Vision and Mission

Vision

To make Mehr Chand Mahajan DAV College for Women, Chandigarh a centre of excellence imparting globally relevant holistic education while upholding the glorious ideals of Integral Humanism to consistently chisel young women into well integrated, versatile and awakened individuals who can be pivotal contributors and empowered catalysts in national growth and social construction.

Mission

To make education an ever-evolving endeavour that upholds the national vision of skill-oriented education, inspires innovation, and synthesises the pertinent goals of sustainable development and equitability, while nurturing core human values, including a regenerative connect with the environment.

From the Principal's Desk

Dear Students

One of the premier institutions located in the foothills of Shivalik range, Mehr Chand Mahajan DAV College for Women is one of the most sought after colleges of North India. It offers education which is a unique blend of scientific outlook and creative expression rooted in the ancient vedic values. As we celebrate the bicentennial birth anniversary of Swami Dayanand Saraswati ji, our resolve to groom women with well rounded personalities becomes stronger. The college offers cutting-edge scientific, technological and cultural skills to the students in a stimulating environ. Students are nurtured to become citizens who are culturally sensitive, environmentally conscious and academically inclined. They are sensitized to become responsible citizens of the country who constructively contribute towards nation building. A sense of empathy and inclusivity is inculcated in the students. These virtues form the backdrop of all the initiatives that are taken by the college. Apart from the hard skills relating to technology and science, soft skills are also introduced so that each student who graduates or post graduates is prepared to meet the challenges of life.

The faculty members and the various committees and clubs of the college work in tandem to create a holistic learning environment for the students and researchers. The college has accomplished countless worthy achievements in diverse fields of academics, sports, science, research and humanities over the years and figures proudly as an institution of eminence in North India. Imperative global issues of climate change, ecological diversity, public health, poverty and illiteracy through frequent interaction with experts in the field are taken up by way of various talks, lectures and discussions. The college has a green and sustainable campus and all its efforts are directed towards minimizing waste production and maximizing efficient output and energy production. This goes a long way in contributing to improving the otherwise disrupted ecological balance of our planet and also as a reinforcement of our college to strive for a clean and green neighbourhood.

Mehr Chand Mahajan DAV College stands strongly committed to ensure that every young woman leads a happy and contented life while discharging her duties towards the society at large. Whether it is conducting Swachhta drives or adopting villages, playing cricket for Team India or winning accolades at District Youth Parliaments, representing the college in international forums in more than one ways, the young women of the College do it all with ease. The College has been a forerunner of avant-garde experiments in science, technology and its commitment towards preserving environmental, cultural and social sustainability. With the National Education Policy 2020 ushering in more flexibility in the process of teaching learning and more relevance in our day to day lives, efforts will be directed to ensure that students reap the maximum benefit of the opportunities afforded by NEP 2020.

About the College

Mehr Chand Mahajan DAV College for Women is a prestigious institution of higher learning in Chandigarh which has completed 54 glorious years of its inception. The College has rendered stellar services in the fields of education, sports, culture, sustainable development, community welfare and empowerment in its illustrious 5 decade-existence. The College diligently upholds the ethics and ethos of the DAV fraternity alongside a culture of innovation, technological expansion and scientific temper.

Re-accredited with Grade “A” by NAAC the college was also identified as Mentor Institution by NAAC to formally induct non-accredited colleges. The college has been accorded the Star Status by Department of Biotechnology, Ministry of Science and Technology, Govt. of India, and has ranked in the band 101-150 as per NIRF Rankings consecutively for two years in 2021 and 2022. MCM DAV is also the first private-aided College in the city to be approved as a Research Centre in the subject of English by Panjab University, Chandigarh. The College continues to figure prominently in annual listings of the best colleges of India by various national dailies and magazines and ranks among top 50 colleges in India, as per the surveys conducted by The Tribune, India Today and The Week magazine. Faculty members as well as students are engaged in various National and International research projects, many of them being multi and inter-disciplinary.

