Schedule-The department of Video Reporting of Mehr Chand Mahajan DAV College for Women Chandigarh organised a 3 day virtual workshop on Photography and Video Editing for the students of the college. The workshop was conducted by Jeesu Jaskanwar Singh who was invited as the resource person to help students understand the nuances of photography and video editing. The content of the workshop was organised as:

Day 1: Through power point presentation, the participants were given an overview about the art of photography. He endeavoured to explain to the participants that a good photographer is one who observes and engages with the surrounding, attempts to read a lot, travels and develop patience and one who is empathetic and understands emotions. The pictures used in the presentation were thought provoking and were clicked by the resource person himself.

Day 2: The day 2 aimed at understanding the technical aspect of photography. Participants understood the anatomy of camera body and kinds of lenses used. He acquainted students about the concept of light and lens, aperture, depth of field, shutter speed with very simple examples. The session was very interactive and engaging. He asked students to share their photographs based on the concept shared as homework.

Day 3: The day 3 was designated to understand the process of video editing. The evolution of editing from linear to non linear was explained through power point presentation. The video editing software Movie Maker 10 was taught to the participants.
