Very interesting

Such interactive sessions boost the knowledge , confidence and give proper direction how we achieve our goals and aims of life.

Thank you Team MCM, for organizing this interactive session. Listening to someone who has cleared such prestigious exam and especially who is our senior motivates us to do well and comeback in MCM after achieving our dreams. I am also an aspirant for civil services, So this was the encouragement I needed after being bit demotivated especially preparing in the COVID-19 times. Hearing her story, makes me not to give up on my dreams and not underestimate my little achievements. Thank you to the faculty and Gursimranjeet Kaur Ma'am.