The College has the distinction of consistently securing top 10 positions in Panjab University Examinations and our students bagged 160 top ten positions in the Panjab University Examinations 2021-22. We are also the undisputed winner of the prestigious All Round Panjab University Women’s General Efficiency Trophy in Sports 40 times since the inception of the College in 1968. The College also has the outstanding accomplishment of being nominated by the Ministry of Food Processing Industry, Government of India, as the only state level technical institution for providing training in food processing.

Besides a Panjab University affiliated Research Centre in English providing PhD, currently, the College houses 8 postgraduate, 6 undergraduate, 13 honours degree programs, 2 postgraduate diplomas, and 6 Add-on courses. The courses, BVoc in Retail Management and Diploma Course in Microbial Analysis and Food Safety were introduced in the college in 2020, under the aegis of UGC-NSQF. The former opens up employment prospects in the fields of Retail outlets and Supply chain and logistics firms among various other avenues, while the latter intends to prepare skilled professionals for food safety analysis and quality management professionals in the Food Sector.

The teaching methodology at the College follows a student-centric and holistic learning approach and is extremely adaptive keeping in view the requirements of the times. In sync with the New Education Policy, the college is now making skill development and Vocational education essential components of pedagogy. The college is a

About the College

Recognized Vocational Education Nai Talim Experiential Learning (VENTEL) Action Plan Institution under the Ministry of Education and has constituted the working groups for Vocational Education. With a view to adopt and integrate the directives and principles of the National Education Policy 2020, the college constituted the Character - Building Committee in 2020, which works for the holistic development of students. The various committees and clubs of the College make it a vibrant and intellectual space for inculcating life skills. The Skill Development Committee is one such committee, established under the flagship scheme of Government of India, 'Skill India' which aims to enhance the skill quotient of the youth and frequently conducts workshops that provide hands-on training and knowledge on fields ranging from meditation and good health to self-defence and sustainable urban farming. The college has been selected by MHRD for creating and promoting a culture of innovation and received a 4 Star Rating by Innovation Cell, MHRD, GOI, in 2020. Besides this, the Ministry of Food Processing Industry, GOI, nominated the college as the only state level technical institution for providing training in bakery and food processing in 2021 under which one batch of training has been completed. The Placement Cell of the College actively organises recruitment drives and arranges internship opportunities as per the needs and aspirations of the final year students.

The College is actively engaged in carrying out various social, environmental and educational outreach activities through committees like Ek Bharat Shreshtha Bharat, Swachh Bharat Abhiyan and Unnat Bharat Abhiyan besides the NSS and NCC. Besides this, MGNCRE, MHRD (under the Swachh Bharat Mission-Gramin), selected MCM DAV College as one of the HEI among 40,000 existing in India to transform the infrastructural and unhygienic socio-cultural habitat of its neighbourhood villages through community engagement activities. The College was also nominated by Mahatma Gandhi National Council of Rural Education, MHRD, GOI, as a Swachhta Action Plan Institution, in the year 2020. The UBA Cell of the College was also awarded a letter of appreciation by NITTTR, Chandigarh for rendering exemplary service and conducting various social outreach activities in its adopted villages, in the fields of environment, education and health. The college is a proud recipient of Swachh Prerak Samman in 2022. It also has the distinction of getting the Best Eco Club and Best Herbal Garden award for two consecutive years in 2022 and 2023. The College has also received the best NSS unit award from Panjab University for the year 2018 and from DHE, UT, for the year 2022. Our College was recently awarded the National Rural Institutions Sustainability Award.

The College continues to remain committed in its objectives of nurturing its students to become women of substance and high moral values having a strong connectedness with their society and environment.

