers distributed waste segregation awareness pamphlets among the masses and asked them, particularly owners of the eateries to segregate their waste and discard in relevant wet and dry bins. In an attempt to reduce the dumping of garbage in an open area, a set of blue and green dustbin was also installed in the market place.

In addition to that, a lecture cum demonstration was given in the Government High School, Kajheri where Dr. Purnima Bhandari, Assistant Professor, Mehr Chand Mahajan DAV College for Women explained the functioning of compost units to the concerned teachers and students. Several doubts including period required for compost preparation, climatic conditions, texture of compost prepared etc. were cleared during the session.
