MAHARISHI SWAMI DAYANANDA SARASWATI

आर्यसमाज के नियम

1. सब सत्यविद्या और जो पदार्थ विद्या से जाने जाते हैं, उन सबका आदिमूल परमेश्वर है।
2. ईश्वर सच्चिदानन्दस्वरूप, निराकार, सर्वशक्तिमान, न्यायकारी, दयालु, अजन्मा, अनन्त, निर्विकार, अनादि, अनुपम, सर्वाधार, सर्वेश्वर, सर्वव्यापक, सर्वान्तर्यामी, अजर, अमर, अभय, नित्य, पवित्र और सृष्टिकर्ता है, उसी की उपासना करनी योग्य है।
3. वेद सब सत्यविद्याओं का पुस्तक है। वेद का पढ़ना–पढ़ाना और सुनना–सुनाना सब आर्यों का परम धर्म है।
4. सत्य के ग्रहण करने और असत्य को छोड़ने में सर्वदा उद्यत रहना चाहिए।
5. सब काम धर्मानुसार अर्थात सत्य और असत्य को विचार करके करने चाहिए।
6. संसार का उपकार करना इस समाज का मुख्य उद्देश्य है अर्थात शारीरिक, आत्मिक और सामाजिक उन्नति करना ।
7. सबसे प्रीतिपूर्वक धर्मानुसार यथायोग्य वर्तना चाहिए।
8. अविद्या का नाश और विद्या की वृद्धि करनी चाहिए।
9. प्रत्येक को अपनी ही उन्नति से संतुष्ट न रहना चाहिए किन्तु सबकी उन्नति में ही अपनी उन्नति समझनी चाहिए।
10. सब मनुष्यों को सामाजिक सर्वहितकारी नियम पालने में परतन्त्र रहना चाहिए और प्रत्येक हितकारी नियम में सब स्वतन्त्र रहें।

Man, Mission and Milestones....

(1889-1967)

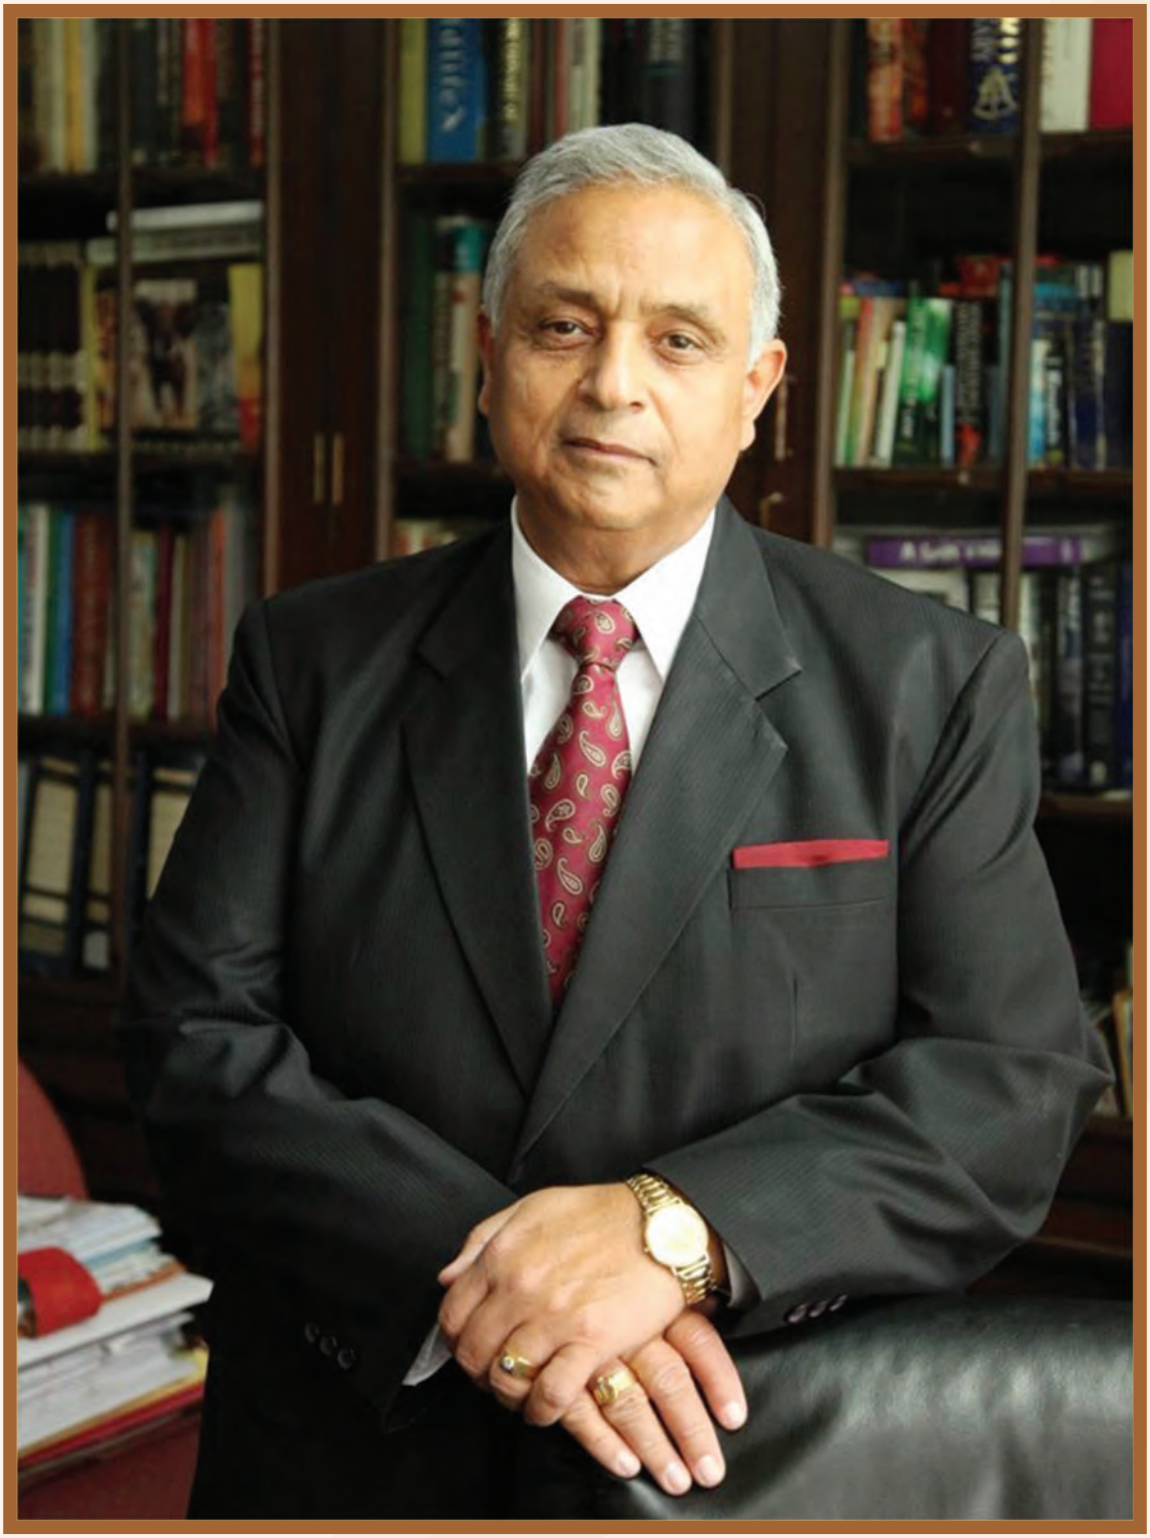

MCM Family pays reverential homage to the memory of

Justice Mehr Chand Mahajan

Ex-Chief Justice of India and Former Prime Minister of Kashmir

Our Guide and Mentor

Dr Punam Suri Ji, Padma Shree Awardee

Hon'ble President
DAV College Managing Committee
New Delhi

About the College

Mehr Chand Mahajan DAV College for Women was established in 1968, in memory of Justice Mehr Chand Mahajan, the third Chief Justice of India and former Prime Minister of Kashmir for his exemplary contribution to the field of education, nation building, and the legal system. The foundation stone of the college was laid by the then Vice President of India, Dr. V. V. Giri. Our college has emerged as a coveted seat of learning, academic distinction, and innovation. Presently, we are catering to more than 5000 students from 17 states and many international students. In 2018, we celebrated the landmark 50 years of our Institution with tradition and fervor. The Honorable President of India Sh. Ram Nath Kovind ji visited our college in February 2018 and made our celebrations truly historical. The institution was reaccredited with an "A" grade by NAAC in 2023 and has been identified as Mentor College for non-accredited colleges by NAAC. The institution has been accorded the Star Status by the Department of Biotechnology, Ministry of Science and Technology, Govt. of India. MCM finds a place of pride in Rank-Band 101-150 for three consecutive years in NIRF Rankings 2021, 2022 & 2023.