 CH 424 Group Theory, Spectroscopy and Diffraction Method
 CH 425 Laboratory Course (Inorganic)
 CH 426 Laboratory Course (Organic)
 CH 427 Laboratory Course (Physical)

Semester III

CH 511 Application of Spectroscopy
 CH 512 Organotransition Metal Chemistry
 CH 513 Heterocyclic Chemistry
 CH 514 Environmental Chemistry
 CH 515 Laboratory Course (Inorganic)
 CH 516 Laboratory Course (Organic)
 CH 517 Laboratory Course (Physical)

Semester IV

CH 521 Biophysical Chemistry
 CH 522 Organic Synthesis I
 CH 523 Chemistry of Natural Products
 CH 524 Photochemistry and Solid State Chemistry
 CH 525 Laboratory Course (Inorganic)
 CH 526 Laboratory Course (Organic)
 CH 527 Laboratory Course (Physical)

Graduate Attributes

- Learners are provided with an in-depth knowledge about molecular structures and chemical reactions.
- They become equipped with the skills and detailed knowledge of functioning of several laboratory instruments like rota-evaporator, UV-Visible spectrophotometer, centrifuge, pH meter, Conductivity meter etc.

Course Outcomes

- Learners get wide-spread knowledge on molecular interactions and their interplay in controlling properties and chemical reactions. They get ample exposure in different cutting edge experimental techniques to validate their theoretical knowledge.

Avenues

- Learners with multiple skills both in theoretical and experimental chemistry can easily find positions in Chemical Industries, Pharmaceutical Industries, Research and Development, as well as in academics.
- Many of them opt for research oriented careers by pursuing PhD and other advanced research.

PG Diploma in Computer Applications

Post Graduate Diploma in Computer Applications

(One year course)

No. of seats: 30

For admission details, refer to:

www.mcmdavcwchd.edu.in

Eligibility

- Bachelor's degree of Panjab University under 10+2+3 system of examination with atleast 50% marks in any discipline. (OR)
- B E/B Tech (OR)
- B Voc (Software Development), B Voc (Hardware and Networking) & B Voc Multimedia (Graphics & Animation) courses **with at least 50% marks.** (OR)
- Any other examination recognized by the Syndicate as equivalent to (a) or (b) or (c) above.

Course Content

Semester I

PGD 1101 Computer Fundamentals

PGD 1102 Computer Programming using C

PGD 1103 Data Base Management System

PGD 1104 Data Communications and Networks

PGD PR1105 Lab1 (Based on PGD 1101 & PGD 1102)

PGD PR1106 Lab2 (Based on PGD 1103)

Semester II

PGD 2101 Object Oriented Concepts Using JAVA

PGD 2102 Web Technologies

PGD 2103 Software Engineering

PGD 2104 Computer Based Accounting

PGD PR2105 Lab3 (Practical based on PGD 2101)

PGD PR2106 Lab4 (Practical based on PGD 2102)

PGD 2107 Project Work: Development of Business Application / Web Site

Graduate Attributes

- Students get proficiency in Programming Languages, such as, C, C++ and Java, Web Tools
- Students get understanding of core concepts like Software Engineering, DBMS and Networking
- Students equip themselves with the skills required to develop minor projects.

Course Outcomes

- Provides skills required for designing and developing applications using core Programming Languages, Web tools and Data Base Management Systems.
- Provides insight into analyzing the real world problems and designing solutions by applying the concepts of Software Engineering.

Avenues

- Learners may go for higher studies by opting for MCA (Lateral Entry) or MSc Computer Science.
- They may get employment as DBA, Web Developer, Programmer or Software Engineer.

PG Diploma in Mass Communication

Post Graduate Diploma in Mass Communication

(One year course)

No. of seats: 40

For admission details, refer to:

www.mcmdavcwchd.edu.in

Eligibility

A Bachelor or Post Graduate degree in any discipline of the University or a degree of any other University which is recognized by the Syndicate as equivalent thereto with not less than 40% marks in aggregate.

Course Content

Semester I

- 101 Introduction to Mass Communication
- 102 Print Media
- 103 Electronic Media
- 104 Advertising and Public Relations
- 105 Practical

Semester II

- 106 Introduction to Mass Communication
- 107 Print Media
- 108 Electronic Media
- 109 Advertising and Public Relations
- 110 Practical

Graduate Attributes

- Learners are familiarized with specialized skills required in the fields of print journalism, electronic journalism, advertising and public relations.

