Enlightening and enriching session by the resource person

It was very useful.

Great initiative.

Very informative session

It was soo knowledgeable

Really liked the way everything was explained , gave me a new way to approach things .
Especially , this idea is so unique and less discussed . All in all , it was fun .

Though the seminr almost covered a lot of things, more government based investments could be discussed in future.

Very informative

I found the session inclined towards investments mutual funds

Informative session

Very crisp and useful

.
