

## Report of Initiatives taken under **Swachh Bharat Abhiyan** July 2022 to September 2022

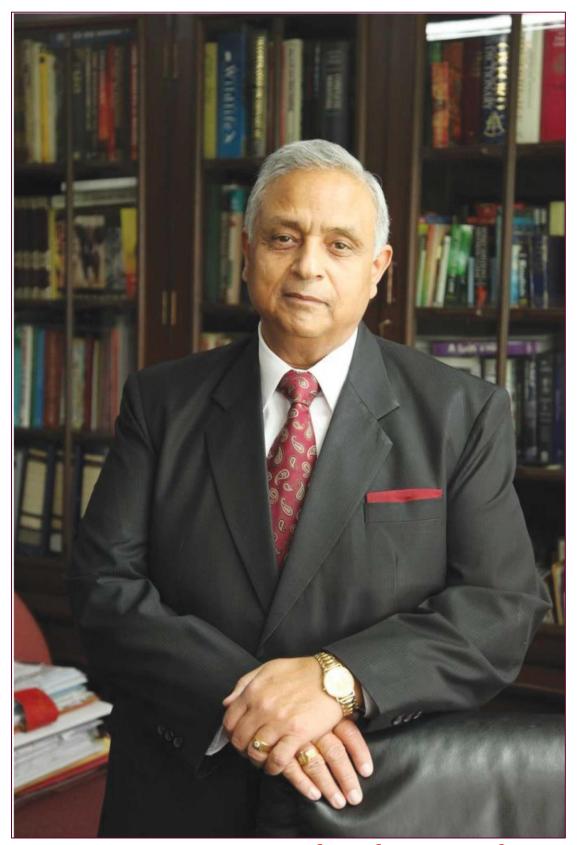

Mehr Chand Mahajan DAV College for Women Sector 36-A, Chandigarh (U.T.)

MAHARISHI SWAMI DAYANAND SARASWATI

### Dr Punam Surí Jí, Padma Shree Awardee Hon'ble Presídent DAV College Managíng Commíttee, New Delhí

MEHR CHAND MAHAJAN DAV COLLEGE FOR WOMEN, CHANDIGARH (U.T.)

#### From The Principal's Desk

We present this quarter's Swachhta report with much pleasure and pride. Swachhta is a habit at the institution since it's very inception. Our Swachhta initiatives include cleanliness, hygiene, Rainwater harvesting, sanitation, sewage treatment, sustainable urban farming, solar energy, and Biogas generation, vermicomposting, planting fruit saplings and air purifying plants and many more.

I take this opportunity to appreciate the immense contribution of institutional Swachhta Committee, with wholehearted support from NSS, NCC, EBSB and UBA teams, innovative efforts of Character Building Committee, Horticulture and Landscaping committee, Skill Development Committee, Sustainable Development Committee and VADA Committee. Moreover, various departments continue their Swachhta related efforts all through the year. Our institution has made stellar contribution to the Open Defecation free (ODF) drive of Ministry of Human Resource Development, Govt. of India. It's a matter of immense pride for us that we are coordinating with Mahatma Gandhi national Council of rural education (MGNCRE) for "Each One Reach One Covid Mission" which aimed at raising awareness amongst the rural masses regarding Covid appropriate behavior and preventive vaccination.

I express my deep sense of gratitude to our mentor Dr Punam Suri Ji, Padma Shree Awardee, Hon'ble President DAVCMC for being our guiding light, Shri H R Gandhar, Hon'ble Vice President and Senior Governing Body member for his constant motivation, Shri Shiv Raman Gaur, Hon'ble Director Higher Education for his guidance and support. I am beholden to Swachhta Reporting team for regularly bringing out this beautiful report which highlights the numerous activities undertaken by the institution. May our Swachhta initiatives continue to cleanse our surroundings and souls!!

 Van Mahotsav Celebration by NSS Units, MCM Eco-Club 'Parivesh' in collaboration with State Bank of India, Sector 36-A, Chandigarh under the aegis of Swachhta Committee (Sciences)

Date: 7 July, 2022

#### NSS Volunteers participated: 20

#### Number of Beneficiaries (School Students): More than 30

#### **Objectives:**

• To engage and motivate school students as well as residents of village Badheri to plant saplings of native fruit varieties, air purifying plants as well as medicinal plants at their respective places or at community spaces

**Context:** Van Mahotsav is an annual tree planting festival in India that is celebrated in the first week of July (from 1-7 July). This festival is organized to encourage people to support tree plantation, spread awareness of forest conservation, and save the environment.

**Practice:** To mark the celebration, NSS Units and MCM Eco-Club 'Parivesh' of the college in collaboration with State Bank of India, Sector 36-A, Chandigarh under the aegis of Swachhta Committee (Sciences) celebrated Van Mahotsav on 7 July, 2022 by planting fruit bearing, medicinal and air purifying plants. The event organized under the was esteemed presence of Principal Dr Nisha Bhargava and supervision of NSS Programme Officers - Dr Pallvi Rani and Dr Purnima Bhandari.

The event kickstarted with the plantation drive that was organized in the premises of Government Model High School, Sector 41-D, Village Badheri, Chandigarh (U.T.) where NSS Volunteers along with NSS Programme Officers and school students planted 50 saplings including fruit bearing trees like **lemon, kathal, Bel** and air purifying

plants such as **Bamboo**. It was graced by the presence of Mrs Sanjogita -Headmistress, Govt Model High School, Sector 41-D, Village Badheri, Chandigarh (U.T.) and Ms Manpreet Kaur – Manager and Ms. Vibha from State Bank of India, Sector 36-A, Chandigarh who supported the plantation drive wholeheartedly.

**Evidence of Success**: Volunteers apprised the school students about the benefits of planting fruit bearing and medicinal plants and promised to take care of saplings that were planted on the occasion.

#### 3. 5-day Integrated Yog and Ayurved Wellness Capacity Building Programme for Educators in Higher Education Institutions

Dates: 2 August 2022 - 6 August 2022

**Objectives**: To inculcate physical, mental, and spiritual well-being through Yog and Ayurved

Conveners: Dr Nisha Bhargava, Dr Sapna Nanda

Co-Conveners: Dr Anju Lata, Mr. Roshan Lal, Mr. Kulwant Singh

Coordinators: Dr Preeti Gambhir, Dr Minakshi Rana

Number of participants: Around 50 participants benefitted from the programme.

**The Context:** The importance of the traditional organic lifestyle was well accepted and appreciated in the tough times of the pandemic of COVID-19. We fought through the pandemic bravely and realised the importance of life and the skills required to lead a better life with our optimum potential. In one such unique

initiative, Mehr Chand Mahajan DAV College for Women in collaboration with the Government College of Yoga Education and Health and Lokayurved Wellness Concept initiated a "5-day integrated Yog and Ayurved Capacity Building Programme for Educators in Higher Education Institutions" with a vision to promote holistic well- being among educators through Indian knowledge system.

#### The Practice:

#### DAY I: 2 August 2022

Inaugural session: Mr. Vivek Atray, Dr Nisha Bhargava, Dr Sapna Nanda Health wisdom: Ms. Shyampriyaa

#### Yog Asana: Mr. Roshan Lal

Author, motivational speaker and former IAS officer Mr. Vivek Atray graced the inaugural as the Chief Guest. Dr Sapna Nanda, Principal, Government College of Yoga Education and Health was also present on this occasion. The programme envisioned to create awareness among the educators in higher education about

enhancement of Yog and pranayama practices with the adoption of right diet and lifestyle planning as mentioned in our very own timeless Ayurved scripture.