Course Outcomes

- Besides strengthening the theoretical foundations of the budding media professionals, the course equips them with the requisite skills in areas like copywriting, photography and videography.

Avenues

- The course opens up a plethora of career opportunities in creative or technical areas in newspapers, magazines, radio, television, digital marketing, advertising and public relations.

Admission Guidelines

IMPORTANT

There are two modes of admission with reference to different classes:

A. Non centralized College Admission (Regulated by College)

B. Online Centralized Admission (Regulated by DHE)

A. Non Centralized College Admission

- Applicants seeking admission to courses regulated through College:

Admission to the following Courses will be carried out by College in conformity with the guidelines of Panjab University, Chandigarh:

Semester I BA, MA, M.Com, M.Sc., Postgraduate Diploma in Computer Applications (PGDCA), Postgraduate Diploma in Mass Communication (PGDMC)

UGC-NSQF RECOGNIZED SKILL BASED COURSES:

B Voc (Retail Management), Diploma in Microbial Analysis and Food Safety

Add-on Courses/ Certificate Course: Communicative English (FEA), Cosmetology (CMT), Floriculture and Landscaping (FCL), French (FRA), Interior Designing & Decoration (IDD), Video Reporting (VDO)

Note: Only those students who complete the Add-on Certificate Course in First Year will be eligible for Diploma and Advanced Diploma in CMT, IDD and VDO in second and third year respectively.

Semester III: BA, BSc (Medical, Non-medical, Computer Applications as elective subject with Maths and Physics, MFT), BCom, BBA, BCA, BVoc, Honours (BA, BSc, BCom) MA, MSc, MCom

Semester V: BA, BSc (Medical, Non-medical, Computer Applications as elective subject with Maths and Physics, MFT), BCom, BBA, BCA, Honours (BA, BSc, BCom)

PhD in English: An advertisement will be published in newspapers for admission to PhD in English. The schedule for admissions shall be available on the College Website. The interested applicants can regularly check the same for updates.

- For regular updates and more details refer to the College Website: www.mcmandavcwchd.edu.in

Skill Development and Entrepreneurship Courses

The College understands the value of skills as an important component of wholesome personality as also for earning livelihood. Apart from creating an ecosystem that instills an interest in acquiring new skills, the College continually endeavors to impart varied skills in a structured manner.

A landmark was achieved by the College in 2019 when the College got registered and accredited as a Training Centre (TC 111709) under the aegis of Ministry of Skill Development and Entrepreneurship, Government of India. The College is the first one in northern India to acquire this status.

The College has the distinction of being recognized as Vocational Education Nai Talim Experiential Learning (VENTEL) Action Plan Institution by Mahatma Gandhi National Council of Rural Education, Ministry of Human Resource Development, Government of India, under which the College is offering various courses following New Education Policy (NEP) guidelines.

Skill Development Workshops to be conducted under VENTEL Action Plan Institution in collaboration with MGNCRE in the College in 2023-24 are as under:

OUR VARIED HUES-VASUDHAIVA

MCM DAV is not just a college with reputation and prestige, it is simply the best. As a foreign student, learning and acquiring knowledge from an institution as MCM DAV is a privilege. The teachers are well educated; they pass knowledge to the students with care and decency. MCM ushers students to greatness. The college infrastructure is fascinating from the entrance to the entire classrooms. Available sport, games, athletic activities. The hostel provides easy, comfortable, and best learning condition. With dedication and hard work, everyone's a winner in MCM DAV. I love the family-like atmosphere that surrounds me. The college cares about its students and it is a place of civility, friendship, and good cheer.

