**Congratulations! You've completed the course.**

Thank you for joining us over the last three weeks to investigate the problem of food loss and waste. You've heard about the worrying extent of the problem but also discovered opportunities to make lifestyle changes that can have a significant impact. You've heard about initiatives from start-ups, non-profit organisations and governments and reflected on how you'd like to get involved.

We would like to thank all of you for your participation, comments, and responses. We hope that you enjoyed your time learning with us and achieved your learning objectives.

## Tanu ., what did you think of the course?

Congratulations on completing [From Waste to Value: How to Tackle Food Waste](#). Now we'd love to know your feedback.

We'll share your review of this course publicly with other learners on our website to help them decide if the course is right for them.

---

Thank you for joining us on **From Waste to Value!**

We hope you've enjoyed your journey and expanded your knowledge. Each step has been full of some wonderful contributions which have made the course even more enjoyable.

The last three weeks have enabled you to explore the global problem of food waste and what's being done to address it and we hope that it has challenged you to think about how you can use this knowledge and apply it in the future.

We hope to see you on another course soon!

Best wishes,

The course team!

Thank you for joining us over the last three weeks to investigate the problem of food loss and waste. You've heard about the worrying extent of the problem but also discovered opportunities to make lifestyle changes that can have a significant impact. You've heard about initiatives from start-ups, non-profit organisations and governments and reflected on how you'd like to get involved.

We would like to thank all of you for your participation, comments, and responses. We hope that you enjoyed your time learning with us and achieved your learning objectives.

**Congratulations! You've completed the course.**

Thank you for joining us over the last three weeks to investigate the problem of food loss and waste. You've heard about the worrying extent of the problem but also discovered opportunities to make lifestyle changes that can have a significant impact. You've heard about initiatives from start-ups, non-profit organisations and governments and reflected on how you'd like to get involved.

We would like to thank all of you for your participation, comments, and responses. We hope that you enjoyed your time learning with us and achieved your learning objectives.

Thank you for joining us on **From Waste to Value!**

We hope you've enjoyed your journey and expanded your knowledge. Each step has been full of some wonderful contributions which have made the course even more enjoyable.

The last three weeks have enabled you to explore the global problem of food waste and what's being done to address it and we hope that it has challenged you to think about how you can use this knowledge and apply it in the future.

We hope to see you on another course soon!

Best wishes,

The course team!

To Whom It May Concern

22<sup>nd</sup> June, 2021

This is to certify that Ms. Karman Saini, student of B.A.(Hons) Psychology, MCM DAV College for Women, Chandigarh University, has been associated with The Mind and Wellness Studio from 10th March 2021 to 10th May 2021, as an intern under my guidance.

During the course of her internship, she carried out research for various topics assigned to her and engaged in formulating marketing strategies. She has undertaken all the responsibilities given to her in a meticulous and professional manner.

During her tenure, I have known Karman to be a conscientious young woman, who has worked with diligence and passion. She worked effectively with her fellow colleagues and was always ready to provide a helping hand when necessary.

She is quick at grasping the tasks and her observation skills are sharp and commendable. She has the potential to prosper in this given field of study.

I wish her all the best for all her future endeavours and I am very hopeful that she will prove to be an asset to any organisation that she will be a part of.