Our college was awarded the Cleanest College (Residential) in the country 2018 by Ministry of Human Resource Development, Government of India and received the third rank in India in 2019 under Citizens Led Initiatives by Ministry of Home and Urban Affairs, Government of India. Our college also won the Best NSS Units award, Best Program Officer and Best NSS volunteer award by Chandigarh Administration during the year 2023 & 2024. MCM was nominated by Ministry of Food Processing Industries, Government of India as the only Technical Institution in Chandigarh for providing training in Bakery & Food Processing under PMFME Scheme.

Our results bear testimony to the commitment and consistency of our students to excel in academics. A total of 98 top positions were bagged by our students in the Panjab University Examinations December 2022 & May 2023. Our college ensures that our students excel in all fields be it cultural, sports or academics. Our college has been the winner of the Panjab University Women's General Efficiency sports shield 41 times since its inception in 1968.The journey so far has been immensely rewarding as MCM continues its pursuit of excellence to prepare women to scale new heights of distinction and excellence.

From the Principal's Desk

Dear Students

With the kaleidoscopic changes all over the world, it is important that Higher Education keeps abreast of the changes and is transformed to meet the aspirations of the students. National Education Policy 2020 has been formulated keeping exactly this in mind. It seeks to be flexible by providing easy entry and exit options to students and at the same time affords a blend of disciplines rather than offering them traditional moulds. It is also in sync with the global education system, blurring geographical barriers in the world of education.

Our college has been a forerunner in adopting initiatives that are student-centric and strives to introduce courses that help to equip the students with the required skill sets. With exit options at different levels that allows students to choose their own learning paths, our college offers a basket of courses that are designed and developed keeping in view the contemporary challenges and goals. These include Multi-Disciplinary Courses, Skill Enhancement Courses, and Value Added Courses with an aim to make education more holistic, flexible and geared towards the needs of the 21st century.

Indian Knowledge System provides bedrock of concepts, ideas, and thoughts that pave the way for a substantial education leading to more fulfilling lives. It has a symbiotic relationship with learning as each one enhances the other and an effort has been made by the institute to make it an integral part of pedagogy. The need of the hour is to provide sustainable solutions, counter the menacing threat of substance abuse, create spaces for mental and physical well-being, and nurture citizens who prioritize peace over conflict, and grow up to be empathetic human beings. The sense of entitlement must pave the way for equity in social order. Our cultural legacy, which is a treasure trove of art and literature makes us distinct and adds a sense of pride. This legacy forms an integral part of the envisaged education curriculum for the session 2024-25.

The college campus provides the right stimulus to the students to evolve into well rounded individuals. The dedicated faculty leaves no stone unturned to ensure that they become vibrant ambassadors of the ideals of DAV as they complete their education.

May the values of Arya Samaj guide us and enlighten our path as we envision providing all inclusive education to our students!

Dr Nisha Bhargava
Principal

Lasting Impressions

I congratulate MCM on completion of its 50 years and appreciate the unprecedented role of the College in empowering young women leaders of the future and imbibing a sense of responsibility of taking the nation forward. MCM has carved a niche for itself and I wish the institution to achieve greater heights in the future.

His Excellency Shri Ram Nath Kovind
Hon'ble President of India

The institution has been rendering yeoman service in the education of women enabling them to take lead roles in society and family. MCM DAV is an iconic name in the field of higher education in Northern India. I hope that the collective efforts of all associated with the College would enable it to scale greater heights in the future.

His Excellency Sh V P Badnore
Hon'ble Governor of Punjab & Administrator, Chandigarh UT

MCM DAV College has been imparting holistic education by fusing Indian values with modern, western and scientific outlook since its inception in 1968. It has proved its worth in every sphere of life.

His Excellency Prof Kaptan Singh Solanki
Hon'ble Governor of Haryana

It was an honour to visit this College of National repute. The performance of girls in academics and sports has been top class and worth emulation.

His Excellency Dr K K Paul
Hon'ble Governor of Uttarakhand

I congratulate the College on the successful completion of 50 years in the field of education. MCM DAV has carved a niché for itself in the field of women education. I convey my best wishes to the Principal and Staff and appreciate their efforts towards providing holistic education to their students.

Dr Punam Suri, Padma Shree Awardee
Hon'ble President, DAV College Managing Committee, New Delhi

MCM DAV has contributed immensely to the society by illuminating young minds to be responsible citizens. It has produced women of substance in various fields who have played a crucial role in taking the nation forward. It is continuously striving to remain contextual with the changing times.

Sh H R Gandhar
Vice President, DAV College Managing Committee, New Delhi

One of the best programmes (Swaran Mahotsav Jayanti) that I have ever seen. This speaks volumes of the capabilities of the staff and students.

Sh Rajinder Nath
Vice President, DAV College Managing Committee, New Delhi

On visiting the MCM DAV College I felt that I have really entered into a temple of learning. It is indeed a leading institution in the country which fosters all round growth of girl's education. We are proud of this Institution.

Shri Shiv Raman Gaur
Director Higher Education, DAV College Managing Committee, New Delhi

Lasting Impressions

MCM DAV is a renowned institution and everyone knows about it. I pray to almighty to give you strength and wisdom to achieve great heights and to do good work.

Prof Renu Vig
Vice Chancellor, Panjab University

Grateful for the invite. Came here to alert the girls that time is of essence-the time to learn is now!

Dr Kiran Bedi
Hon'ble Lieutenant Governor of Puducherry

Every visit to my alma mater is an enriching experience. Even if I make visiMay God take this Institution to the heights much beyond the scope of sky. ts on a regular basis, I cannot pay back what I have gained from this esteemed institution. God Bless.

Prof Nishtha Jaswal
Vice Chancellor, Himachal Pradesh National Law University (HPNLU), Shimla

Grateful for the invite. Came here to alert the girls that time is of essence – the time to learn is NOW!

Mr Kanwal Dhaliwal
Internationally acclaimed Translator, Author, Painter & Sculptor

It was a pleasure to visit the College and give my lecture. It was very well organized. The response of students was excellent.

Prof Pritam Singh
Oxford Brookes University, Oxfo rd, UK

Thank you so much for your warm hospitality. MCM is a special College that I will never forget.

Prof Michael Alley
Pennsylvania State University

The International Seminar on Happiness conducted by the College is indeed a very valuable conference. I feel much honored to be a part of it.

Hiroo Takahashi
Prof Emeritus, Graduate School of Business, Hakuoh University, Japan

It was absolutely my great pleasure having the chance of being at Mehr Chand Mahajan DAV College for Women. Indeed, I am honoured that my lecture was welcomed by the students and staff. I hope to have the chance of visiting your College once again in the future.

Prof Nima Rezaei
Professor of Clinical Immunology, School of Medicine, Tehran University of Medical Sciences

On behalf of Auburn students and myself, I thank you for such a wonderful event at MCMDAV. A beautiful College and extraordinary faculty and students.

Prof Allen Furr
Prof Emeritus of Sociology, Auburn University, USA

I enjoyed visiting your College.

Dr Margret Solomon
Department of Administration and Leadership, La Sierra University, California

I thoroughly enjoyed interacting with a galaxy of highly committed women professors, who truly reflect 'Women Power'.

