EK BHARAT SHRESHTHA BHARAT

EBSB club of Mehr Chand Mahajan DAV College for Women, Chandigarh, has been created under the 'Ek Bharat Shreshtha Bharat' initiative of the Government of India, to commemorate the birth anniversary of Sardar Vallabhbhai Patel, the Iron Man of India. Under this initiative, the States and UTs of the nation have been paired with each other. Chandigarh has been paired with Dadra and Nagar Haveli which is peculiarly positioned as, on one side, it touches Gujarat, the state of desert and bright colours, and, on the other side, Maharashtra, the State with multicultural flavour of financial vibrance and Bollywood Spice. EBSB club of our college conducts various engaging activities that promote the sustained and structured cultural connect with our paired Union Territory. It provides a platform for our stakeholders to share, discuss, interact, learn and propagate the diversity of our country with zeal and enthusiasm. This gives the opportunity to appreciate the diversity and promote the national integrity at the same time. Dedicated to encouraging cultural exchange among different states of our multicultural fabric and reaffirming the glory of India as a multicultural nation, this flagship mission has, undoubtedly, strengthened the patriotic fervour among the youth of the country.

The best way to predict your future is to create it. That's what my Political science teacher told me and I always keep it as a living inspiration for me. I cherish my student life at MCM DAV college for women, hostel life was the best memories ever made. By giving my best at MCM and performing well I got the opportunity to be selected for the internship Embassy of the Islamic Republic of Afghanistan In New Delhi India, where I practice all I had to learn about politics. Hard work pays off sleepless nights of exam warm summers during my 3 years of study in MCM I personally always chose to be in the hostel for all the facilities it has as the favorite part for me was the evening snack by Kalu Bhaiya. with the motherly loves of our wardens and the care of our respected principal I did not want to stay any other place than a hostel. Early morning Yoga Classes and gym times for keeping us fit we also had some special dinners plus all festivals were well-celebrated DJ nights and my favorite Holi. Daily after my warm cup of milk attending my classes, I learned so much not only from the books but also from the experiences of my teachers I learned to be more disciplined, attentive, and have a vision for my future to make my decision and live it. experience of new culture a new life a new world from Afghanistan to India would have never been as beautiful as it has for me if not for MCM. If I had a chance to study again I would still choose to be 9360 in 4B.

MCM DAV College For Women is one of the best colleges in India. Since I haven't visited it yet due to COVID but waiting eagerly to spend 2 years of my life there. The teachers of this college are so helpful, lovely and friendly. They are so knowledgeable in their respective fields. The way of teaching makes it easy to grasp knowledge about the subject. The teachers also go the extra mile to make sure even as foreign students we get to understand and feel like we are part of the college and country. I feel so proud to be a part of this prestigious college. I am certain that I will love my stay and feel as welcome as possible.

I am Sweeta Sharifi from Afghanistan. I graduated in medical technology and was interested in continuing my studies further. Fortunately, I got a scholarship from ICCR and took admission in MCM. I was keen to visit India but unfortunately due to the present Pandemic, I could not do so. Initially, online classes were a new thing for me but my teachers and classmates guided and supported me day and night in understanding this platform, provided me with quality study material, and virtual interaction and exchange of ideas has enhanced my confidence and knowledge. I feel blessed to be part of this institution and eagerly waiting to meet my teachers and classmates in the coming days.

MCM DAV is not just a college with reputation and prestige, It's simply the best. As a foreign student, learning and acquiring knowledge from an institution as MCM DAV is a privilege. The college infrastructure is fascinating from the entrance to the entire classrooms. Available sport, games, Athlete activities. Easy, comfortable with the best learning conditions. With dedication and hard work, everyone is a winner in MCM DAV. I love the family-like atmosphere that surrounds me. The college cares about its members. It is a place of civility, friendship, and good cheer.
