ABOUT THE WORKSHOP ::

The workshop aims to provide hands-on training to the youth so that they stay motivated to appreciate nutritional value in food without sacrificing the taste. Healthier substitutes, better food combinations, fasting & yoga as an old age practice to detoxify body, reading food labels and awareness of importance preservative free food were one of the biggest take away of the workshop in the past editions. Professionals from the tricity were delighted to become part of the workshop. We are feeling absolutely blessed and honored that we get to connect with people across the globe for our 2021 online edition of 'Be a Health Manager'. Kanwal Dhaliwal

Translator, Author, Painter, Sculptor

Born in 1960 in East Punjab, Kanwal Dhaliwal received his formal education in fine arts from Government College of Art, Chandigarh between 1979 and 84. He also completed MA Russian from Institute of English and Foreign Languages, Hyderabad, India, 1991 and MA Art in Architecture from University of East London, UK, 2002. Lately he has been ardently pursuing the art of translation and editing books on culture and literature. Rural Punjab and immigration to Britain has considerably influenced his subject matter and writing style. The new lifestyles around him became his new subjects. He concentrates on the theme of inter-cultural conflicts resulting out of abrupt union of the rural East with Western urbanism, and the postcolonial and neo-liberal cultural uprootedness. He also learnt the art of metal casting and stone carving by working with the traditional craftsmen of Chamba, Himachal Pradesh, in the early nineties. Practising as a painter and sculptor, he produced works in Oil, Water Colour, Ink & Wash, Wood, Brass, Clay, TerraCotta, and Stone etc. He has been showcasing his artworks to the world since 1982. ***His Versatile Literary Contributions:***

Melodious Memories

A Tribute to the Melody Queen of India
The Legend **Lata Mangeshkar**

*The world becomes small as
the legends depart....*

The world of music lost its finest gem as the illustrious journey of the doyen of Indian Music, **Lata Mangeshkar**, came to an end on 6 Feb. 2022. A career spanning eight decades was nothing short of a miracle with more than 30000 melodious songs echoing our very own emotions....the first gushes of love, pangs of separation, euphoria of success, fears of failure and the eternal power of prayer.

EBSB Club of Mehr Chand Mahajan DAV College for Women, Chandigarh, pays tribute to the Queen of hearts in **Melodious Memories** as we take a trip down the memory lane and recall how the magical songs of Lata Mangeshkar have been a part of our memories. Come, record your fond memories as music remains a unifying thread across the generations.

Send us your video as per the following specifications:

- All entries must be self-created.
- The video can be a tribute coupled with a few lines of the melodious scores of the legend.
- Participants must ensure that the video quality is presentable and aesthetically appealing.

The word "yoga" means "to unite" and refers to the fusion of body, mind and soul through meditation, breathing and physical postures. The postures, also called asanas, belong to a branch of yoga called hatha yoga. Although yoga has been around for centuries, reaping its rewards doesn't take long at all: Just a few minutes of practice at the end of a long day can help stretch and relax sore muscles. Practiced regularly, yoga can be a powerful way to relieve anxiety and cope with everyday stress. Mehr Chand Mahajan DAV College for Women invites you to participate in Rashtriya Uchchatar Shiksha Abhiyan (RUSA) – Sponsored A Hands-on Training-cum-workshop on Yoga and Meditation on 17 March 2021 at 4:00 pm. e-Certificates will be awarded to those who fill up the feedback form. Women

have been associated with the value system of communities forever. They are always seen as torch bearers in the moral journey of their community and as role models for the collective character of a people. India is no different. Women of our country have been traditionally entrusted with the task of instilling values in children and leading by example. In fact, some great Indian women have been instrumental in shaping the values & character of the nation & can be credited for indelibly directing the course of our nation. The Naval Wing of NCC is organising a talk and presentation on such illustrious women of our country who have shaped the character of the nation. This event, slated for **Saturday, 21 November 2020 between 11:30 am to 1:30 pm**, will be our way of paying respect to these stalwarts who have been instrumental in giving a direction to our national character.
