From the Principal's Desk

Our country faces giant challenges in the form of tackling drug abuse and taking rehabilitation measures. The Department of Social Justice & Empowerment, Government of India is constantly adopting measures to deal with the menace of drug addiction which is raising its head all over the country. In sync with the measures suggested by the Department, the Victory Against Drug Abuse (VADA) Club of Mehr Chand Mahajan College for Women engaged in organising programmes, events and sessions to create awareness regarding the detrimental effects of drug abuse and also to create an environment where students ask questions and also know more about the rehabilitation measures. Since youth is the most vulnerable section when it comes to substance abuse, they must be focused on by the policymakers and the formation of such clubs across educational institutions is a welcome step in our struggle against drug abuse.

The Pledge Taking Ceremony in August on 'Nashe Se Azadi: A National Youth & Student Interaction Programme' was a clarion call to show solidarity with the objectives of the Department of Social Justice & Empowerment. Many events and sessions were organized that resonated with the theme of 'Nasha Mukh' Bharat, especially in this part of the country.

Youth sometimes gets lured by peer pressure and sometimes succumb to the pressure of 'try something new'. A scholarly lecture by Dr. Debasish Basu, Professor and Head, Department of Psychiatry, PGIMER, Chandigarh busted many myths around the use of drugs and enriched the participants with the various guises that drug traffickers may give to drugs to make them look 'cool' and 'harmless'. Many competitions were organized including the elocution competition, essay writing competition and painting competition which revolved around the themes of substance abuse, the roadmap for a 'Nasha Mukta' Bharat and how the misuse of drugs impacts the social and cultural fabric of the country adversely. Drug addiction erodes resources, leads to an increase in crime rate and also disrupts relationships besides the immediate physical and psychological harmful effects.

I am deeply indebted to our torch bearers who continue to guide us in all our efforts. I am thankful to Dr. Punam Suri Ji, Padma Shree Awardee, Hon'ble President, DAV College Managing Committee (DAV CMC), New Delhi for encouraging us to take concrete steps to eradicate drug abuse. I express my gratitude to Shri H.R. Gandhar Ji, Hon'ble Vice President, DAV CMC and Senior Governing Body member of the College for always inspiring us with new ideas and to contribute to nation building. I am beholden to Shri Shiv Raman Gaur Ji, Hon'ble Director Higher Education, DAVCMC for his blessings and support. I also acknowledge and laud the efforts of the VADA Club and all the team members for their efforts to fight the menace. We are faced not only with the challenges of fighting drugs making their way into our country, but also their rampant use and the taboo associated with rehabilitating the ones who have fallen into the trap of drug addiction.

With sustained efforts like these where educational institutions collaborate with the Government initiatives to fight tooth and nail against drug abuse, we look forward to the dawn of a 'Nasha Mukta' Bharat!

Taking Pledge Ceremony Under Nashe-se- Azzadi

Date of the Activity: 4th August 2022

Number of Participants: 90

Objective: The purpose of the activity is to highlight the social problem of Drug Addiction in the contemporary society. Drug Addiction is emerging to be a serious concern in the country, especially in the younger generation leading to dangerous consequences not just for the person using drugs, but on the family and society at large. Under the Nasha Mukta Bharat Abhiyan of the Ministry of Social Justice and Empowerment, Government of India, the aim of the ceremony was to strengthen action and cooperation in achieving the goal of sustainable world free of substance abuse.

The Context: The Ministry for Social Justice & Empowerment Sh.Thawaarchand Gehlot launched the website for the Nasha Mukta Bharat Abhiyaan (NMBA) on the occasion of International Day Against Drug Abuse and Illicit Trafficking on 26 June 2021, which is observed worldwide to strengthen action and cooperation in achieving the goal of a sustainable world free of substance abuse. The entire world is facing the menace of drug addiction which has a devastating impact on the addict, individual, family and a large section of society.

The Practice: To create awareness regarding Nasha Mukht Bharat, Chandigarh, a pledge-taking ceremony was organized under able guidance of Principal Dr Nisha Bhargava and supervision of (VADAC) Victory Against Drug Abuse Club (Coordinator) Dr Gurjeet Kaur Virk. The pledge was administered to the male staff members of the college by Mr Kuldeep Singh, Superintendent (Administration), at the college, wherein everyone vowed to stay away from drugs and to make efforts to make India a drug free country.