Prof Raghavendra Gadagkar
Centre for Ecological Sciences, Indian Institute of Sciences, Bangalore

Attention

Dear Parents & Students

You are required to go through the prospectus carefully before signing the Admission Form. Once the form is signed, the complete responsibility of having read the rules and regulations shall lie with the parents and the students, who shall be bound by the same.

- Ragging is strictly prohibited and will be treated as a serious crime. In case any incident of ragging comes to the notice of the authorities, the defaulting student is liable to be expelled from the College.
- Discipline is given paramount importance. Any act of indiscipline can lead to punitive action.
- Subject combinations must be checked carefully to avoid subject clashes.
- Lectures shall be counted from the date of commencement of the academic session/course.
- Students will not be allowed to enter the College campus without their I-Cards .
- Students must make it a point to read the Notice Board daily. Ignorance of orders/notices duly displayed on the Notice Board shall not be accepted as an excuse for non-compliance.
- As per NEP 2020 each student is required to have **Academic Bank of Credits (ABC) ID.** Create by going to the website: https://www.abc.gov.in
- **All the students are advised to keep checking the college website regularly for important announcements and updates.**
- **The college will be following Panjab University guidelines for NEP and non-NEP courses, as issued from time to time.**

Eligibility to appear in the University Examination:

i) The students are required to attend at least 75% lectures delivered in each of the subjects (theory as well as practical) opted by them.

ii) A student is required to obtain a minimum of 25% marks in the aggregate of all subjects in the Mid-Semester Test (MST).

iii) Failing to fulfil any of the given conditions, the student shall have to appear as a private candidate in Panjab University Examination.

Note: For more information on Examination, refer to page no. 76.

- Students are required to clear all college dues before appearing for the University Examination.
- It is the personal responsibility of the student to inform the College office of any change in her address/phone number/email id or that of her parents/guardians. The College is not responsible for any gap in communication in case personal information is not updated by the student.
- Parents are requested to keep in touch with the faculty members as well as attend the Parent-Teacher Meeting which is held annually to keep track of their ward's academic performance and conduct.
- Rights of admission and entry to the College campus are reserved.

Ragging is a serious criminal offence

Attention

- Visitors are not allowed to meet the students during College hours.
- Transportation service for Panchkula and Chandigarh is available.

Leave Rules

Regular Attendance in class is compulsory and forms a part of the evaluation for Internal Assessment.

i) Leave must be applied for in advance on leave form available in the office.
ii) While applying for leave, the leave form must be counter-signed by parent/guardian.
iii) In case of serious illness, the leave application must be submitted along with the Medical Certificate within a week of absence. No medical leave will be sanctioned after a week of absence from College.
iv) Lectures will not be granted for Medical Leave or any other leave taken by the students. The leave only ensures that the student's name is not struck-off and remains on the College rolls.
v) The name of the student, absent for more than 6 days without information, will be struck-off from the College rolls.

- Students coming by car/scooter or being dropped should avoid stopping their vehicle in front of the main gate to ensure smooth flow of traffic.
- Students must ensure that ACs, lights and fans in college and hostel areas are switched off when not required.
- Students are advised to avoid carrying heavy cash, jewellery or any other expensive items to College. The authorities do not take responsibility for any loss/theft of personal belongings.
- The College authorities do not take any responsibility of the students' conduct outside the College.

The following activities will be viewed very seriously:

i) Littering the campus;
ii) Not using proper bins for dry and wet waste;
iii) Scribbling on the walls and College property;
iv) Creating disturbance anywhere in the College campus;
v) Tampering with vehicles of the staff members and property of the college;
vi) Indulging in any kind of unfair means in college or university examination.

- A student who is guilty of misconduct in any way shall not be eligible for any prize, stipend, scholarship, fee concession or membership of any important body of the College.
- Carrying of plastic bottles or bags is not allowed as the college is a single use plastic free campus;

Note: A student found guilty of breaking rules is liable to be penalized and in extreme cases even be expelled from the College.

ZERO TOLERANCE TO RAGGING

Academic Achievers
Panjab University Examination

Panjab University Examination - December 2022 & May 2023

Our results bear testimony to the commitment and consistency of our students to excel in academics. Toppers from our college for the academic session 2022-23 are as follows:

Sl. No.	Name	Event	Position
1	SANGAM	BSC MFT-5th Sem	1

Courses Offered

UNDERGRADUATE DEGREE COURSES (NEP 2020)

1. BA / BA Honours / BA Honours with research*
2. BSc / BSc Honours / BSc Honours with research*
3. BCom / BCom Honours / BCom Honours with research*
4. BBA / BBA Honours / BBA Honours with research*
5. BVoc Retail Management (Diploma, Advanced Diploma and Degree) / BVoc Honours* / BVoc Honours with research*
6. BSc / BSc Honours / BSc Honours with research* in Microbial & Food Technology
4. BCA / BCA Honours / BCA Honours with research*
8. BBA (Banking Financial Services & Insurance)*
9. BA (Aesthetics & Beauty Therapy)*

ONGOING COURSES

UNDERGRADUATE COURSES

1. BA (General)
2. BA (Honours)
3. BSc (Medical)
4. BSc (Non-Medical)
5. BSc (Computer Applications as Elective with Maths & Physics)
6. Bsc (Microbial & Food Technology)
7. BSc (Honours)
8. BCom
9. BCom (Honours)
10. BBA
11. BCA
12. B Voc (Retail Management) (Diploma, Advanced Diploma and Degree)

BA / BSc / BCom / BBA / BCA / B Voc is an integrated course comprising 6 semesters spread over three years. The University Examination will be held at the end of every semester.

Under Graduate Diploma Course

13. Diploma Microbial Analysis and Food Safety

*Subject to approval of Panjab University

ADD-ON COURSES FOR ONGOING CLASSES

Add-On courses comprise certificate (One year), Diploma (Two year) and Advanced Diploma (Three year) Course. Examination will be held as per University guidelines.

14. Communicative English (FEA) - Certificate Course
15. Floriculture and Landscaping (FCL) - Certificate Course
16. French (FRA) - Certificate Course
17. Cosmetology and Beauty Care (CMT) - Certificate, Diploma & Advanced Diploma Course
18. Interior Decoration & Design (IDD)- Certificate, Diploma & Advanced Diploma Course
19. Video Reporting (VDO)- Certificate, Diploma & Advanced Diploma Course

DOCTORATE COURSE (PhD)

20. English

POSTGRADUATE DEGREE COURSES FOR ONGOING CLASSES

21. MA (English)
22. MA (Hindi)
23. MA (Economics)
24. MA (Psychology)
25. MA (Sociology)
26. MSc (Chemistry)
27. MSc (Mathematics)
28. MCom

MA / MSc / MCom is an integrated course comprising 4 semesters spread over two years. The university examination will be held at the end of every semester.

POSTGRADUATE DIPLOMA COURSES FOR ONGOING CLASSES

29. Postgraduate Diploma in Mass Communication (PGDMC)
30. Postgraduate Diploma in Computer Application (PGDCA)

Postgraduate Diploma is an integrated course comprising 2 semesters spread over one year. The University Examination will be held at the end of every semester.

- Rules for Admission, Syllabus and Examination for Courses will be as per guidelines of Panjab University, Chandigarh.

The National Education Policy 2020 is the first education policy of the 21st century and aims to address the many growing developmental imperatives of the country. The Policy proposes the revision and revamping of all aspects of the education structure, including its regulation and governance to create a new system that is aligned with the aspirational goals of 21st century education while building upon India's traditions and value systems. Its aim is to develop students into well rounded as well as creative individuals with ethical and Constitutional values, intellectual curiosity, scientific temper, and 21st century capabilities across a range of disciplines including sciences, social sciences, arts, humanities and languages. A quality higher education must enable personal accomplishment and enlightenment, constructive public engagement and productive contribution to the society, preparing students for more meaningful lives, work roles as well as economic independence.

Curriculum and Credit Framework for Undergraduate Programs with Multiple Entry Multiple Exit as per NEP 2020

GENERAL GUIDELINES

1. In adherence to the National Education Policy (NEP) 2020, the College is introducing a revised Curriculum and Credit Framework for Undergraduate Programmes (CCFUP). This is based on the University Grants Commission's (UGC) guidelines, with a student-centric focus, flexible choice-based credit system, and a multidisciplinary approach. This framework also provides multiple entry and exit options, facilitating students to align their education with their career aspirations by choosing subjects/fields of their interest.

1.1 Certification and Duration of Study with Multiple Entry Multiple Exit (MEME)

The undergraduate degree will have a flexible duration of either three or four years, with multiple exit options during this period. The table below outlines the various certifications a student can earn at different stages of their undergraduate study:

Table 1: Certification (and Duration) on MEME

Duration of Study	Semesters Completed	Certification Earned
4 Years	Eight Semesters	Bachelor's Degree (Honours)
		Bachelor's Degree (Honours with Research)
3 Years	Six Semesters	Bachelor's Degree
2 Years	Four Semesters	Undergraduate Diploma
1 Years	Two Semesters	Undergraduate Certificate

1.1 Multiple Entry and Multiple Exit Options

The structure provides students with the flexibility to enter, exit, and re-enter the programme at various stages, each with its corresponding certification as in 1.1 above.

The undergraduate curriculum will include credit-based courses and projects centred around community engagement, environmental education, and value-based education. Additionally, students will have opportunities for internships with local industries, businesses, artists, craftspeople, as well as research internships with faculty and researchers at their own or other Higher Education Institutions (HEIs)/research institutions. These practical experiences are integral to enhancing students' learning and employability.

Table 2: Multiple Entry Multiple Exit options

Programme Exit	Credits Required	Additional Requirement	Awarded Qualification	Re-entry to Degree Programme
After Year 1	48 Credits	Completion of one 4- credit vocational course / internship/ apprenticeship (in addition to 6 credits from Skill based course) during summer vacation of Year 1	UG Certificate	Within three years of exit
After Year 2	96 Credits	Completion of one 4-credit vocational course during summer vacation of Year 2	UG Diploma	Within three years of exit
After Year 3	144 Credits	Compliance with minimum credit requirements specified in regulations	3-year UG Degree	Within three years of exit
After Year 4 (Honours)	192 Credits	Compliance with credit requirements as specified in regulations	4-year UG Honours Degree	N/A
After Year 4 (Honours with Research)	192 Credits(including 12 from a research project/dissertation)	75% marks and above in the first six semesters, completion of a research project/dissertation under faculty guidance in the major discipline	4-year UG Honours Degree with Research	N/A

Note: a) Students who choose to exit the programme after the completion of the first two semesters must undertake a work-based learning/internship during the summer term. This internship, worth 4 credits, is a requirement for the award of the Undergraduate Certificate.

b) The maximum time in which a student will be allowed to complete the Degree is Seven Years.

1.1 Semester and Credit Structure

A standard academic year is divided into two semesters, each semester spanning a minimum of 15 weeks. In addition to this, an eight-week summer term is also included in the academic calendar.

During the summer term, students are encouraged to engage in internships, apprenticeships or work-based vocational education and training. This is particularly beneficial for students who plan to exit after two or four semesters of study.

1.1 Eligibility for Undergraduate Programmes

Specific eligibility criteria for pursuing undergraduate degrees in the Arts, Science or Commerce disciplines are specified in the NEP Regulations of PU on their website.

1.2 First Year Undergraduate Program Structure

In the inaugural year of the undergraduate program, students will have the opportunity to create a multidisciplinary academic plan. This will include the following elements:

Table 3: Components of the Structure/Curriculum Framework

Course Type	Description
Major Core	The central area of study chosen by the student.
Minor Stream	An additional area of study selected by the student, typically outside their major discipline.
Multidisciplinary/Interdisciplinary courses	Courses intended to broaden the intellectual experience and form part of liberal art and science education other than their major and minor stream.
Ability Enhancement Courses (AEC)	Courses in English and Modern Indian Languages aimed at enhancing language and communication skills.
Skill Enhancement Courses (SEC)	Practical courses designed to enhance the application of knowledge and provide hands-on experience.
Value Added Courses (VAC)	Extra courses that provide additional knowledge and skills beyond the curriculum.

Upon admission to the first semester of the undergraduate studies, students are required to outline their course choices according to the structure provided. The template for this academic plan is as follows:

Table 4: Courses and Credits distribution in the First Year

I	II	III	IV	V	VI	VII	VIII
Study program BA/BSC/BCOM/BBA/BCA	MAJOR/MINOR(Choose 3 discipline specific courses)**	MULTI DISCIPLINARY (Choose one course other than those in II)	AEC (Choose from languages)	SEC (Choose one course per semester)	VAC (Choose one course per semester	Compulsory Pbi/HCP (Choose one course per semester ONLY in BA)	Total Credits
Credits	12	3	2*	3	2	2	24

NOTE:* see specific requirement in BA, B.Com and B.Sc
****The final choice of Major and Minor will be before third semester starts**
1. Students will see the specific guidelines and list of courses offered by the College.
2. Every student will ensure that she is taking specified number of courses in each component of the Curriculum Framework to complete 24 credits. Record of courses chosen by the student in every component of the Curriculum Framework will be kept.

1.1 Choice of Courses

Undergraduate students will make course selections from list provided by the College. The choices will fall into categories as outlined below:

1.1.1 Major Course:

This is the primary subject area a student wishes to delve into during their undergraduate course. It is the area of study that the student is keenly interested in and may wish to pursue as a career. Students can be permitted to change their major within the broad discipline at the end of the second semester, providing them with ample time to explore interdisciplinary courses during their first year.

1.1.1 Minor Course:

This is a secondary area of study that complements the student's chosen Major. Students who complete a sufficient number of courses in a discipline or an interdisciplinary area of study other than their chosen Major will qualify for a Minor in that discipline or interdisciplinary area. A student may declare their choice of Minor and vocational stream at the end of the second semester.

1.1.2 Multidisciplinary Course:

All undergraduate students are required to complete three introductory-level courses relating to any of the broad disciplines. Students are not allowed to choose or repeat courses already taken as their proposed Major and Minor stream under this category.

1.1.3 Ability Enhancement Course (AEC):

These are Modern Indian Language (MIL) & English language courses focused on enhancing language and communication skills. The courses aim to enable students to acquire and demonstrate core linguistic skills, including communication, critical reading and expository and academic writing skills.

1.1.4 Skill Enhancement Courses (SEC):

These courses aim to impart practical skills, hands-on training, soft skills, etc., to enhance the employability of students.

1.1.5 Value Added Course (VAC):

These courses are designed to provide extra skills or knowledge beyond the standard curriculum, often tailored towards enhancing employability, promoting entrepreneurship, or developing personal and professional skills.

1.2 Course Components

Courses will be comprised of one or more of the following components depending on the requirement of a specific discipline:

1. Lecture
2. Tutorial
3. Practicum
4. Seminar/Internship/Studio Activities/Field Practice/Projects/Community Engagement and Service

1.3: Research Project/Dissertation Requirement for 4-Year Bachelor's Degree (Honours with Research)

For students enrolled in the 4-Year Bachelor's Degree program (Honours with Research), it is mandatory to undertake a research project under the supervision of a faculty member in the fourth year. This research project is to be initiated and completed in the eighth semester of the program.

1.4 Inclusion of Other Activities in VAC/SEC

The Value-Added Course (VAC) and Skill Enhancement Course (SEC) components of the undergraduate curriculum will include a diverse range of extracurricular activities that enrich students' learning experience and contribute to their personal and professional development. These activities will include but are not limited to:

- Participation in the National Service Scheme (NSS),
- Engagement with the National Cadet Corps (NCC),
- Involvement in adult education or literacy initiatives,
- Mentoring school students,
- Participation in other community service or outreach activities.

IMPORTANT REGULATIONS AND GUIDELINES FOR STUDENTS

1: Award of Undergraduate Degrees: A student will be awarded an Undergraduate Degree upon securing a total of 144 credits within three years. An Undergraduate Degree with Honours will be awarded upon securing a total of 192 credits.

2: Credit Completion: Each student must aim to complete a requirement of 24 credits per semester or 48 credits in one academic year, in accordance with PU regulations for courses under NEP-2020.

3: Course Selection: A student will select courses from the basket/lists offered by the College.

4: Major and Minor Course Selection: By the end of the second semester, students may decide to continue with their chosen major or request a change. The major course allows for in-depth study of a particular subject or discipline.