Inaugurating the programme, Principal Dr Nisha Bhargava emphasised the relevance of this programme by quoting an incident from her life and highlighted the adage - "Agar ap swasthya k live samay nahi nikalte, toh bad mein beemari ke live samay nikalna padega" (If you don't take out make time for your wellness, later you will have to

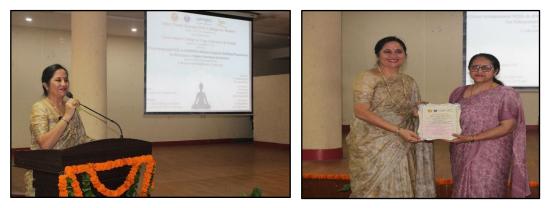

take out time for illness). She asserted that change in our present-day lifestyles and incorporation of healthy practices like yoga in our daily lives is extremely important for our holistic well-being.

Mr. Vivek Atray highlighted the significance of receptivity in the learning of yoga and advised the participants to receive the energy of yoga consciously. In his philosophical take on yoga, Mr. Atray said that yoga is a path to union with God and not just a practice involving the physical self of a being. He motivated the participants to find time for self-actualisation as it makes life meaningful.

Quoting Charak Samhita and quoting Yog as 'a journey of the self, to the self and through the self', Dr Sapna Nanda motivated the participants to make yoga part of their lives. She expressed her deep gratitude to her alma- mater and Dr Nisha Bhargava for conceptualizing the program. She added that the Indian treasure of ancient wisdom has gained recognition worldwide, and the National Education Policy integrating Indian knowledge into the education system is a welcome step.

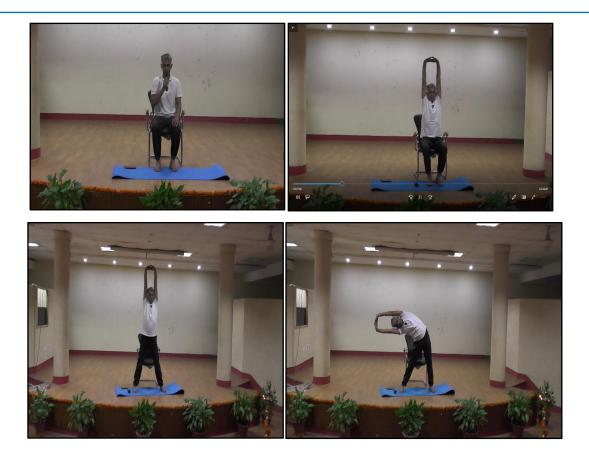

The inaugural session was followed by a session on Health Wisdom by Ms. Shyampriya, Wellness Trainer, Lokayurved Wellness Concept. She emphasised that the power of Ayurved is such that it is the upved of 'ATHARVA-VEDA' and the only shastra that talks about our 'aayu'! She further elaborated upon the knowledge that we have received from our maharishis: *Maharishi Charak*: The father of medicine, *Maharishi Sushrut*: The father of surgery, *Maharishi Kashyap*: Women and child specialist, and *Maharishi Vagbhatt*: Expert in swasthya vrat.

The day progressed with a session on Yoga Asanas by Mr. Roshan Lal, Yoga Instructor, Government College of Yoga Education and Health. Mr. Lal demonstrated the techniques of Vipassana and hatha Yog; and the participants practised Ardhkati aasan, Taadasan, Pranayama kriya, and stretching exercises involving chair yoga. He suggested the various beneficial exercises for issues like frozen shoulder, back pain, neck pain, stomach flexibility, and digestion. The participants found the sessions highly enlightening and enthusiastically looked forward to the forthcoming informative sessions during the programme.

#### DAY II: 3 August 2022

#### Daily routine-practical ways: Ms. Shyampriyaa

#### Shatkriya: Ms Sarghi Kohli

The second day began with the highly knowledgeable session by Ms. Shyampriya. She emphasised upon the significance of Tridosha /Panchmahabhoot and their conglomeration in one's body as the Vata, Pitta and Kapha. She further stressed the importance of getting up in the Brahm mahurat i.e 90 mins before sunrise as it is that time when the hormone 'Cortisol' is released which keeps the body energised throughout the day. She informed the audience about the correct sleep timings,

morning water routine, the correct bowel cleansing technique, mouth and tongue cleaning ways and the immense benefits of physical exercises.

The 2nd speaker of the day was Mrs. Sarghi Kohli who emphasised on the Shatkriya /Shatkarma. She mentioned and later demonstrated the 6 cleansing techniques namely - Dhauti (Upper abdomen), Nauli (churning of the abdominal muscles), Basti (Lower abdomen), Trataka (steady eyesight gazing), Neti and Kapalbhati (from nose to lungs).

#### DAY III: 4 August 2022

Seasonal routine- practical ways: Ms. Shyampriyaa Pranayama: Mr. Mohinder Kumar

The 3rd day witnessed Ms. Shyam priya focus on 'Ritucharya'. She pointed out the various kinds of foods to be eaten in accordance with the various seasons, why and how our system responds and reacts to them and how different lifestyles should be followed by different professionals like soldiers, businessmen, common man etc.to experience overall well- being. The practices like avoiding eating at night, avoiding sleeping in the daytime, eating light and easily digestible foods; and avoiding travel during 'chaaturmaas' were discussed upon.

The second session had the yoga expert Mr. Mohinder Kumar discuss and demonstrate the super powerful techniques of Pranayama (praan ka vistaar) and Swar gyaan. He made the participants practice Chandra Bhedi Pranayama, Surya Bhedi Pranayama, Ujjayi Pranayama, Bhastrika Pranayama, Bhraamri Pranayama, and Moorcha Pranayama. He also stressed upon the various ways to tie a janeu in order to avoid numerous problems like ulcers, acidity, blood pressure, indigestion, eyesight, obesity and insomnia.

#### DAY IV: 5 August 2022

Diet planning- practical ways: Ms. Shyampriyaa

Mudra and Bandha: Mr. Sumant Batish

The 4th day of the programme was begun by Ms. Shyam priya who enlightened the audience with Aahaar Charya which is termed as 'Ashtaahar Vidhi' in the "Charak Samhita". This session highlighted the 7 kinds of Aahaar namely Prakriti, Sanskar, Sanyog, Raashi, Deh, Kaal, and Upyog Sanstha.

The second session of the day had Mr. Sumant engage the audiences with Mudras. He envisaged upon and demonstrated the hast mudra, mann mudra, yog mudra, band mudra, and uddyaan band. The participants practised the various Mudras alongside learning the benefits of each like easing off muscular dystrophy, digestive problems, skin allergies, blood circulation problems and bodily pains and aches. He further stressed upon the immense benefits of Indra mudra and Praan mudra.

#### DAY V: 6 August 2022

Mental health- how to achieve: Ms. Shyampriyaa Meditation: Mr. Kulwant Singh Valedictory ceremony: Dr Nisha Bhargava, Dr Palika Arora (PCS), Dr Sapna Nanda

The 6<sup>th</sup> day had Ms. Shyampriyaa talk about mental health and the ways one can achieve it. The importance of mental peace in one's life surpasses all other luxuries, and she titled the session as 'mann ki baat' and emphasised the power of controlling one's thoughts, channelising energies to constructive things, and diverting anger to something productive so that one's full potential is achieved.

The second session witnessed Mr. Kulwant Singh focus upon the most powerful techniques of pranayama- meditation. He guided the participants through the beautiful journey of controlling one's breathing cycles and regulating one's breath in a way that one gains control over the little stressors of daily life that may induce panic in an individual thereby making them nervous. He further made the participants practise focus and meditation which can empower them in handling and facing everyday hassles in a better way.

The finale put a befitting end to the day as Dr Palika Arora, PCS, Joint Inspector General of Prisons, Chandigarh, graced the valedictory session as the Chief Guest. Dr Sapna Nanda, Principal, Government College of Yoga Education and Health was also present on this occasion.

