Dear Students,

We ardently welcome each new entrant into the Mehr Chand Mahajan DAV College for Women Family, a family which you join to team and grow with, for life.

The Alma-Mater plays a significant role in shaping the persona of a learner, and more so when one stays in the student-friendly home called the Hostel At Mehr Chand Mahajan DAV College which is a women-centric institution, life in the hostel instills in the students a sense of confidence and self-reliance and a spirit of camaraderie and compassion.

When the residents stay together in the commodious rooms, crack jokes while relishing a hot meal in the well-equipped messes or share the day's events with each other during a relaxing stroll through the serene and verdant environs of the hostel to pick a tasty tit-bit from the Evening Cafeteria, the bonds that are formed last a lifetime.

The amiable and caring atmosphere that prevails in our hostel, has good medical support as the doctor is just a call away in the case of any physical ailment of a resident and a Students' Helpline 'Gitanjali' whenever emotional assistance is required.

You come out of the protective nests of your homes into the nestling arms of the College to soar aloft higher and higher skies. We are there to make every moment of your stay at the College hostel cherishable, enjoyable and valuable.

The teachers are well educated; they pass knowledge to the students with care and decency. MCM ushers students to greatness. The college infrastructure is fascinating from the entrance to the entire classrooms. Available sport, games, athletic activities. The hostel provides easy, comfortable, and best learning condition. With dedication and hard work, everyone's a winner in MCM DAV. I love the family-like atmosphere that surrounds me. The college cares about its students and it is a place of civility, friendship, and good cheer.

Hannah Onahi Peter, Nigeria (West Africa)

I could blindly say that they were best 5 years of hostel life !!! The moment I entered for the very first year I decided to be there for even my MASTERS and that too in hostel only because it never felt we were away from home ... even by the physical appearance the hostel was perfect & with all the love from Hostel Superintendent who were there to listen each and every problem and make sure to solve it asap. Cleanliness and food was never an issue staying away from home and it was positive place all in all with positive aura where one not only lives but leaves their heart behind!!! Spending 5 years were fruitful and knowledgeable, and Hostel Superintendent not only act as teachers but make sure we grow out beautifully in every aspect

Aishwarya Kakkar, Meerut (UP)

My parents picked this college for me, and obviously they chose the best. This college changed me a whole lot as a person. Before coming here, I couldn't even converse properly but now with the help and inspiration from my teachers; I'm about to get my master's degree in English. Here, I learnt how to actually live a life. I've become the best of myself. I came here as a stranger, now I'm going back as a friend to so many. In hostel, laughing and crying together, DJ parties, asking for extra snacks in mess and of course those little chit-chats with our lovely Hostel Superintendent; I wish I could relive all these moments all over again.

Mannu Sandhu, Panipat (Haryana)

College days fill maximum colours in life's journey in the form of lessons. So, were my days at MCM hostel. I came to this place as an eighteen year old and MCM hostel gave me my first exposure to the real world. I started living on my own without my parents around me. The comfortable and friendly environment and delicious mess food especially the lunch menu, did not take long to help me adjust to the new environment. Their kadi-chawal I cannot forget even after a decade. MCM shaped me into a confident girl who can make her own decisions independently. MCM Hostel is a place where a group of strangers meets that turns out to be a beautiful family at the end. And in between FRESHERS and FAREWELL life happened. I am still in touch with my college and hostel friends whom I met in the beautiful years of my life.

Nidhi Arya, New Delhi

Hostel days in MCM DAV were the most wonderful 3 years spent. Studying in basement of E/F block, evening attendance, meals in mess and always forgetting "Chamcha" during Lunch were the most memorable events during the stay. I remember during winters our room was so cosy that as soon as I would come back from day out I would immediately doze off and wake up in middle of night realising I've to study!! Participation in almost every hostel event was my topmost priority. Sushma Mam always supported me and Baljeet Tiwana Mam loved me immensely. I'm so grateful that I spent the most memorable three years of my life inside the hostel premises.

Gursimranjeet Kaur, PCS Punjab

My three years at MCM hostel gave me many nostalgic memories. The disciplined and punctual life which initially seemed difficult soon became part and parcel of our exhilarating life in the hostel. Receiving letters from our friends and family in the hostel were simple pleasures of the good old days. Cleanliness was something we can swear upon in the hostel as well as MCM campus. I still cherish the memories of "Lohri celebration", fresher's night with Rodrigues band, the elaborate dinner, jam session in the open air theatre, eating Maggie from the hostel cafeteria. The best memories from the best place and a best friend from hostel ... What more can life offer you! A lifetime of beautiful memories, first class education and discipline and some wonderful friends for life!!! Keep shining, keep on the Glory MCM!!!

Sundari Irengbam, Imphal (Manipur)

The best way to predict your future is to create it. That's what I learnt from my stay at MCM DAV. Hostel life gave me my best memories. By giving my best at MCM and performing well I got the opportunity to be selected for the internship at the Embassy of the Islamic Republic of Afghanistan, New Delhi India. Hard work pays off... sleepless nights of exams... and warm summers of North India, I personally always chose to be in the hostel for my 3 years stay in MCM as it was equipped with all the facilities. My favorite part of the hostel was the evening snack and the motherly love of Hostel Superintendent and the care of our respected Principal. I did not want to stay at any other place than MCM hostel as it had early morning Yoga Classes and gym times for keeping us fit. We also had special dinners during all the festivals. Hostel life taught me to be more disciplined, attentive, and have a vision for my future to make my decision and live up to it.