5: Change of Major: Students will be allowed to change their major within the broad discipline at the end of the second semester, allowing sufficient time to explore interdisciplinary courses during the first year.

6: Language Requirement: Every student will choose two languages, including English, irrespective of the chosen Degree.

7: Updates and Amendments: Since this scheme is being introduced for the first time in the 2024-25 session, it is subject to modifications as per UGC Guidelines. **Any changes in regulations in subsequent years after admission to the 1st Year will be applicable for these students retrospectively.** Students should stay informed about any updates to ensure compliance with updated guidelines made by the competent authority.

	112	32	9	10	06	09	02	12	192

NOTES:-

1. In the first semester student will be offered three different subjects A, B & C.
2. At the end of second semester each student may choose any one of the two streams namely Single Major or Multi-Disciplinary. The student choosing Single Major stream is required to give his/her Major and Minor at end of the second semester.
3. The student opting for Single Major must secure 50% credits of the total credits in the Major subject and obtain 24 credits from the Minor subject(s). To qualify for Minor in a particular subject, the student must attain at least 12 credits in that subject(s).
4. A student who secures 75% or more marks in aggregate till semester 6 (up to 3 year degree) shall be eligible for 4 YEAR DEGREE B.A. HONOURS with research, on the condition that the Institution is a PU approved Research Centre.
5. Once Major and Minor papers are chosen in 3rd semester, the same will continue as Major and Minor subject in the subsequent semesters.
6. RM=Research Methodology

Table-2

	112	40	09	08	06	09	04	04	192

NOTES:-

1. In the first semester student will be offered three different subjects A, B & C.
2. At the end of second semester each student may choose any one of the two streams namely Single Major or Multi-Disciplinary. The student choosing Single Major stream is required to give his/her Major and Minor at end of the second semester.
3. The student opting for Single Major must secure 50% credits of the total credits in the Major Subject and obtain 24 credits from the Minor Subject(s). To qualify for minor in a particular subject, the student must attain at least 12 credits in that subject (s).
4. A student who secures 75% or more marks in aggregate till semester 6 (up to 3 year degree) shall be eligible for 4 YEAR DEGREE B.SC HONOURS with research, on the condition that the Institution is a PU approved Research Centre
5. The candidate opting for B.Sc Honours with Research is required to secure 12 credits from research instead of three Major Core Papers.
6. Language paper chosen as MIL-1 and MIL-2 should be in the same subject.
7. Once Major and Minor papers are chosen in 3rd semester, the same will continue as Major and Minor subject in the subsequent semesters.
8. RM=Research Methodology

	56	56	40	09	08	06	09	04	04	192

NOTES:-

1. In the first semester student is offered three different subjects A, B & C.
2. At the end of second semester each student has the option to choose any one of the two streams namely Single Major or Multi-Disciplinary. The student choosing Single Major stream is required to give his/her Major and Minor at end of the second semester.
3. The student choosing Multi-Disciplinary stream will continue with the three subjects and complete his/her three year degree by securing 36 credits each in the chosen two subjects as Major and 24 credits in Minor subject.
4. A student who secures 75% or more marks in aggregate till semester 6 (up to 3 year degree) shall be eligible for 4 YEAR DEGREE B.SC HONOURS with research, on the condition that the Institution is a PU approved Research Centre
5. The student opting for Single Major must secure 50% credits of the total credits in the Major subject and obtain 24 credits from the Minor subject(s). To qualify for Minor in a particular subject, the student must attain at least 12 credits in that subject(s).
6. The student exiting the programme after one year securing 48 credits will be awarded UG Certificate provided he/she secures 4 credits from summer internship/community work. Further, the student exiting the programme after two year securing 96 credits will be awarded UG Diploma provided he/she secure 4 credits from summer internship. The student successfully securing 144 credits will be awarded BA degree.
7. Language paper chosen as MIL-1 and MIL-2 should be in the same subject.
8. Once Major and Minor papers are chosen in 3rd semester, the same will continue as Major and Minor subject in the subsequent semesters.
9. The candidate opting for Honours in research is required to study a paper of Research Methodology (RM) of 04 credits and write Dissertation of 08 credits in one of the two Major subjects.

NOTES:-

1. B Voc Programmes emphasise practical work, project work, internships, apprenticeships and other forms of hands-on training.
2. Compulsory Summer Industrial Training (SIT) of 3-4 weeks during summer break after even semester examinations of Semester II and Semester IV.
1. As specified in **Page no. 40** , Multidisciplinary Courses (MDSC) are common to all the B Voc courses.

Semester	Course Code	Course Title
I	B Voc MDSC 101	Fundamentals of Information Technology
II	B Voc MDSC 201	Soft Skills and Personality Development
II	B Voc MDSC 301	Entrepreneurship Development

NOTES:-

1. Language papers chosen as Modern Indian Langage (MIL), with MIL-1 and MIL-2, should be in the same subject.
2. RM' stands for Research Methodology.
3. A student who secures 75% or more marks in aggregate till Semester VI (up to a 3-year degree) shall be eligible for the 4-Year Degree (B Voc Honours with Research) on the condition that the Institution is a Panjab University-approved Research Centre. Also, a student may choose any of the two core verticals/subjects (A or B) for a research/dissertation of 8 credits.

Bachelor of Arts

BA/ BA Hons/ BA (Hons with Research)*

BA / BA Hons/ BA (Hons with Research)* Semester I

No. of seats: 1000+

For admission details, refer to:

www.mcmdavcwchd.edu.in

Eligibility

- A student who has passed class XII from State Board / CBSE/ ICSE / or any other recognized Board/University shall be eligible to seek admission to BA Semester I. The admission shall be made on the basis of Panjab University rules.
- If the student is found to be admitted from an unrecognized Board her admission will stand cancelled.
- All courses and admission will be as per guidelines given by Panjab University.

Compulsory Subjects

1. English (Ability Enhancement Course: AEC)
2. Punjabi or History & Culture of Punjab

a. (HCP is only for those students who have not studied Punjabi in Class X)

3. Discipline Specific Courses (DSC): For combinations, refer to pages 33-38. Students will opt for 3 DSCs in first semester, out of which major/minor DSCs will be selected before the beginning of third semester.
4. Multidisciplinary Course (MDC): To choose 1 option, refer to page no.40.
5. Value added course (VAC): To choose 1 option, refer to page no. 39.
6. Skill enhancement Course (SEC): To choose 1 option, refer to page no. 39.

Graduate Attributes

- Introduces the recent class XII pass-outs with a comprehensive model of undergraduate learning. The course provides a wide array of choices of Elective subjects from the Humanities, Social Sciences, Languages and Arts.
- Provides the learners adequate preparation for taking up Honors in their Semester III and is designed to equip them with basic and conceptual clarity for advanced studies in their proffered elective subjects.

Course Outcomes

- To train newly inducted undergraduates with the necessary social, linguistic, cultural, historical and economic knowledge of the working of society.
- To instruct and groom learners in the attributes of critical and analytical thinking and writing, ethics, team co-ordination, co-operation and empathy towards society in particular and humanity at large.

Avenues

- To build up the learners' critical and analytical reading, writing and thinking abilities so that they are able to understand the advanced nuances of their choice of subjects.
- To enable the learners to respond to pressing social, cultural and economic issues around them.
- To sensitize the learners to the various options available to them at higher levels of learning, after studying their choice of subjects.

*Subject to approval by Panjab University

*Office Management & Secretarial Practice is a vocational subject that will be considered as a minor subject only.
**Combinations are subject to change as per PU Guidelines

Skill Enhancement Courses (SECs) (3 Credits)**	
Semester I	**Semester II**
Applied Reasoning	Ethical Decision Making
Creative writing Art	Computerization of Punjabi Language
Public Speaking	Academic Writing
Business Communication	Translation Studies
Basic Administrative Skills	Office Executive Skills
Basics of Social Research- I	Basics of Social Research- II
Computer Skills- I	Computer Skills- II
Anuvad evam Proof Pathan	-
Fabric Painting, Best out of Waste and Bookmark Designing	-
Bakery I	Bakery II
Basics of Beauty Care-I	Basics of Beauty Care- II
Interior Designing and Decoration-I	Interior Designing and Decoration-II
Creative Writing	Event Management
Vermiculture and Vermicomposting	Apiculture
Computer Fundamentals and Personal Computing Software	Desktop Publishing using Photoshop
-	Desktop Publishing using GIMP
Entrepreneurship in Millet Processing	Entrepreneurship skills in Microbiology
Chemistry Lab Skills- I	Chemistry Lab Skills- II
Digital Marketing	E-Commerce
Security Analysis	Financial Market Simulation Trading
Introduction to India and its Culture to French Speaking Tourists.	Local Tourist Spots, Hotels and Visits.

