

## Report of Exit Survey

An educational institution is the vehicle for the systematic transmission of knowledge, skills and cultural values in the students who are the most important stakeholders of an educational institution. A true evaluation of their aspirations and needs serves as a valuable input in enhancing the quality of the teaching learning process. Our institution obtains students' feedback on diverse aspects related to curriculum, infrastructure, governance and student support services. A structured questionnaire is filled by outgoing students online. It consists of questions related to different aspects of the functioning of the College. The students are expected to give their response on a five-point scale ranging from 1 for Strongly Disagree to 5 for Strongly Agree. The findings of the feedback of 361 students who passed out of the college in the session 2020-21 are as follows:
