Objective: To mark the celebration of **World Environment Day 5th June, 2022**, Swachhta Committee (Arts) in collaboration with **Mahatma Gandhi National Council of Rural Education Ministry of Education Government of India** organized an activity on **Plant a Tree and take a Selfie**. The world environment day is celebrated every year on 5th June to raise global awareness to take a positive action to protect nature and the planet earth. The objective of this activity is to spread awareness among people about saving our environment from various types of pollution by planting more and more trees and make our mother earth full of greenery.

Context: This day is considered as “People’s Day” for doing something to take care of the earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities.

Practice: Student and faculty member of the college participated in world environment day enthusiastically. They were asked to plant a sapling to create a green corner. Google form link was shared with students and faculty through which they shared their picture and selfies with saplings.

Outcome: This event witnessed a huge participation from 795 students and 102 other members including faculty members, non-teaching staff members, malis, peons and sweepers). All the entries awarded with E-Certificates.