*Any SEC from the above mentioned list can be taken irrespective of the stream.

Value Added Courses (VACs) (2 Credits)**	
Semester I	**Semester II**
Philosophy of Swami Dayanand Saraswati	Philosophy of Mahatma Anand Swami Saraswati
Understanding India - I	Understanding India-II
Literature and New Media	Partition Literature
Introduction to Health Economics	Introduction to Environmental Economics
Constitutional Morality as a Value in Contemporary Society	Indian Knowledge Tradition :1
Mathematics for Chemists	Data Analysis and Visualization with MS-Excel
ICT & Governance	Ethics in Public Services
Heritage of Punjab	Partition of Punjab
Vedic Mathematics	Vedic Algebra
Nutrition and Fitness -I	Nutrition and Fitness -II
Financial Literacy	Issues in Indian Commerce
Understanding Human Rights- I	Understanding Human Rights- II
Introduction to Computer Hardware	Introduction to Blockchain technology
Environment Science	Environment Science

* Environment Science is one compulsory VAC that can be taken in any one of the semesters (I / II / III), as per PU Circular dated 20/06/2024

**VACs in the other two semesters can be taken from the above-mentioned list irrespective of the stream.

Multi -Disciplinary Courses (MDCs) (3 Credits)**	
Semester I	**Semester II**
Yoga and Meditation	Environmental Ethics
Literature and Ethics	Literature and Society
Introduction to Public Administration	Introduction to Indian Administration
Constitution of India: Reading the Text	Foreign Policy of India
Understanding Contemporary Social Issues	Social Institutions in India
Communication and Legacy Media	Digital and Social Media
Plants-Importance and Propagation	Utilization and Conservation of Plants
Basic of Material Science	Elements of Modern Physics
The Special Foods and Meal Management	Functional Foods for Sustainable Health
Analytical Methods-I	Analytical Methods-II
Basics of Fashion Designing-I	Basics of Fashion Designing-II
Basic Mathematics – I	Basic Mathematics – II
-	Physical Fitness and Hygiene
Health and Hygiene	-
Web Development/Design	Python Programming
Commercial Law	Business Law
Fundamentals of International Business	Foreign Trade Policy and Procedures

* A student of any stream can select any of the above mentioned MDCs provided:
i) It is not the major/minor subject selected by her and;
ii) She has not studied it in her 12th class.
** SECs/VACs/MDCs will be started in the College from the session 2024-25, subject to the availability of infrastructure and other resources.
*** MDC can be taken across streams.