Ayesha, Afghanistan

KUTUMBAKAM AT MCM HOSTEL

MCM DAV is one of the best colleges in India. Since I haven't visited it yet due to COVID but waiting eagerly to spend 2 years of my life in college and hostel. The teachers of this college are so helpful, lovely and friendly. They are so knowledgeable in their respective fields. The way of teaching makes it easy to grasp knowledge about the subject. The teachers also go the extra mile to make sure even as foreign students we get to understand and feel like we are part of the college and country. I feel so proud to be a part of this prestigious college. I am certain that I will love my stay and feel as welcome as possible.

Ontlametse Eunice Kealeboga, Botswana (South Africa)

I have stayed at MCM DAV College Hostel for five years for my graduate and post-graduate studies. The hostel Hostel Superintendents are 24*7 available and approachable for the students. They are highly attentive and strict at maintaining discipline, but are co-operative at the same time. There is a basement where one can sit and study as per one's convenience. For entertaining break there is a TV room in every block. The restroom are well maintained and cleaned regularly. The hostel mess is clean and hygienic. The meals provided are wholesome and healthy. Regular feedback is taken from the students residing in the hostel and meetings are held to insure the well being of the resident. Constructive complaints and suggestion are always taken into consideration for improvement.

Disinlu Golmei (Manipur)

My college life has been generally the best part of my life and MCM's hostel life was the main charm of it. Hostel gave me a whole lot of family, my best mentors, best friends, best teachers along with zillions of unforgettable memories. Hostel's beautiful ambience attracted me the most. Hostel life was a roller coaster ride which has left me with so many incredible moments full of fun, frolic, laughter, celebrations and many more. Nonetheless to say there were restrictions and rules in hostels which we had to follow but without these rules we wouldn't have learnt the true meaning of our life. What we are today is because of these disciplinary rules which moulded us in a person we are supposed to become today. Words are not enough to describe my hostel experience, but I will say somewhere between "I won't share my room with anyone" and "All my roommates are really nice", we all learnt to share our lives.

Naghma Firdous, Patna (Bihar)

It was in the early part of the year 1993, I joined my beloved college MCM's hostel. I just can't tell you how elated I was!! It was truly my home away from home. I still remember the friendships, the comfort & the cozy safety we all felt in the hostel. Watching "Bold and the beautiful", the exciting preparations for "Hostel night" (how can I forget I was crowned the first runners up...!!) & together preparing for examinations. Its here that one of the strongest, longest & fondest friendships were made, over the years. It was for this reason I made sure my daughter too stays in hostel during her graduation. Every hostel that I looked for her, had to live up to the standards of MCM. This hostel is beyond just an accommodation, along with the college it was a life changing, a metamorphosis phenomenon for me.

Capt Ruchi Sharma (Retd) Batch of 1995, BSc (Med)

I passed my graduation in English Honors and Masters in English from MCM DAV College. MCM college is one of the renowned colleges affiliated to Panjab University with an outstanding academic record.

My college life was all about the most remarkable and lovable experiences and I had the best days of my life at MCM. The wealth of knowledge I got from outstanding highly qualified teachers has served me well throughout the course of my life. I learnt to come out of my comfort zone and do stuff that people didn't expect me to do. All teachers were so good their focus was on teaching rather than instructing which leaves a great impact on one's personality. MCM focuses on the overall development of their students.

MCM hostel was more than a hostel, it was my second home. It was one of my most life transforming experiences. It has transformed my life and personality to see the outside world with new thoughts and opportunities under the guidance of a caring supportive warden mam. I never felt like leaving the hostel as it had become more than a family to me. I still missed our mess and its yummy food.

MCM College and Hostel life made me independent and strong as a personality. I feel blessed to be a student of MCM.

Avi Doda, Abohar (Punjab)

MCM Hostel was a life learning experience for me. I learnt to live without parents and automatically adapt to the environment of hostel. I started getting familiar with different people belonging to different places, religion, language, and culture. The hostel is the best place because I used to study in a group with friends by discussion process which really helps to get the things more clear and so I performed excellently in academics. MCM gave me opportunities to get involved in many extracurricular activities inside the hostel, college as well as intercollege competitions. To follow my passion I always got full support from my Hostel Superintendent. They were very kind to me and always helped me to solve my problems in the hostel. I got a lot of love and care from them that I didn't miss my home much. Celebrations were a way to enjoy in hostel like birthday parties at night, making rangoli on every festival, celebrating Krishna Janmastami & Gurpurab. I miss every bit of small fights with besties, playing games, taking selfies, sharing almost everything with friends and also helping each other in ups and downs.

As the members of the hostel we will respect the rights of others and act honestly and decently with integrity.

Each one of us has individual talents which are unique and we must work hard to develop those.

We will not accept mediocrity and will demand the best of ourselves in whatever activity we undertake whether it be academic, sporting or cultural. We owe this to ourselves.

We must recognise, it is a privilege to be a part of the hostel and we must serve our house, hostel and community.

We must at all times interact with each other in a respectful and dignified manner realising that living in close proximity to others gives us a special challenge.

As a member of the hostel we must relate to adults respectfully and realise we have individual responsibility as well as collective duty.