Applauding this novel initiative, Dr Palika Arora said that such programmes are the need of the hour in the present stressful times. She laid stress on the fact that paying attention to both the mental health and physical health is important for one's holistic well-being. Principal Dr Nisha Bhargava expressed appreciation for the efforts of the organising team for conducting such a meaningful programme. Dr Sapna Nanda expressed hope that the knowledge gained by the educators during this programme will be transferred to the students. She also stressed upon the need for integration of shastras into our education system for the greater good of the society.

With a vision to empower educators in higher education through sharing of knowledge about Ayurved scripture and its role in enhancement of Yog practices, the 5-day event comprised of enlightening discourses on Ayurveda, lifestyle planning, diet planning, Yog asanas and mudras, and practical sessions on various Yog practices like vipassana, tratak, neti, pranayama, meditation, mudras, and so on. The resource

persons for the different sessions Ms. Shyampriyaa, Wellness Trainer, Lokayurved Wellness Concept, and Yoga Instructors from Government College of Yoga Education and Health Ms. Sargi Kohli, Mr. Roshan Lal, Mr. Kulwant Singh, Mr. Mohinder Kumar and Mr. Sumant Batish also lauded the initiative and congratulated the participants. A video showcasing the entire event and the feedback of the participants was also shown during the valedictory. The valedictory session culminated with distribution of certificates to the participants. More than 50 staff members enthusiastically participated and benefited from the programme.

#### Evidence of success:

The program was very well received and highly appreciated by the participants. They expressed their gratitude to the organising team for letting them experience such immense fulfilment through the age-old knowledge and practice of Yog and Ayurved via such qualified trainers and practitioners. The participants expressed their desire to continue being a part of such knowledgeable and inspirational programmes in the future.

Glimpse of Gratitude to the Resource Persons

#### **TESTIMONIALS**

"Yoga and Ayurved have been an integral part of our society since primitive times. It's high time we go back to our roots and gather the rich heritage that our ancestors have left behind and try benefit from it. This programme was a much needed one in these uncertain times".

#### Dr. Sarita Chauhan, Associate Professor

"The practice of Yog and the knowledge of Ayurved when brought together beautifully depicts our rich culture and heritage. I'm extremely grateful to the institution to have organised such an informative program for the educators as it was absolutely the need of the hour."

#### Ms. Sunita Kumari, Assistant Professor

"This initiative of the college to integrate Yog and Ayurved has been really appreciable as both these sciences are age old and have been immensely useful in maintaining our well- being during tough times".

#### Ms. Shikha, Assistant Professor

"The workshop was highly beneficial for us as the work stress and daily life hassles make it very difficult to maintain the worklife balance. I'm very thankful to the institution for organising such a wellness workshop"

Ms. Nancy Garg

'Make time for your wellness or you will have to make time for illness'- Dr. Nisha Bhargava

The Aman Sandesh Times Network

Chandigarh: Mehr Chand Mahajan DAV College for Women, Chandigarh, in association with Government College for Yoga Education and Health, Chandigarh and with Lokayurved Wellness Concept as knowledge partner, began a 5-day 'Integrated Yog and Ayurved Wellness Capacity **Building Programme for Educators** in Higher Education Institutions' Author, motivational speaker and former IAS Mr. Vivek Atray graced the inaugural as the Chief Guest, Dr. Sapna Nanda, Principal, Government College of Yoga Education and Health was also present on this occasion.

The programme envisions to make the educators in higher education aware about enhancement of yog and pranayam practices with the adoption of right diet and lifestyle planning as mentioned in the timeless Ayurved scripture.

While, inaugurating the programme, Principal Dr, Nisha Bhargava impressed upon the relevance of this programme by reminding the participants of the saying- 'make time for your wellness or you will have to make time for illness'. She asserted that change in our present day lifestyles and incorporation of healthy practices like yoga in our daily

lives is extremely important for Ind our holistic well-being. has Mr. Vivek Atray highlighted the and

significance of receptivity in the learning of yoga and advised the participants to receive the energy of yoga consciously.

In his philosophical take on yoga, Mr. Atray said that yoga is a path to union with God and not just a practice involving the physical self of a being and further motivated the participants to find time for self-actualisation as it makes life meaningful.

Terming yog as a journey of the self to the self and through the self, Dr. Sapna Nanda impressed upon the participants to make yoga part of their lives. She added that the

Indian treasure of ancient wisdom has gained recognition worldwide, and the National Education Policy integrating Indian knowledge into the education system is a welcome step.

The inaugural session on Health Wisdom by Assion on Health Wisdom by Ms. Shyampriya, Wellness Trainer, Lokayurved Wellness Concept and a session on Yoga Asana by Mr. Roshan Lal, Yoga Instructor, Government College of Yoga Education and Health.

The participants found the sessions highly enlightening and enthusiastically looked forward to the forthcoming informative sessions during the programme.

- 4. Taking Pledge Ceremony Under Nashe-se- Azadi: A National Youth and Student Interaction Programme under Nasha Mukt Bharat Abhiyan organised by Victory Against Drug Abuse Club (VADAC)

Date: 4 August 2022

#### Number of Participants: 90

**Objective:** The purpose of the activity is to highlight the social problem of Drug Addiction in the contemporary society. Drug Addiction is emerging to be a serious concern in the country, especially in the younger generation leading to dangerous consequences not just for the person using drugs, but for the family and society at large. Under the Nasha Mukt Bharat Abhiyan of Ministry of Social Justice and the Empowerment, Government of India, the aim of the ceremony was to strengthen action and cooperation in achieving the goal of a sustainable world free of substance abuse.

**The Context:** The Ministry for Social Justice & Empowerment Shri Thawaarchand Gehlot launched the website for the Nasha Mukt Bharat Abhiyaan (NMBA) on the occasion of International Day against Drug Abuse and Illicit Trafficking on 26<sup>th</sup> June 2021, which is observed worldwide to strengthen action and cooperation in achieving the goal of a

sustainable world free of substance abuse. The entire world is facing the menace of drug addiction which has a devastating impact on the addict, his family and a large section of society.

The Practice: To create awareness regarding Nasha Mukht Bharat, Chandigarh, a

pledge-taking ceremony was organized under the able guidance of Principal Dr Nisha Bhargava and the supervision of (VADAC) Victory Against Drug Abuse Club Coordinator, Dr Gurjeet Kaur Virk. The pledge was administered to the male staff members of the college by Mr Kuldeep Singh, Superintendent (Administration), at the college, wherein everyone vowed to stay away from drugs and to make efforts to make India a drug-free

country.

**Evidence of Success:** Everyone promised to keep themselves free from drugs and make all kinds of efforts to make Bharat Drug Free country. Student representatives also participated and generated awareness by making posters on the respective theme of the program among the masses. On this occasion, Principal Dr Nisha Bhargava mentioned that drug addiction is an issue of grave concern, especially among the younger generation, which has a detrimental impact not only on the individual concerned but on society as a whole. In the end, she pointed out that in this digital era, the definition of addiction has evolved to include tech addiction, and sensitization programs aimed at preventing addiction can be the most effective strategy to overcome this problem.

#### 5. Library Swachhta

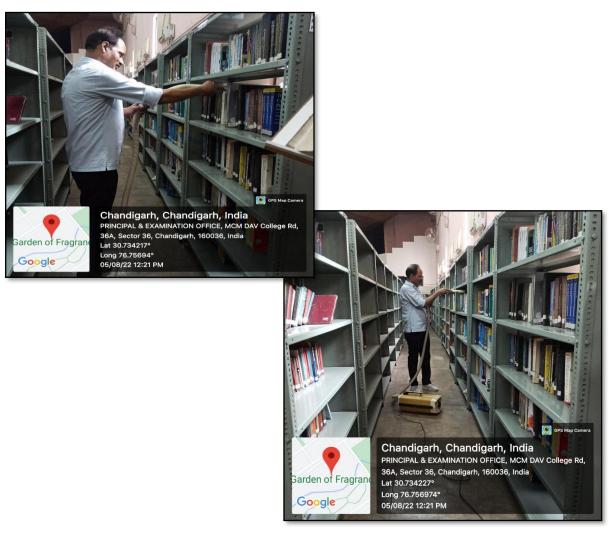

Date: 5 August 2022

#### Number of participants: 01

**Objective:** To keep the library clean and termite-free, vacuum cleaning of books was done on 5<sup>th</sup> August 2022.

**The Context:** Stock cleaning is important in order to minimize damage to the collection of books. Vacuuming is the most effective way to clean the books. The vacuum prevents the recirculation of dust back into the air. It has adjustable suction and a soft brush for cleaning fragile material.

**The Practice:** To Keep the library clean and termite-free, cleanliness drive was undertaken on 5<sup>th</sup> August 2022.

7. Door to Door Survey as part of Dengue Awareness Campaign in adopted Village Badheri, Chandigarh organised by NSS Units of the college in collaboration with MCM Eco-Club 'Parivesh'

Date: 8 September 2022

#### Number of NSS Volunteers participated: 38

#### **Objective:**

• To create awareness about the prevention of vector borne disease - Dengue

**The Context:** Dengue is a mosquito-borne viral infection that is common in warm, tropical climates. Infection is caused by any one of four closely related dengue viruses (called serotypes) which can lead to a wide spectrum of symptoms, including some which are extremely mild (unnoticeable) to those that may require medical intervention and hospitalization. In severe cases, fatalities can occur. There is no treatment for the infection itself but the symptoms that a patient experience can be managed.

The Practice: In order to spread the word on dengue prevention, NSS Units of the college MCM collaboration with Eco-Club in 'Parivesh' organized a door-to-door survey as part of Dengue Awareness Campaign in their Badheri, adopted Village Sector 41-D, where NSS volunteers and Chandigarh Programme Officer along with the official - Sh. Subash Chander, Multi-Purpose Health Worker (MPHW) and his team from Health Department, U.T. Chandigarh visited more than 160 houses and sensitized residents about the preventive measures of controlling

Dengue. The event included door to door interaction with residents, inspection of coolers, trays behind refrigerators that serve as breeding grounds for vectors, closure of stagnant water containing areas, removal of broken containers, tyres and distribution of dengue prevention-cum-awareness pamphlets to the residents. They urged the residents to eliminate areas that contain stagnant water.

**Evidence of Success:** NSS volunteers along with their Programme Officer and officials from MPHW enthusiastically participated in this Dengue Awareness Campaign and were successful in sensitizing the residents about the preventive measure that needs to be taken cumulatively in order to prevent the spread of Dengue.

#### 8. Live Telecasting Awareness Session on 'Say No to Drugs'

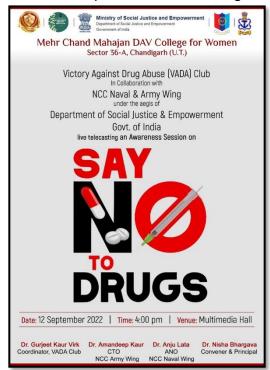

Date: 12 September 2022

#### Number of Participants: 213

**Objective:** The main purpose of the event was to convey the dangerous implications of menace of drugs and created awareness among NCC Cadets, VADA members and other student volunteers to strengthen their actions and cooperation in achieving the

goal of a sustainable world free from substance abuse.

The Context: Drug Addiction is emerging to be a serious concern in the country, especially in the younger generation leading to dangerous consequences not just for the persons using drugs, but on the family and society at large. Drug abuse has resulted in an increase in crime rate and has a detrimental impact on society at large. Prevention has proven to be the most effective strategy to counter this problem. The Ministry of Social Justice & Empowerment, under Nasha Mukt

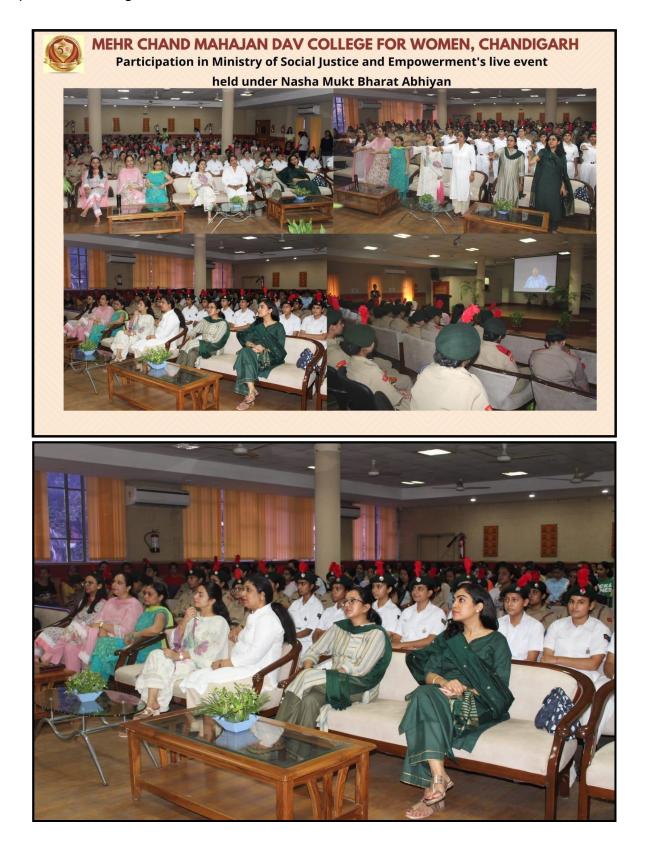

Bharat Abhiyaan acts as the nodal ministry which plays a significant role in Drug Demand Reduction in the country.

**The Practice:** Under Nasha Mukt Bharat Abhiyaan, an Interaction Programme with NCC Cadets (Naval Wing & Army Wing), Victory against Drug Abuse Club Members and other student volunteers of Mehr Chand Mahajan DAV College for Women, Sector 36 A, Chandigarh, attended the live streamed Awareness Session on Drug Abuse and mass pledge against drug abuse which was organised by Ministry of Social Justice & Empowerment, the nodal department for drug demand reduction on 12<sup>th</sup> September 2022. Honourable Defence Minister Sri Rajnath Singh, Member of Parliament Sri Ramdas Athawale and other dignitaries expressed their concern over repercussions of drug abuse on youth, their families, and the society. He reiterated the fact that menace of drug abuse is spreading fast among adolescents and young children, and the threat should not be underestimated. The main focus of the event was to collaborate with NCC Cadets (whom the minister called second line of defence), VADA members and other student volunteers to strengthen the actions and cooperation in achieving the goal of a sustainable world free from substance abuse. Mr. Singh also lauded some grass-root level success stories on fight against drug addiction.

**Evidence of Success:** The live telecasted programme was organised in the college campus under the esteemed and valuable guidance of Principal Dr. Nisha Bhargava. The programme was administered by Dr. Anju Lata, Associate NCC Officer (Naval Wing), Dr Amandeep Kaur CTO NCC (Army Wing) and Dr. Gurjeet Kaur Virk, Coordinator, Victory against Drug Abuse Club (VADAC). A pledge was undertaken by the NCC Cadets and other students of the college in which they took an oath of never resorting to Drug Addiction in their lives and making their country 'Drug Free'. On the occasion, Principal Dr. Nisha Bhargava, addressed the NCC Cadets and other student volunteers and highlighted the optimism for curbing the drug problem in the imminent future, and building a hale and healthy society which is possible with our conscious efforts. She opined that as a young nation with fire in its belly and strong will power, the dream of Making India 'Drug Free' is not far away. The NCC Associate Officer (Naval Wing) and VADA Club (Coordinator) also made the students aware about how young generations fall into this trap and what steps should be undertaken by all to resist it strongly. They advised the students to use time wisely and for constructive work in order to focus on career. The event was attended by more than 200 student

participants and 10 faculty members. The student volunteers were enthusiastic and proactive during the event.

### 9. 'Swachhta Walk' walk around the campus and click picture/ make video of the cleanest/green/picturesque area of the campus

Date: 14 September 2022

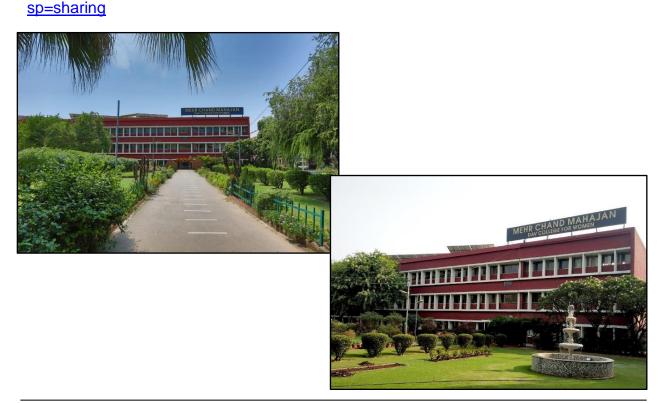

**Department:** Mass Communication and Video reporting

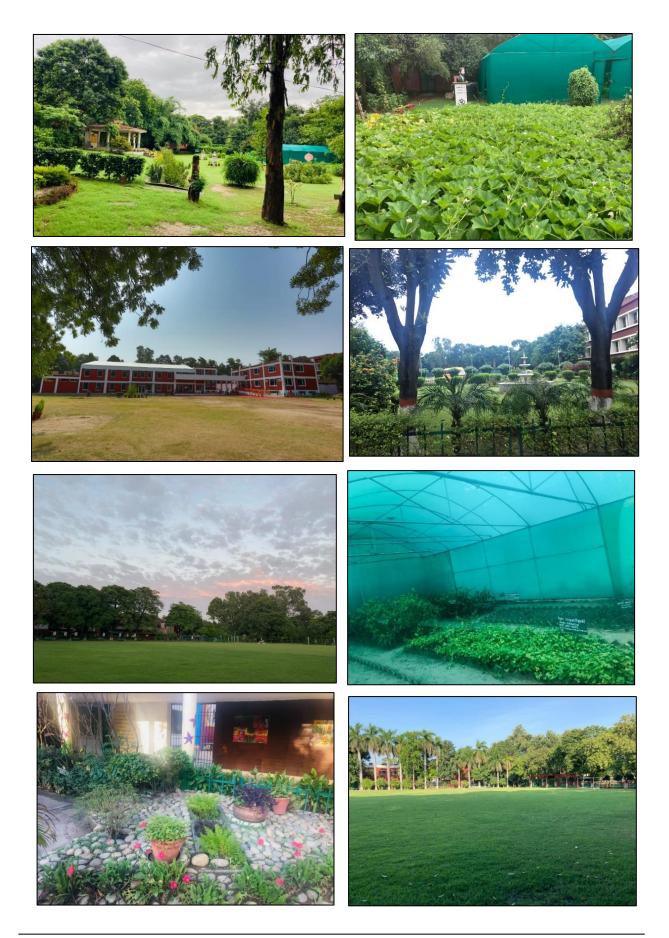

Number of participants: 04

#### **Objective:**

- To mark the cleanest and greenest areas of the campus.
- To inculcate among students the value of cleanliness and keeping the surroundings green.
- To sensitize students about safe disposal of waste.
- To alter old habits and contribute towards more sustainable living.

The Practice: On 14<sup>th</sup> September 2022, under the 'Swachhta Pakhwada', students of Department of Video Reporting recorded the videos of most clean and green areas of the college premises. The idea was to highlight the commitment of the college to sustainable surroundings and to sensitize the students to uphold the same. The video (Campus Swachhta Walk) <a href="https://drive.google.com/file/d/1wW4eDXSaXsc9wDtpTNenA74uRxNHSRuM/view?u">https://drive.google.com/file/d/1wW4eDXSaXsc9wDtpTNenA74uRxNHSRuM/view?u</a>

### 10. Cleanliness drive in various labs of various departments of college and in hostel campus

Date: 15 September 2022

#### **Departments involved:**

- Post Graduate Department of Psychology
- Department of Food Science
- Department of Home Science
- Department of Zoology
- Department of Music
- Hostel campus

#### Number of Student volunteers involved: More than 100 students

#### **Objective:**

- To instil the values of Swachh Bharat, Swastha Bharat
- To ensure good hygiene and sanitation standard in the laboratories
- To emphasize and inculcate the habit of adopting good lab practices among students and lab attendants.

**The Practice:** In an effort to ensure highest levels of hygiene and sanitation standard and to ensure a safe and clean environment in laboratories, along with the routine cleaning, a special lab cleanliness drive was organized by the various departments of the college on 15 September 2022. More than 100 student volunteers enthusiastically took part in the drive for the cause. The drive was focused primarily on

- i. Segregation of waste and making students understand its need and importance.
- ii. Cleanliness of shelves, floors, walls, ceiling, fans etc.
- iii. Cleaning and maintenance of lab instruments.
- iv. Labelling of all cupboards and shelves for keeping glassware/chemicals/other relevant material.
- v. Instructions for lab safety, SOPs, and availability of first aid measures.
- vi. Informative posters about the subject.

In addition to this, cleanliness drive was also held in the Block E and F of the hostel campus. The hostel wardens guided and instructed the students to clean and organize their rooms. A total of 335 students participated and the rooms were judged by the hostel superintendents as well. Also, the hostel libraries were cleaned and dusted by the hostel attendants.

**Evidence of Success:** A neat and clean laboratory is of utmost importance in terms of improving the safety and working efficiency of the students and teachers. During this initiative, the role of a student as the "agents of change" in the society was emphasized and they were asked to motivate their community for good sanitation and hygiene practices. Students shared their perspectives for making their surroundings clean by adopting innovative measures. This activity thus served as a motivational initiative to embark upon the concept of safety and importance of clean surroundings among students and faculty to ensure a healthy environment.

#### 11. Display of Posters in campus on 'SAY NO TO PLASTIC ' and 'SWACHH BHARAT ABHIYAN'

Date: 15 September 2022

**Departments:** Department of Fine Arts

Number of Student volunteers involved: 20

#### **Objective:**

• To sensitize and strengthen the concept of cleanliness and ill-effects of plastic use

**The Practice:** With the primary motive of generating awareness on 'No Use of Plastic', the Department of Fine Arts organized an activity on 15<sup>th</sup> September 2022. In this activity, students from the Fine Arts Department displayed various posters on the notice boards in college campus on the theme of "No Use of Plastic". Awareness was spread through display of these posters showing the disadvantages and effects of using the plastics.

**Evidence of Success:** Student posters on the theme were much appreciated and represented a unique way to apprise students about the plastic menace.

#### 12. Quiz on Water Conservation Day

Date: 15 September 2022

Department: Swachhta Committee of Arts

Number of participants: More than 100 people including faculty members and students

#### **Objective:**

- To make students aware about the practices of water conservation.
- To motivate them to adopt water conservation in their daily life.

**The Context:** Water conservation is the careful use and preservation of water supply, and it includes both the quantity and quality of water utilized. Water is an essential asset for the nourishment of all life. Though, talking about the various problems is not just enough, we have to think some viable solutions and start working now. Keeping the same concern in consideration, Swachhta Committee Arts of Mehr Chand Mahajan DAV College for Women Chandigarh organized an interactive session on Water-Conservation followed by a quiz.

The Practice: The session started with the heart-warming introduction by Dr Anubhuti Sharma followed by a quiz by Ms Shabnam. More than 100 students from different colleges of Chandigarh participated in the quiz competition and out of them 5 won the competition. The students who won the quiz competition were also rewarded by a gift and

certificated. Worthy Principal Ma'am, Dr Nisha Bhargava appreciated the efforts of Swachhta Committee Arts for organizing a session on a relevant topic. It is the time to think of real time solutions to conserve water for future generations.