Holistic Education

INFRASTRUCTURE

Quality Education in Quality Ambiance

Smart Classrooms

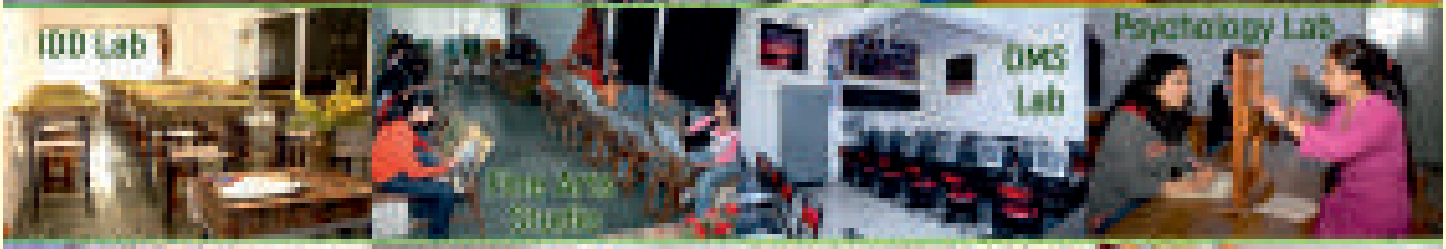

Well-stocked air-conditioned Library

Hi-tech Laboratories

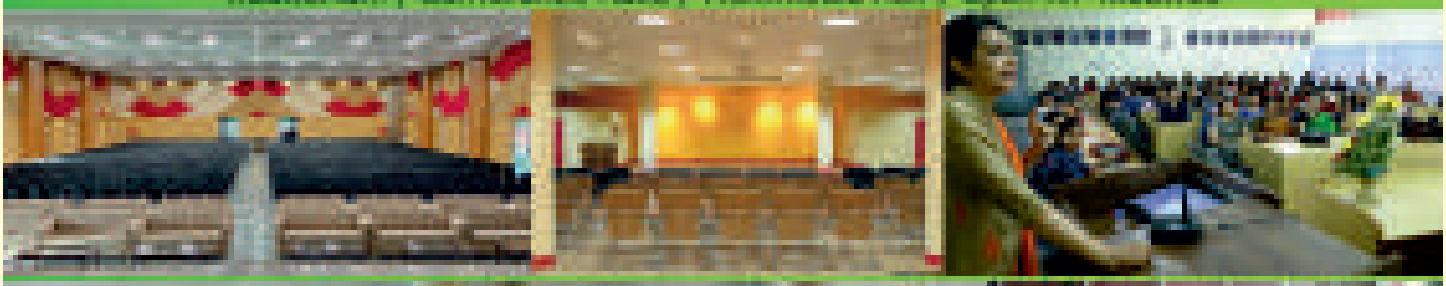

INFRASTRUCTURE

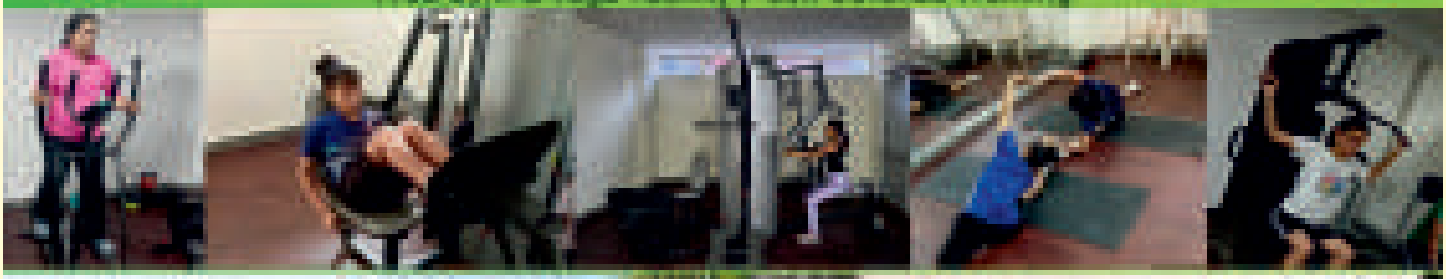

Quality Education in Quality Ambiance

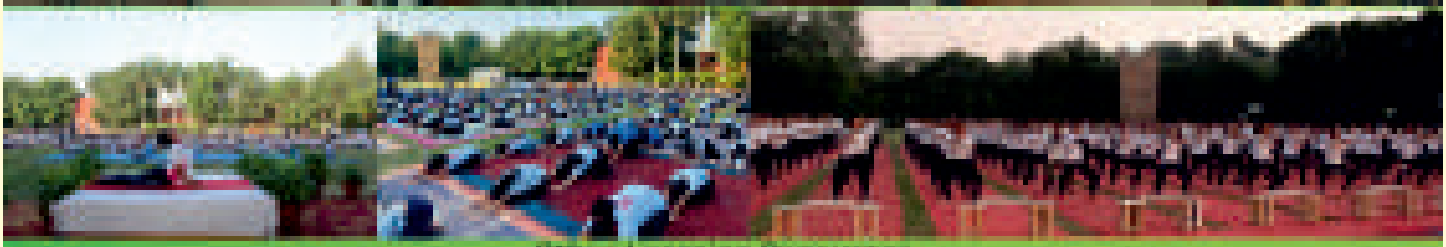

Auditorium / Conference Halls / Multimedia Hall / Open Air Theatres

Free Gym & Yoga Facility / Self Defense Training

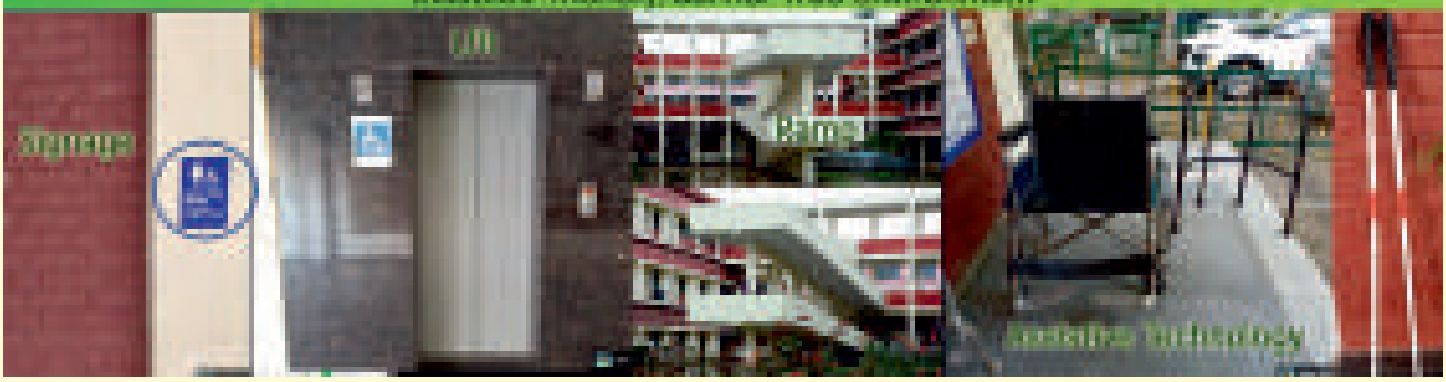

Other Learning Resources

Disabled-friendly, Barrier free environment

Honours for Ongoing Classes

Eligibility

- **Students can opt for Honours in Semester III.**
- The student who opts for Honours must take up the subject concerned as elective in Semester I (only for BA & BSc).
- The candidate must have secured at least 50% marks (result available at the time of admission) in the concerned subject in the university examination.
- Admission will be on the basis of merit and subject to the availability of seats.

Honours are Offered in the following Subjects:

BA

- English
- Hindi
- Punjabi
- Economics
- History
- Political Science
- Psychology
- Sociology
- Public Administration

BSc

- Physics

BCom

- *Accounting & Finance
- Economics
- Management Studies

BA

English

Graduate Attributes

- Introduces learners to major trends, history of English literature, thematic concerns, prevalent attitudes and the milieus reflected in iconic texts.
- Knowledge of identification of literary devices used by writers.

Course Outcomes

- Builds critical ability to appreciate literature from various levels/perspectives and astute analytical and linguistic skills.
- A better understanding of society, politics, culture and economy is achieved.

Avenues

- Opens up literature and language related avenues, such as Editing, Journalism and Academia and forms the basis for admission to Masters Courses in literature and Mass communication.

हिंदी

पाठ्यक्रम की विशेषताएं

- मानक हिंदी भाषा के स्वरूप से छात्राओं को परिचित करवाना।
- काव्य भाषा के सौष्ठव एवं काव्य कृतियों के वैभव से छात्राओं को अवगत कराना एवं विश्लेषण की मूल्यांकन–परकृष्टि से सम्पन्न करना।

परिणाम

- शुद्ध उच्चारण, शुद्धलेखन व सृजनात्मकता की प्राप्ति ।
- मीडिया लेखन, अनुवाद एवं साहित्य और पत्रकारिता पर विशेष पकड़।
- हिंदी भाषा और साहित्य का समग्र अध्ययन सम्भव हो पाता है।

क्षेत्र

- अध्यापन, हिंदी अधिकारी, हिंदी अनुवादक , पत्रकार , मीडिया, समाचार वाचक, उद्घोषक, मीडिया में अनुवादक, लेखक, सिनेमा जगत में गीतकार पटकथा लेखक, समाचार पत्र में संपादक व संवाददाता इत्यादि

Punjabi

Graduate Attributes

- Introduces learners to modern and medieval Punjabi sensibility and sensitizes them to deep rooted motifs of literature.
- Introduces learners to Indian Literature, Punjabi Literature of East Punjab, history of Punjabi literature, literary criticism as well as cultural studies.

Course Outcomes

- Enhances proficiency of learners in Punjabi language, literature, writing skills, literary nuances and criticism of Punjabi language.
- Critical assessment of literary texts of various writers, periods and genres of Punjabi culture.

Avenues

- Competitive exams, careers in Academia

Economics

Graduate Attributes

- Introduces learners to diverse aspects of Industrial Economics and Development Economics, International Economics and Monetary Economics.
- Learners are familiarized with models of growth, development, policy frameworks and theories of Industrial location, International trade and Foreign exchange.

Course Outcomes

- The course equips the students with fundamentals of Industrial theory and practice on the one hand and International trade on the other.

Avenues

- Academia and Corporate Sector

History

Graduate Attributes

- An in-depth study of various aspects of History through means of Historiography, proper and unbiased study of sources, course of events and various view points of scholars and historians.

Course Outcomes

- Analysis of overall impact of historic occurrences, trends and artifacts.
- Studying the impact of various revolutions and civil wars in shaping national and international politics, society and culture.

Avenues

- Civil Services, Academia, Archaeology and Broadcast journalism, Editorial assistants, Human resource officers or Museum officers.

Political Science

Graduate Attributes

- Enhances empirical knowledge of politics at national and international levels and inculcates intellectual curiosity, analytical reasoning, reflective thinking, leadership, research and investigation skills.

Course Outcomes

- Inculcates the art of problem solving techniques and enables learners to find various alternatives to political problems faced by mankind such as war, economic crisis and violation of human rights.
- Grooms learners in the art of political leadership and creates awareness regarding role of International and Regional Organizations.

Avenues

- International affairs, Competitive examinations, Journalism, Academia, Judiciary, Political/ legislative analysts, Politicians, Public policy researchers, Speech/Content writers and jobs in United Nations and Non Profit Organizations.

Honours for Ongoing Classes

Psychology Honours

Graduate Attributes

- To explore behavioral and mental processes, including perception, cognition, attention, emotional intelligence, phenomenology, motivation, brain functioning, and personality and their influence upon our mental health and well-being.

Course Outcomes

- Introduces major concepts, theoretical perspectives, empirical findings, and historical trends in psychology.
- Develops critical thinking and scientific approach to solve problems related to behavioral and mental processes.

Avenues

- Clinical psychologist, school counseling, organizational psychologist, Psychotherapist (Marital therapy, Family therapy, Psychoanalysis) and Sport psychologist.

Public Administration

Graduate Attributes

- To provide a thorough understanding of the role of the Government – Central, State and Local as well as workings of Administrative Theory, Indian, Personnel, Financial, Local and Development Administration.

Course Outcomes

- Familiarization with the types of Government organizations in India, the personnel and financial management therein and the working of administration at Union, State and Local levels.

Avenues

- Academia, business and social organizations like Centre for Rural Reconstruction and Development, Indian Institute / State Institute of Public Administration etc. Public Sector Undertakings, Mass Media and Civil Services or jobs as Political Observers and Correspondents.

Sociology

Graduate Attributes

- Learners are exposed to various sociological perspectives through Indian and foreign thinkers and develops research aptitude for testing theories and accumulation of knowledge.

Course Outcomes

- Provides in-depth study of various terms, concepts and processes which help learners in formulating a sociological imagination and comprehensive understanding of the discipline, for social transformation of our society.

Avenues

- Competitive exams as well as job prospects in Governmental and Non-governmental organizations.

