Dr. Punam Suri Ji, Padma Shree Awardee

Hon'ble President

DAV College Managing Committee

New Delhi

From the Principal's Desk

The Placement Cell of the college continued its efforts to place students in different companies as per the aspirations of the students. The year 2021-22 posed many challenges in the form of slump in the job market, but the Cell punctuated its efforts to bring suitable candidates and potential companies under one umbrella by arranging Orientation Sessions and arranging workshops to enhance and equip students with the right skills. The students were encouraged to explore their potential by registering for various Placement Drives; both online and offline. Their efforts bore results as the Placement Cell of the college placed candidates in various reputed companies. I am also pleased to place on record various Memorandums of Understanding that were signed with various organizations for cooperation and to seek a mutually rewarding relationship.

My deepest gratitude to Dr. Punam Suri Ji, Padma Shree Awardee, worthy President, DAV College Managing Committee (DAV CMC), New Delhi for his visionary leadership and for encouraging us with his words of wisdom. I express my thanks to Shri H.R. Gandhar Ji, Hon'ble Vice President DAV CMC, New Delhi for his valuable guidance at all times. I also express my gratitude to Shri Shiv Raman Gaur Ji, Director Higher Education, DAV CMC, New Delhi for his most willing guidance and blessings that we receive in ample measures. My greetings to the members of Placement Cell for their efforts and initiatives as we stride forward to groom our students to suit the requirements of potential employers!

Principal

With the restrictions imposed on physical movements being eased off, companies also started offering a hybrid mode of work in many profiles. We envisaged providing the requisite skills to the aspiring candidates by working on the areas that needed to be worked upon. With the efforts of the team members of the Placement Cell and with the blessings of our principal madam Dr. Nisha Bhargava, we placed 100 students in different companies, got internship offers for 59 students, arranged employment enhancement programmes, and signed Memorandums of Understanding with a few companies for accomplishment of common objectives. We look forward to another year of arranging Placement Drives and offering Internship opportunities to our students in different companies to accommodate varied skill sets.

Dr. Mamta Ratti
Coordinator
Placement Cell

The Placement Cell of the College continued with its commitment to bridge the gap between the professional aspirations of the students and their employability. The academic year 2021-22 was replete with challenges and opportunities in terms of professional requirements.

With the collaborated efforts of the Placement Cell and the students of the college, 100 students were placed in various companies. The companies where our students were placed included Infosys, Decathlon, Yes Bank, CSB Bank, eClerx, MyCaptain, Hitbullseye, Super Donuts, Gillco International School, British Counsel, College Search, Recruit CRM, EduRev, Geetanjali Homestate PVT. LTD, IDS Infotech Pvt Ltd, Netsmartz Infotech, Alaric Ventures, Slide Tech systems, Zenid Infotech Pvt. Ltd., Cloud EQ, and Beyond Codes to name a few. Highest package of Rs. 6,00,000/- per annum was offered by Recruit CRM to two students of the college.

In all, selections were made in 35 companies out of the 64 companies where placement drives were conducted for students of the college across all streams. As far as internships were concerned, 59 students were selected by 3 companies including Super Donuts, Hitbulls Eye and Mushkurahat Foundation.

In a bid to supplement the qualifications of the students in terms of soft skills and other skills required by potential employers, employment enhancement programs were arranged. The programmes were organised in collaboration with Mahindra

Pride Classroom, National Institute of Security Markets NISM - Employment Enhancement Program (2021-22), Regional Centre for Entrepreneurship Development, The National Association of Software & Services Companies , GOOGLE and Chandigarh Municipal Corporation.

In order to strive for synergic effect, Memorandum of Understanding was signed with various organizations with a vision to equip the students with the requisite skills. The MOU signed with Gilco International School aims to cooperate and

collaborate with the School in areas of interest and benefit to both institutions. Another MOU signed with Skill Labs Resource Pvt. Limited endeavours to enhance experiential learning, provide internship and project opportunities to students, arrange expert sessions and provide career guidance and counseling to the aspiring students. Another MOU was signed with Regional Centre for Entrepreneurship Development, Chandigarh for mutual cooperation and achievement of common goal of employment enhancement initiatives.

The Placement Cell will continue with the same zeal to find avenues for the students of the college where they may be placed as per their capabilities, skills and aspirations. Greater focus will be laid on preparing the students for better profiles, enable them to face the interviews with more confidence and also offer them more placement opportunities.