**Evidence of Success:** More than 100 students from different colleges of Chandigarh participated in the quiz competition and out of them 5 won the competition

13. Interactive Lecture on "Economic Indigenous methods adopted towards Waste Management"

Date: 15 September 2022

Department: Food Science

Number of participants: 45 students of B.Sc. (MFT)-III year

#### **Objective:**

- To give detailed insight into the various innovative technology-based methods adopted towards waste management
- To apprise the students on the value of innovative thinking to solve the realworld issues related to waste management and environment conservation.

The Practice: With the aim to apprise and motivate students on the use of scientific and innovative thinking and application of their skills towards solving challenges pertaining to waste management, an interactive lecture was organized by the

Department of Food Science on 15<sup>th</sup> September 2022.The lecture titled "Economic Indigenous methods adopted towards Waste Management" was delivered by Dr. Sandeep Kaur, Assistant Professor, Dept. of Food Science of the college. She gave a detailed insight into the various innovative technology-based methods adopted towards waste management wherein waste has been utilized optimally leading to its conversion into value added products such as biofuel, biodiesel, electricity generation, bio-bricks, spirulina cultivation, biogas etc. Further, the examples of how people have applied their skills and managed to bring a significant change in the society and solved the issues of waste were cited in order to motivate the students to be the reason for change in future.

**Evidence of Success:** The students showed enthusiastic participation and interacted with the resource person on the topic and related aspects.

### 14.COVID Awareness through "Video making on COVID appropriate behaviour"

Date: 15 September 2022

Department: Food Science

Number of participants: 10 students of B.Sc. (MFT)-III year involved in Video Making

#### **Objective:**

- To promote COVID-19 appropriate behaviour (social distancing, proper hand washing, wearing of mask etc.) in order to enhance the attitude and level of awareness about COVID disease.
- To clear the myths and fears related to COVID -19 vaccination and emphasize on its importance

**The Practice:** Mehr Chand Mahajan DAV College for Women, Chandigarh in collaboration with MGNCRE, GOI, had launched a campaign on COVID-19 Vaccine awareness called COV-Vijay. Under this initiative, a team of 10 students got engaged in making videos describing COVID appropriate behaviour and to apprise about the role and importance of handwashing, social distancing, vaccination etc.

**Evidence of Success:** The students enthusiastically participated in the initiative and made the videos the links of which are shared below.

#### Video Links:

### 15. "Swachh Bharat, Swastha Bharat: Cleanliness Drive in the Department of Psychology" during Swachhta Pakhwada 2022

Name of the Committee: Post Graduate Department of Psychology and Swachhta Committee (Arts)

Activity Coordinator: Dr Nitasha Khehra, Head, Post Graduate Department of Psychology

Date: 15th September 2022

Number of participants: 40 First Year Undergraduate Students

**Objective:** To inculcate social responsibility and promote good hygiene practices among first year students under Swachh Bharat Abhiyan, a cleanliness drive was carried out in the Department of Psychology Laboratories. This activity was conducted to instill the values of Swachh Bharat, Swastha Bharat. The aim was to clean up the surroundings by making every student accountable for sanitization and to create awareness among the youth.

The Practice: The Department of Psychology played a vital role in creating awareness about the concept of Swachh Bharat, Swastha Bharat as part of Clean India Programme by conducting a cleanliness drive at their department laboratories by first year undergraduate students during the "Swachhta

Pakhwada" observed on 15th September, 2022 under the supervision of Dr Nitasha Khehra, Head of the PG Department of Psychology. This cleanliness drive was carried out with utmost fervour by 40 first year undergraduate students who took a pledge to keep their surroundings clean and participated in the cleaning of the department laboratories with utmost dedication. Students were given an orientation session by Dr Nitasha Khehra before they engaged themselves in this task. Awareness was created regarding the separate waste bins of green and blue colours installed in the college

campus at various locations for segregation of solid waste into biodegradable and non-biodegradable. The volunteers were segregated into groups and were asked to clean assigned areas of the department laboratories including the equipment/ apparatus kept there. In addition to cleaning, the damaged or unusable

items were discarded properly. During this initiative, the role of a student as the "agents of change" in the society was emphasized and they were asked to motivate their community for good sanitation and hygiene practices. Students shared their perspectives for making their surroundings clean by adopting innovative measures.

**Evidence of Success:** The first-year students participated enthusiastically and promoted team spirit in the cleanliness drive. Awareness regarding cleanliness of surroundings, knowledge about its methods and its imperative need was imparted.

16. Participation by NSS Units in Human Chain Formation as part of Swachh Amrit Mahotsav organized by NSS Cell, Education Department, Chandigarh Administration in collaboration with Municipal Corporation, Chandigarh.

Date: 15 and 17 September 2022

#### Number of Volunteers: 56

#### **Objective:**

- To spread awareness about Swachh Bharat Mission, Indian Swachhta League
- To mobilize citizen action and commitment towards the vision of building 'Garbage Free Cities'
- To make people aware about four colour codes given to the dustbins for proper waste disposal

**The Context:** To celebrate eight years of Swachh Bharat Mission-Urban, the Municipal Corporation Chandigarh organized a fortnight of intensive activities that included Human Chain Formation, Nukkad Natak, Flash Mob etc as part of celebration of **Swachh Amrit Mahotsav** –  $17^{\text{th}}$  September –  $2^{\text{nd}}$  October 2022.

**The Practice:** On 17<sup>th</sup> September 2022, NSS Volunteers of Mehr Chand Mahajan DAV College for Women, Chandigarh participated in **Human Chain Formation**, at Rose Garden, Sector 16, Chandigarh that was organized by NSS Cell, Education Department, Chandigarh Administration in collaboration with Municipal Corporation, Chandigarh. It was organized with the aim to promote the concept of Zero Waste Policy and apprise residents of the Indian Swachhta League. It was a two-day event where rehearsal was done on 15<sup>th</sup> September 2022 while the final Chain formation was done on 17<sup>th</sup> September 2022.

During the event, volunteers, while wearing t-shirts and caps of different colours – Red, Green, Blue and Black represented four different bins that are being used for the waste segregation process. For E.g., *Green Dustbin* is used to dispose of wet waste like vegetable peels, waste food, etc; *Blue Dustbin* is used to dispose of dry waste like paper, cloth, plastic, etc.; *Black Dustbin* is used to dispose of electronic waste like broken electronic devices, wires, etc while *Red Dustbin* is used to dispose of sanitary waste like used sanitary pads, used tampons, etc. At the end, volunteers

interacted with the audience and apprised them of the significance of using 4 coloured bins for waste segregation.

**Evidence of Success:** Event was successful as volunteers were able to make people aware of four-color codes given to the dustbins for proper waste disposal.

#### 17. Celebration Of International Day for The Preservation Of The Ozone Layer

Organizers: MCM Eco-Club 'Parivesh' & Swachhta Committee (Sciences)

Event coordinators: Dr. Neetu & Dr. Sarabjeet Kaur

Date: 16 September 2022

#### **Objectives:**

- To create awareness among students about the importance of the ozone layer and the significance of its preservation
- To familiarize students with the ongoing efforts being put into action regarding the ozone layer depletion and climate change crisis

**The Context:** The International Day for the Preservation of the Ozone Layer or World Ozone Day is celebrated every year on September 16 to highlight the importance of the ozone layer and to raise awareness among people about the harmful effects of ozone depletion.