Hannah Onahi Peter, Nigeria (West Africa)

I could blindly say that they were best 5 years of hostel life !!! The moment I entered for the very first year I decided to be there for even my MASTERS and that too in hostel only because it never felt we were away from home ... even by the physical appearance the hostel was perfect & with all the love from hostel superintendent who were there to listen each and every problem and make sure to solve it asap. Cleanliness and food was never an issue staying away from home and it was positive place all in all with positive aura where one not only lives but leaves their heart behind!!! Spending 5 years were fruitful and knowledgeable, and hostel superintendent not only act as teachers but make sure we grow out beautifully in every aspect

Aishwarya Kakkar, Meerut (UP)

My parents picked this college for me, and obviously they chose the best. This college changed me a whole lot as a person. Before coming here, I couldn't even converse properly but now with the help and inspiration from my teachers; I'm about to get my master's degree in English. Here, I learnt how to actually live a life. I've become the best of myself. I came here as a stranger, now I'm going back as a friend to so many. In hostel, laughing and crying together, DJ parties, asking for extra snacks in mess and of course those little chit-chats with our lovely hostel superintendent; I wish I could relive all these moments all over again.

Mannu Sandhu, Panipat (Haryana)

College days fill maximum colours in life's journey in the form of lessons. So, were my days at MCM hostel. I came to this place as an eighteen year old and MCM hostel gave me my first exposure to the real world. I started living on my own without my parents around me. The comfortable and friendly environment and delicious mess food especially the lunch menu, did not take long to help me adjust to the new environment. Their kadhi-chawal I cannot forget even after a decade. MCM shaped me into a confident girl who can make her own decisions independently. MCM Hostel is a place where a group of strangers meets that turns out to be a beautiful family at the end. And in between FRESHERS and FAREWELL life happened. I am still in touch with my college and hostel friends whom I met in the beautiful years of my life.

Nidhi Arya, New Delhi

Hostel days in MCM DAV were the most wonderful 3 years spent. Studying in basement of E/F block, evening attendance, meals in mess and always forgetting "Chamcha" during Lunch were the most memorable events during the stay. I remember during winters our room was so cosy that as soon as I would come back from day out I would immediately doze off and wake up in middle of night realising I've to study!! Participation in almost every hostel event was my topmost priority. Sushma Mam always supported me and Baljeet Tiwana Mam loved me immensely. I'm so grateful that I spent the most memorable three years of my life inside the hostel premises.

Gursimranjeet Kaur, PCS Punjab

My three years at MCM hostel gave me many nostalgic memories. The disciplined and punctual life which initially seemed difficult soon became part and parcel of our exhilarating life in the hostel. Receiving letters from our friends and family in the hostel were simple pleasures of the good old days. Cleanliness was something we can swear upon in the hostel as well as MCM campus. I still cherish the memories of "Lohri celebration", fresher's night with Rodrigues band, the elaborate dinner, jam session in the open air theatre, eating Maggie from the hostel cafeteria. The best memories from the best place and a best friend from hostel ... What more can life offer you! A lifetime of beautiful memories, first class education and discipline and some wonderful friends for life!!! Keep shining, keep on the Glory MCM!!!

Sundari Irengbam, Imphal (Manipur)

The best way to predict your future is to create it. That's what I learnt from my stay at MCMDAV. Hostel life gave me my best memories. By giving my best at MCM and performing well I got the opportunity to be selected for the internship at the Embassy of the Islamic Republic of Afghanistan, New Delhi India. Hard work pays off... sleepless nights of exams... and warm summers of North India, I personally always chose to be in the hostel for my 3 years stay in MCM as it was equipped with all the facilities. My favorite part of the hostel was the evening snack and the motherly love of hostel superintendent and the care of our respected Principal. I did not want to stay at any other place than MCM hostel as it had early morning Yoga Classes and gym times for keeping us fit. We also had special dinners during all the festivals. Hostel life taught me to be more disciplined, attentive, and have a vision for my future to make my decision and live up to it.

Ayesha, Afghanistan

KUTUMBAKAM AT MCM

MCM DAV is one of the best colleges in India. Since I haven't visited it yet due to COVID but waiting eagerly to spend 2 years of my life in college and hostel. The teachers of this college are so helpful, lovely and friendly. They are so knowledgeable in their respective fields. The way of teaching makes it easy to grasp knowledge about the subject. The teachers also go the extra mile to make sure even as foreign students we get to understand and feel like we are part of the college and country. I feel so proud to be a part of this prestigious college. I am certain that I will love my stay and feel as welcome as possible.