Evidence of Success: Everyone promised to keep themselves free from drugs and make all kinds of efforts to make Bharat Drug Free country. Student representatives also participated and generate awareness by making posters on the respective theme of the program among the masses. On this occasion, Principal Dr. Nisha Bhargava mentioned that drug addiction is an issue of grave concern, especially among the younger generation, which has detrimental impact not only on individual concerned but on the society as a whole. In the end she pointed out that in this digital era, the definition of addiction has evolved to include tech addiction, and sensitization programmes aimed at preventing the addiction can be the most effective strategy to overcome this problem.

Impact of Substance use on individuals

Date of the Activity: 24th September 2022

Number of Participants: 100

Objective: The main focus of the event was to strengthen the actions and cooperation in achieving the goal of a sustainable world free from substance abuse. The entire world is facing the menace of drug addiction which has a devastating impact on the addict, individual, family and a large section of society. These competitions were conducted in three different venues within the campus simultaneously, to generate mass awareness about the drug menace and its effects on younger generation under NashaMukt Bharat Abhiyaan.

The Context: Drug Addiction is emerging to be a serious concern in the country, especially in the younger generation leading to dangerous consequences not just for the persons using drugs, but on the family and society at large. Drug abuse

has resulted in an increase in crime rate and has a detrimental impact on society at large. Preventions has proven to be the most effective strategy to counter this problem. The Ministry of Social Justice & Empowerment under Nasha Mukh Bharat Abhiyaan, is the nodal ministry which plays a significant role in Drug Demand Reduction in the country.

The Practice: The Victory against Drug Abuse Club of Mehr Chand Mahajan DAV College for Women, Sector 36 A, Chandigarh, conducted three competitions under Naha Mukh Bharat Abhyaan. The three events were coordinated by Dr Gurjeet Kaur Virk, Coordinator, VADA Club.

The First event Elocution Competition on the theme: “Is substance use addiction, A disease or a choice”, was held in Science Conference Hall. There were 21 student

participants in the competition, wherein they highlighted the negative impact of drug on social, physical and mental wellbeing on the addicts. The drugs have become a style in today’s world. Today’s generation has become gripped with whatever is new or trending in the world. Abuse of drugs can turn out to be very dangerous. It can cause psychological or physical addiction.

All these drugs have tremendous side effects; these side effects can later give rise to several diseases. In their presentations, students also underlined that the government put stringent initiatives in place so that the menace is eradicated from the society. Accordingly students also reminded our duty as responsible citizens and not to misuse the drugs. Even when we come across any such crime, we should immediately report it to the nearest police station. The students showcased enthusiasm, awareness and concern regarding the issue.

The Second event Essay Competition on the theme: “Nasha Mukta Bharat Abhiyaan & Road map ahead for its success” was held in Golden Jubilee Conference Hall. There were 26 students participated in the competition out of which 17 students were expressed their views on respective theme in English medium and other in Hindi medium. The purpose of the activity was to generate awareness, gauge their understanding of the challenge to the youth as well as their solutions to the problem of drug abuse. Students suggested solutions like government intervention, community response and redirecting the energy of youth towards more creative and productive directions.

The Third event Painting Competition on the theme: “Impact of Substance use on individuals “was held in Fine Arts Lab. There were 21 students participated in the competition and they highlighted the ill effects of drugs on students as well as artistically displayed various ills and appeals regarding drug abuse through their paintings. The purpose of painting competition was to sensitise and create awareness amongst the public about the menace of substance abuse through creativity and expression. Participants presented their thoughts on canvas with colours expressing drugs as definite death and suffering for not only the addict but the whole family. By illustrating through painting, participants clearly supported choosing of life and urged youth to say no to drugs.