#### Activities undertaken:

a. Online Quiz on the theme "Montreal Protocol@35: Global cooperation protecting life on Earth"

#### Number of participants: 45

The Practice: MCM Eco-club 'Parivesh' in collaboration with Swachhta committee (Sciences) organized an online quiz competition based on the theme "Montreal Protocol@35: Global cooperation protecting life on Earth" to mark the celebration of International Day for the Preservation of the Ozone Layer. The quiz consisted of multiple-choice questions to test the knowledge of participants pertaining to the ozone layer, climate change, and the current scenario of tackling the issues related to ozone depletion.

**Evidence of success:** The quiz witnessed enthusiastic participation of 45 students from different streams of the Mehr Chand Mahajan DAV College for Women. The winners were awarded cash prizes and certificates. The results of the quiz are:

- 1st: Girisha of BSc III Non-medical (310)
- 2nd: Mudita Jain of BSc I Medical (1106)
- 3rd: Khushi of BA I (4078)

#### b. Pledge taking ceremony

Number of participants: 10 faculty members & 158 students

**Practice:** A pledge taking ceremony was organized as per the guidelines of Chandigarh Pollution Control committee in order to make an effort to restrict and control the emission of ozone depleting substances (ODS), to promote use of ozone friendly products, to sensitize the society about effects of ODS, and to protect the Earth and all living beings of the present and future generations.

18. Victory against Drug Abuse Club conducted three competitions on the respective themes i.e Is substance use addiction a disease or a choice? (Elocution Competition), Nasha Mukt Bharat Abhiyaan & Road map ahead for its success (Essay Writing Competition) and Impact of Substance use on individuals (Painting Competition) shared by Department of Ministry of Social Justice & Empowerment under Nasha Mukt Abhiyaan.

#### Date of the Activity: 24 September 2022

#### Number of Participants: 100

**Objective:** The main focus of the event was to strengthen the actions and cooperation in achieving the goal of a sustainable world free from substance abuse. The entire world is facing the menace of drug addiction which has a devastating impact on the addict, family and a large section of society. These competitions were conducted simultaneously at three different venues within the campus, to generate mass awareness about the drug menace and its effects on younger generation under Nasha Mukt Bharat Abhiyaan.

**The Context:** Drug Addiction is emerging to be a serious concern in the country, especially in the younger generation leading to dangerous consequences not just for the persons using drugs, but on the family and society at large. Drug abuse has resulted in an increase in crime rate and has a detrimental impact on society at large. Preventions has proven to be the most effective strategy to counter this problem. The Ministry of Social Justice & Empowerment under Nasha Mukt Bharat Abhiyaan is the nodal ministry which plays a significant role in Drug Demand Reduction in the country.

The Practice: The Victory against Drug Abuse Club of Mehr Chand Mahajan DAV College for Women, Sector 36 Chandigarh, conducted Α. three competitions under Naha Mukt Bharat Abhyaan. The three events were coordinated by Dr Gurjeet Kaur Virk, Coordinator, VADA Club. The First event Elocution Competition on the theme: "Is substance use addiction, A disease or a choice? was held in Science Conference Hall. There were 21 student participants in the competition, wherein they

highlighted the negative impact of drug on social, physical and mental wellbeing on the addicts. The drugs have become a style in today's world. Today's generation has become gripped with whatever is new or trending in the world. Abuse of drugs can turn out to be very dangerous. It can cause psychological or physical addiction. All these drugs have tremendous side effects; these side effects can later give rise to several diseases. In their presentations, students also underlined that the government put

stringent initiatives in place so that the menace is eradicated from the society. Students reminded themselves of their duty as responsible citizens and vowed not to take drugs. The students showcased enthusiasm, awareness and concern regarding the issue. The Second event Essay Competition on the theme: "Nasha Mukt Bharat Abhiyaan & Road map ahead for its success" was held in Golden Jubilee Conference Hall. There were 26 students participated in the competition out of which 17 students were expressed their views on respective theme in English as well as Hindi medium. The purpose of the activity was to generate awareness, gauge their understanding of the challenge to the youth as well as their solutions to the problem of drug abuse. Students suggested solutions like government intervention, community response and redirecting the energy of youth towards more creative and productive directions.

The Third event Painting Competition on the theme "Impact of Substance use on individuals" was held in Fine Arts Lab. 21 students participated in the competition and they highlighted the ill effects of drugs on students as well as artistically displayed various ills and appeals regarding drug abuse through their paintings. The purpose of painting competition was to sensitise and create awareness amongst the public about the menace of substance abuse through creativity and expression. Participants presented their thoughts on canvas with colours expressing drugs as definite death and suffering for not only the addict but the whole family. By illustrating through painting, participants clearly supported choosing of life and urged youth to say no to drugs.

**Evidence of Success:** The event was organised in the college campus under the esteemed and valuable guidance of Principal Dr. Nisha Bhargava. The event was administered by Dr. Gurjeet Kaur Virk, Coordinator, and Victory against Drug Abuse Club (VADAC). On the occasion, Principal Dr. Nisha Bhargava, addressed the students who participated in different competitions and highlighted the optimism for curbing the drug problem in the imminent future and building a hale and healthy society which is definitely possible with each of our conscious efforts. She said every person has to play a positive role in guiding those into drugs by making it a mission which will be a great contribution to the country. She encouraged all the students to keep participating in these kinds of activities and motivated them to keep spreading

awareness in the society. The principal also lauded the efforts of Victory Against Drug Club (VADA) Abuse Coordinator and members for organising the activity and taking initiative to educate students on drug abuse and illicit trafficking. Students of all the streams (i.e. Arts.

Commerce and Sciences) from under graduate and postgraduate level participated in the competitions with great zeal. The competitions were basically aimed at spreading awareness about drug menace among students. Various staff members and more than 100 students were present during the event. At the end of the event, best performing participants were given cash rewards and certificates for their felicitation.

#### **19. Cleaning of Hostel**

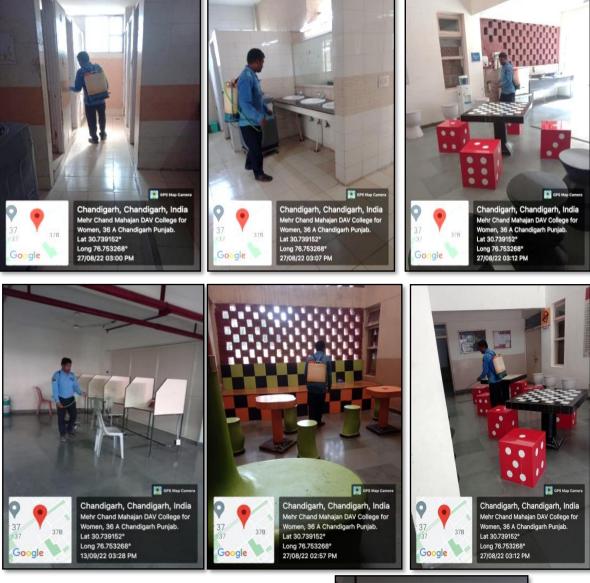

- Anti-Malaria spray: 27.08.2022 and 13.09.2022
- Cleaning of the hostel libraries: 17.09.2022
- Cleanest Room Competition: 17.09.2022
- Water Coolers were cleaned: 24.09.2022 and 26.09.2022

**Number of Participants:** 6 hostel superintendents and the cleaning staff of the hostel; 335 students participated in the cleanest room competition.

**Objective:** The College hostels disinfected their key areas of washrooms, common rooms, rooms, kitchens and corridors/lawns by getting them treated with Anti-Malaria spray. The activity minimized the chances of mosquito breeding.

**The Context:** Anti-Malaria spray drives were aimed at eradicating any chances of mosquito breeding in hostel campus. As a result of the activity, the hostels became mosquito-free. The hostel library was also cleaned. The water coolers were cleaned for ensuring the supply of clean water. The library books were dusted, and shelves were properly cleaned in order to prevent them from moisture and dust. Cleanest room competition was conducted in block E and F to sensitize the students regarding the importance of keeping their rooms clean and to facilitate a feeling of bonding amongst them. All the water coolers were cleaned to provide clean drinking water to the students.