Ontlametse Eunice Kealeboga, Botswana (South Africa)

I have stayed at MCM DAV College Hostel for five years for my graduate and post-graduate studies. The hostel hostel superintendents are 24*7 available and approachable for the students. They are highly attentive and strict at maintaining discipline, but are co-operative at the same time. There is a basement where one can sit and study as per one's convenience. For entertaining break there is a TV room in every block. The restroom are well maintained and cleaned regularly. The hostel mess is clean and hygienic. The meals provided are wholesome and healthy. Regular feedback is taken from the students residing in the hostel and meetings are held to insure the well being of the resident. Constructive complaints and suggestion are always taken into consideration for improvement.

Disinlu Golmei (Manipur)

My college life has been generally the best part of my life and MCM's hostel life was the main charm of it. Hostel gave me a whole lot of family, my best mentors, best friends, best teachers along with zillions of unforgettable memories. Hostel's beautiful ambience attracted me the most. Hostel life was a roller coaster ride which has left me with so many incredible moments full of fun, frolic, laughter, celebrations and many more. Nonetheless to say there were restrictions and rules in hostels which we had to follow but without these rules we wouldn't have learnt the true meaning of our life. What we are today is because of these disciplinary rules which moulded us in a person we are supposed to become today. Words are not enough to describe my hostel experience, but I will say somewhere between "I won't share my room with anyone" and "All my roommates are really nice", we all learnt to share our lives.

Naghma Firdous, Patna (Bihar)

It was in the early part of the year 1993, I joined my beloved college MCM's hostel. I just can't tell you how elated I was!! It was truly my home away from home. I still remember the friendships, the comfort & the cozy safety we all felt in the hostel. Watching "Bold and the beautiful", the exciting preparations for "Hostel night" (how can I forget I was crowned the first runners up...!!) & together preparing for examinations. Its here that one of the strongest, longest & fondest friendships were made, over the years. It was for this reason I made sure my daughter too stays in hostel during her graduation. Every hostel that I looked for her, had to live up to the standards of MCM. This hostel is beyond just an accommodation, along with the college it was a life changing, a metamorphosis phenomenon for me.

Capt Ruchi Sharma (Retd)

Batch of 1995, BSc (Med)

I passed my graduation in English Honors and Masters in English from MCM DAV College. MCM college is one of the renowned colleges affiliated to Panjab University with an outstanding academic record.

My college life was all about the most remarkable and lovable experiences and I had the best days of my life at MCM. The wealth of knowledge I got from outstanding highly qualified teachers has served me well throughout the course of my life. I learnt to come out of my comfort zone and do stuff that people didn't expect me to do. All teachers were so good their focus was on teaching rather than instructing which leaves a great impact on one's personality. MCM focuses on the overall development of their students.

MCM hostel was more than a hostel, it was my second home. It was one of my most life transforming experiences. It has transformed my life and personality to see the outside world with new thoughts and opportunities under the guidance of a caring supportive warden mam. I never felt like leaving the hostel as it had become more than a family to me. I still missed our mess and its yummy food.

MCM College and Hostel life made me independent and strong as a personality. I feel blessed to be a student of MCM.

Avi Doda, Abohar (Punjab)

MCM Hostel was a life learning experience for me. I learnt to live without parents and automatically adapt to the environment of hostel. I started getting familiar with different people belonging to different places, religion, language, and culture. The hostel is the best place because I used to study in a group with friends by discussion process which really helps to get the things more clear and so I performed excellently in academics. MCM gave me opportunities to get involved in many extracurricular activities inside the hostel, college as well as intercollege competitions. To follow my passion I always got full support from my hostel superintendent. They were very kind to me and always helped me to solve my problems in the hostel. I got a lot of love and care from them that I didn't miss my home much. Celebrations were a way to enjoy in hostel like birthday parties at night, making rangoli on every festival, celebrating Krishna Janmastami & Gurpurab. I miss every bit of small fights with besties, playing games, taking selfies, sharing almost everything with friends and also helping each other in ups and downs.