Evidence of Success: The event was organised in the college campus under the esteemed and valuable guidance of Principal Dr.Nisha Bhargava. The event was administered by Dr.Gurjeet Kaur Virk, Coordinator, and Victory against Drug Abuse Club (VADAC). On the occasion, Principal Dr.Nisha Bhargava, addressed the students participated in different competitions and highlighted the optimism for curbing the drug problem in the imminent future and building a hale and healthy society which is definitely possible with each of our conscious efforts. She said every person has to play a positive role in guiding those into drugs by making it a mission which will be a great contribution to the country. She encouraged all the students to keep participating in these kinds of activities and motivated them to keep spreading awareness in the society. The principal also lauded the efforts of Victory Against Drug Abuse Club (VADA) Coordinator and members for organising the activity and taking initiative to educate students on drug abuse and illicit trafficking. Students of all the streams (i.e. Arts, Commerce and Sciences) from under graduate and postgraduate level participated in the competitions with great zeal. The competitions were basically aimed at spreading awareness about drug menace among students. Various staff members and more than 100 students were present during the event. At the end of the event, best performing participants were given cash rewards and certificates for their felicitation.

Awareness Lecture On Drug Abuse Among Youth

Date of the Activity: 30th September 2022

Number of Participants: 100

Objective: The main purpose of the event was to educate and refrain the youth from the use of narcotic substances and spread awareness about the drug not only on individuals on society at large.

The Context: Drug Addiction is emerging to be a serious concern in the country, especially in the younger generation leading to dangerous consequences not just for the persons using drugs, but on the family and society at large. Drug abuse has resulted in an increase in crime rate and has a detrimental impact on society at large. Preventions has proven to be the most effective strategy to counter this problem. The Ministry of Social Justice & Empowerment under Nasha Mukta Bharat Abhiyaan, is the nodal ministry which plays a significant role in Drug Demand Reduction in the country.

The Practice: The Victory against Drug Abuse Club of Mehr Chand Mahajan DAV College for Women, Sector 36 A, Chandigarh, conducted an Awareness Lecture on Drug Abuse among Youth under the aegis of Department of Ministry of Social Justice & Empowerment under Nasha Mukta Abhiyan which was convened by College Principal Dr. Nisha Bhargava and was coordinated by Dr. Gurjeet Kaur Virk.

The speaker of the event was Dr. Debasish Basu, Professor & Head, Department of Psychiatry, PGIMER, Chandigarh. Dr. Basu, shared his immense knowledge on various drugs, consequences of its consumption and symptoms of drug abusers in his

resource full lecture. It was an eye opening session, where a whole new perspective of Drug Abuse was understood by the participants. The lecture began with the basic terminologies related to drugs, its connection with regard to medicines, drug dependence and drug abuse followed by the classification of drugs such as narcotics, psychotropic substances, and controlled substances and other substances. He emphasized on understanding drugs from biological, psychological and sociological standpoints and effects. While urging not to use derogatory branding like ‘addict’ for a person who is severely dependent on drugs, he also urged youth not to fall prey to the temporary relief given by drugs as it was a trap. He explained that the narcotic world is a place entry is easy but exit is very difficult to find. Even while deeply aware about the harmful consequences, the victim becomes helpless as he cannot get away from the addiction. The speaker gave a clear insights into the reasons that attract an individual towards drug abuse and its impact on mental and physical health, where signs of drug abuse and its detrimental effects on physical appearance. The participants were made aware about alarming and rising trend of drug abuse among youth in general and women in particular. He drew attention towards

various laws and punishments directed by our Government of India to contain drug abuse, but also observed them as inadequate. He emphasised the importance of family and religious values and good company to prevent us all from getting into this danger. He also explained the importance of Karma, self-care, and hard work were the key elements to achieve success in life. He discussed the ill effects of drug use with more than 100 students and also explained how the mechanism and mind of an individual changes, when one consumes drugs on a regular basis. He advised different ways and methods to handle such situations and also how an institution can spread awareness about the same.

On the event, Principal Dr.Nisha Bhargava addressed the students and mentioned that “DRUGS” refers to Death Regularized under Guise of Solace and then shared a valuable quote, “Understand your potential and act accordingly to reach success”. She guided students to choose the right path and succeed in life rather than being a victim of evil practices. This was followed by an interactive session with the students in which students discussed their issues and questions with the speaker. The students really found the session insightful, during the session the speaker also discussed the myths related to drugs. Helping spread awareness regarding such topics is an important aspect and can go a long way in helping save someone’s life.