**Outcome:** In these activities, 6 hostel superintendents supervised along with the staff of the hostel and ensured supply of clean drinking water, timely cleaning of the library and sensitization o students in keeping their rooms clean.

#### 20. Flash mob on Swachh Anthem by NSS Units

Date: 27 September 2022

#### Number of Volunteers: 35

#### **Objective:**

- To spread awareness about Swachh Bharat Mission, Indian Swachhta League
- To sensitize people about the correct means of disposal of waste and usage of appropriate Dustbins for disposal
- To pledge to maintain cleanliness as a responsible citizen

**The Context:** In order to apprise the residents of Chandigarh of the concept of Swachhta and mobilise the youth to actively participate in the *Indian Swachhta League*, an initiative of the Ministry of Housing and Urban Affairs, Municipal Corporation, Chandigarh had organized a fortnight of intensive activities that included Human Chain Formation, Nukkad Natak, Flash Mob etc. as part of the celebration of *Swachh Amrit Mahotsav* from 17<sup>th</sup> September – 2<sup>nd</sup> October 2022.

**The Practice:** A flash mob on Swachh Anthem was performed by the NSS Volunteers at Plaza, Sector 17, Chandigarh that was organized by Municipal Corporation, Chandigarh as part of celebration of *Swachh Amrit Mahotsav* – 17<sup>th</sup> September – 2<sup>nd</sup> October, 2022. The event was planned under the able leadership of Principal Dr Nisha Bhargava, Ms. Suman Mahajan (Associate Professor, Department of Philosophy) and supervision of NSS Programme Officers – Dr Pallvi Rani and Dr Purnima Bhandari. The event was graced by the presence of MC Official – Mrs. Binni Rahil and Mr Rohit, Team Leader for Indian Swachhta League.

During the event, NSS Volunteers presented an exhilarating *Flash Mob on Swachh Anthem* with full enthusiasm and spread information about the usage of different coloured dustbins in daily lives through handmade posters. Some of the NSS Volunteers presented their views and generated awareness regarding Swachhta among the audience. In the end, a pledge that aimed to maintain cleanliness, follow appropriate waste segregation and management techniques, was administered to the public.

**Evidence of Success:** The event was successful as the audience was enthralled with the performance and was apprised of the importance of maintaining cleanliness. **Link to the activity uploaded on social media platforms include:**

#### 21. Awareness Lecture on Drug Abuse among Youth under the aegis of Department of Ministry of Social Justice & Empowerment under Nasha Mukt Abhiyan conducted by Victory against Drug Abuse Club

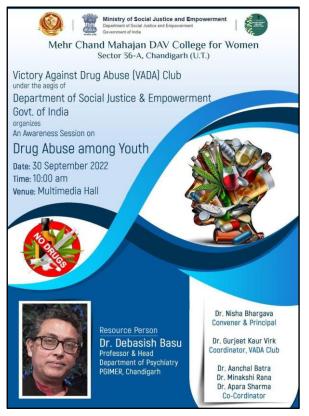

Date: 30 September 2022

#### Number of Participants: 110

**Objective:** The main purpose of the event was to create awareness and discourage the use of narcotic substances and spread awareness about the drug use and abuse especially by youth.

**The Context:** Drug Addiction is emerging to be a serious concern in the country, especially in the younger generation leading to dangerous consequences not just for the persons using drugs, but on the family and society at large. Drug abuse has resulted in an increase in crime rate and has a detrimental impact on society at large. Preventions have proven to be the most effective strategy to counter this problem. The Ministry of Social Justice & Empowerment under Nasha Mukt Bharat Abhiyaan, is the nodal ministry which plays a significant role in Drug Demand Reduction in the country.

**The Practice:** The Victory against Drug Abuse Club conducted an Awareness Lecture on Drug Abuse among Youth under the aegis of Department of Ministry of Social Justice & Empowerment under Nasha Mukt Abhiyan which was convened by College Principal Dr. Nisha Bhargava and was coordinated by Dr. Gurjeet Kaur Virk. The speaker of the event was Dr. Debasish Basu, Professor & Head, Department of Psychiatry, PGIMER, Chandigarh. Dr. Basu, shared his immense knowledge on various drugs, consequences of its consumption and symptoms of drug abusers in his

resource full lecture. It was an eye-opening session, where a whole new perspective of Drug Abuse was understood by the participants. The lecture began with the basic terminologies related to drugs, its connection with regard to medicines, drug dependence and drug abuse followed by the classification of drugs such as narcotics, psychotropic substances, and controlled substances and other substances. He emphasized on understanding drugs from biological, psychological

and sociological standpoints and effects. While urging not to use branding like 'addict' for a person who is severely dependent on drugs, he also urged youth not to fall prey to the temporary relief given by drugs as it was a trap. He explained that the narcotic world is a place where entry is easy but exit is very difficult to find. Even while deeply aware about the harmful consequences, the victim becomes helpless as he cannot get away from the addiction. The speaker gave a clear insight into the reasons that attract an individual towards drug abuse and its impact on mental and physical health, signs of drug abuse and its detrimental effects on physical appearance. The participants were made aware about the alarming and rising trend of drug abuse among youth in general and women in particular. He drew attention towards various laws and punishments directed by our Government of India to contain drug abuse, but also observed them as inadequate. He emphasised the importance of family and religious values and good company to prevent us all from getting into this danger. He also explained the importance of Karma, self-care, and hard work were the key elements to achieve success in life. He discussed the ill effects of drug use with more than 100 students and also explained how the mechanism and mind of an individual changes, when one consumes drugs on a regular basis. He advised different ways and methods to handle such situations and also how an institution can spread awareness about the same. On the event, Principal Dr. Nisha Bhargava addressed the students and mentioned that "DRUGS" refers to Death Regularized under Guise of Solace and then shared a valuable quote, "Understand your potential and act accordingly to reach success". She guided students to choose the right path and succeed in life rather than being a victim of evil practices. This was followed by an interactive session with the students in which students discussed their issues and questions with the speaker. The students really found the session insightful. During

the session, the speaker also discussed the myths related to drugs. Helping spread awareness regarding such topics is an important aspect and can go a long way in helping save someone's life.

#### 22. "Digital decluttering: A step towards tidy digital space" Swachhta Committee of Department of Computer Science & Applications under the aegis of Institute's Innovation council IIC 5.0

Date: 30 September 2022

Number of participants: 86 students and 6 Faculty members

**Objective:** To address the issue of innovatively managing and cleaning digital space/computer/laptop and its memory space optimally.

The Context: It is crucial to thorough have а understanding of the specifics of cleaning the hardware and memory of computers/laptops because every facet of modern life is dependent on them. More importantly, since it is a long-term investment, а regular maintenance

strategy used in an innovative manner, would guarantee the device's efficient operation while also providing a good Return on Investment (ROI). Although students are aware of tidy desk and tidy mind, awareness about tidy desktop/digital space is equally important.

**The Practice:** Students from BSc 1<sup>st</sup> year and BCA 1<sup>st</sup> year participated in this event. The resource person, Ms. Deeksha Gupta, Assistant Professor in the Department of Computer Science and Applications at Mehr Chand Mahajan DAV College for Women, presented an hourlong session. She provided a thorough visual depiction of the different niggles associated with cleaning computers' hardware and memory. After that, Ms.

Deeksha answered the participants' questions and urged them to adhere safety and maintenance guidelines specific to all digital devices.

**Evidence of Success:** Around 86 students and six faculty members participated in the interactive session, which endorsed the idea of managing the digital space in an innovative way in order to increase the utility of the digital space. The principal Dr. Nisha Bhargava appreciated the Department of Computer Science and Applications for their efforts in successfully organising the structured event.

conducted offline and organizing team could plan and execute the event successfully.
