**MAI BHAGO ARMED FORCES PREPARATORY INSTITUTE FOR GIRLS**

1. Please refer to our discussion in your office on 25 Feb.
2. We had written to the under mentioned colleges in Chandigarh for coordinating the academic training of lady cadets:-
  - (a) MCM DAV College, Sector 36.
  - (b) SD College, Sector 32
  - (c) GCG, Sector 11
  - (d) Dev Samaj College, Sector 45
3. GCG and Dev Samaj College have shown no interest in the proposal forwarded by us. Response of MCM DAV and SD College was positive. Both these colleges have agreed to carry out academic training of up to 25 girls selected by us for training in AFPI (Girls).
4. As regards admission in the BA and BSc streams no problems are envisaged. For B Com admission the girls who want to pursue this stream will have to achieve the laid down cut off percentage as per the college norms. It is recommended that we do not subscribe to too many diverse streams as the timings of periods may vary which will create administrative and transport problems.
5. College fees will be the same as both colleges are following common norms laid down by Punjab University.
6. Facility for NCC training will be available.
7. In terms of distance from Sector 66, SD College will be closer than MCM DAV.

8. Since MCM DAV is exclusively for girls we prefer that admission of the lady cadets be organized in this college. A decision in this regard may be taken as soon as possible after appointment of the lady Director as already advertised. However, anticipatory action is being initiated by us in the interim.

9. For approval please.

**MAI BHAGO ARMED FORCES PREPARATORY INSTITUTE FOR GIRLS**

1. Please refer to our discussion in your office on 11 Mar regarding academic training for lady cadets of Mai Bhago Armed Forces Preparatory Institute for Girls..
2. The government of Punjab has decided to set up an institute for training of girls for joining the armed forces as officers. This institute will be called Mai Bhago Armed Forces Preparatory Institute for Girls. Construction work on this institute is already in progress in Sector 66 Mohali. The institute is expected to be functional by June this year.
3. Mai Bhago AFPI will have an annual intake of 25 girls after a detailed selection process which is now being finalised. The girls will join the Institute after doing Class 12 and will stay with us for three years while doing their graduation level studies in a selected college in the tricity. Concurrently, we shall prepare them for a career in the armed forces. On completion of the three years training the girls would have earned their Bachelor's degrees and would hopefully be selected to join the armed forces.
4. We are currently trying to identify a college in which the girls can do their graduation studies. We propose that this be undertaken in your college. This is a unique venture which is entirely sponsored and supported by the government of Punjab. The proposal is unique in that there is no other such institute in the entire country which does such training for girls. I am sanguine that your college, being a leading college of Chandigarh would be interested in supporting such a novel project.
5. If agreed, we shall be sending you 25 girls for academic training every year (75 in a three year period). The girls will pursue BA/ BSc studies in your college as per your programme and syllabus. Some girls may be desirous of doing B Com also. Admission for these girls would be required in your college on an assured basis.

6. During the afternoons and evening hours we shall be carrying out military training, leadership, communication skills and physical fitness training for the girls in our campus.

7. It is understood that NCC training facility is already available with your College. It is requested that 25 lady cadets of Mai Bhago Armed Forces Preparatory Institute for Girls be given NCC training while they are doing academic training at MCM DAV College. A letter to this effect has already been initiated by us to the ADG NCC with copy to you.

8. Kindly confirm.