BSc

Physics

Graduate Attributes

- Enables learners to develop ability of advanced, independent, critical enquiry, analysis and reflection with an aptitude for implementation of knowledge of physics in technical writing.
- Learners are able to critically examine, synthesize and evaluate knowledge including experimental design, project planning etc.

Course Outcomes

- Offers theoretical as well as practical knowledge about Physics, Chemistry and Mathematics.
- Helps to develop a scientific temper amongst learners which is beneficial for the society as a whole, as scientific development can make nations and societies grow at a rapid pace.

Avenues

- Learners may pursue MSc and then opt for research or opt to join Indian Civil services, the Indian Armed Forces, Entrepreneurship, Academia, Research Scientist, Technical Authors, Data analyst, Meteorologist, Nanotechnologist, Radiologist or Radiation protection practitioner.

BCom

Accounting and Finance

Graduate Attributes

- Helps learners in strategic decision making with in-depth knowledge of financial management and learning nuances of buying and selling assets in financial markets.

Course Outcomes

- Provides specialized understanding of concepts, policies and contemporary issues of accounting, along with theoretical and practical background of investments and financial markets.

Avenues

- Higher education like MCom, MBA etc. or a professional degree in Accounting and Finance. Careers in Banking, Finance, Accounting, in the Government or in the Private Sector.

Economics

Graduate Attributes

- Imparts information related to Economic Development and growth and enables learners to use current and emerging data related to Economic Environment for analytical practices.

Course Outcomes

- Along with the basic knowledge of Commerce, learners are provided with specialized knowledge and skills related to International Trade, Industrial Structure and Economic Development.

Avenues

- The graduates can pursue a Masters degree in Economics, Commerce, and Management or appear for Indian Economic services (IES).
- Careers in Economic Analysis, Financial Planning, Foreign Affairs, Fund Management, International Business and Trade Analysis.

Management Studies

Graduate Attributes

- Imparts skills to learners in marketing functions like designing of advertising strategies and human resource functions like reward structures for employees, training and development.
- Aims to inculcate managerial skills among learners thereby making them effective leaders.

Course Outcomes

- Imparts deep understanding to learners in the fields of Advertising, Brand Management, Consumer Behaviour and Human Resource Management.

Avenues

- Higher education like MCom, MBA, etc. or Marketing executives, Consultants in advertising agencies and Management trainers.

Note: If a student does not clear the principal/elective subject, in any semester, in which she has taken Honours, her Honours will stand cancelled with immediate effect.

Bachelor of Science

BSc/ BSc (Honours) / BSc (Honours with research)*
Four years Undergraduate Programme
(As per NEP-2020)

Semester I

Number of seats: 290

Botany, Chemistry, Zoology: 125

Physics, Chemistry, Mathematics: 125

Computer Science and Applications, Mathematics and Physics: 40

For admission details refer to: www.mcmdavcwchd.edu.in

Eligibility

- A student who has passed class XII in Science from a recognized University/Board/Council; OR any other examination recognized by the University as equivalent with pass in English as one of the subjects shall be eligible to seek admission to 1st Semester of BSc /BSc (Honours)/ BSc (Honours with research)* degree course.
- The admission shall be made on the basis of Panjab University rules.
- If the student is found to be admitted from an unrecognized Board, her admission will stand cancelled.

Course Content

Semester I & II

a) Any one of the following combinations of three Science subjects

- Botany, Chemistry, Zoology (For students who have passed class XII in Medical stream)
- Physics, Chemistry, Mathematics (For students who have passed class XII in Non-medical stream)
- Physics, Computer Science & Applications, Mathematics (For students who have passed class XII in Non-medical stream)

b) Multi-disciplinary/Inter-disciplinary Course

c) Ability Enhancement Course

d) Value Added Course

e) Skill Enhancement Course

f) Punjabi/History and Culture of Punjab (HCP)

(HCP is only for those who have not studied Punjabi in class X)

BSc General (2nd & 3rd year)

Learners may opt for any of the three streams of Bachelors of Science, namely, Medical, Non-Medical or Computer Applications.

Course Content

Semester III & IV

a) English

b) The three Science subjects as studied in Semester I & II

Semester V & VI

The same three Science subjects as studied in Semester III & IV

BSc (Medical)

Graduate Attributes

- An in-depth knowledge of the fundamental concepts and latest developments in the fields of Botany, Zoology and Chemistry.
- Detailed understanding of the evolutionary trends, environmental interactions and economic importance of flora and fauna.
- Capacity to identify real world problems, approach challenges with critical thinking and work effectively across disciplinary boundaries.

*Subject to approval from Panjab University

Bachelor of Science

Course Outcomes

- Development of creative and research skills through an inter-disciplinary inquiry-based learning.
- Ability to realize the importance of entrepreneurship as a tool for growth and sustainable development.

Avenues

- Higher studies and research in the fields of Chemical/Biological Sciences
- Career opportunities in Civil services, Education, Environment, Agriculture, Health, Pharmaceutical and allied sectors
- Entrepreneurship

BSc (Non-Medical)

Graduate Attribute

- Developing ability of independent, critical enquiry and an aptitude for implementation of knowledge of Physics, Chemistry and Mathematics.
- Ability to apply the broad knowledge of science across a range of fields through experimental design, project planning and execution.

Course Outcomes

- Theoretical as well as practical knowledge of Physics, Chemistry and Mathematics.
- Helps to develop scientific temper which encourages scientific evolution of society.

Avenues

- Higher Studies, Research, Entrepreneurship, Indian Civil services or Indian Armed Forces.
- The course enables learners to opt for any of these avenues: Academia, Research Scientist, Technical Authors, Data analyst, Meteorologist, Nanotechnologist, Radiologist, Radiation protection practitioner, Industry associate, Chemist, Patent Officer etc.

BSc (Computer Applications as Elective subject with Mathematics and Physics)

Graduate Attributes

- Knowledge of using Office Applications in report Writing
- Knowledge of Programming languages C, C++, Java and VB.NET, Web Sites
- Understanding core concepts of Data structures, DBMS, OS and Networks.

Course Outcomes

- The course enables learners to analyze real world problems and design solutions by applying the concepts of Programming Languages, Web tools and Data Base Management Systems.
- Learners are also made to understand core concepts like Operating Systems, Data Structures, Networking and Communication along with Physics and Mathematics as other elective subjects.

Avenues

- Masters in Physics, Mathematics, Computer Science, Information Technology, Computer Applications and specialized courses in AI, Data Analytics etc.
- System Analyst, Software Developer, Web Application Developer, Programmer, DBA, Software Engineer, Technical Trainer, Project Manager (IT), and Academia.

Bachelor of Computer Application

BCA/ BCA (Honours) / BCA (Honours with research)*
Four years Undergraduate Programme
(As per NEP-2020)
No. of seats: 80
Centralised Admission
For admission details refer to the Joint Online Prospectus:
www.dhe.chd.gov.in

- **Eligibility**
- A student who has passed the class XII Examination in any discipline with at least 50% marks from a recognized Board. The student should have passed Mathematics as one of the subjects at Matriculation level.

Note: 5% weightage will be given for subject of Mathematics/ Statistics or equivalent to the candidate who studied the subject at 10+2 level at the time of admission in B.C.A. 1st semester.

- The admission shall be made on the basis of Panjab University rules.

Course Content

BCA Semester I (AS per NEP)

BCA-101: A-1: Introduction to Web Technologies (2 Credits)
BCA-101P: Practical Based on BCA-101 (2 Credits)
BCA-102: B-1: Fundamentals of Mathematical Statistics (4 Credits)
BCA-103: C-1: Problem Solving Through C (2 Credits)
BCA-103P: Practical Based on BCA-103 (2 Credits)
BCA-105: AEC-1: English-A (2 Credits)
BCA-107: Punjabi / HCP * (2 Credits)
MDSC - 3 Credits
SEC - 3 Credits
VAC - 2 Credits

Note:

- HCP can be taken by those students who have not studied Punjabi in 10th standard.
- A student can opt for a MDSC (multidisciplinary) course subject to following conditions:
  - o The student must not have studied that course in 10+2 level.
  - o The student must not have taken that course as a core subject.
- A BCA student can choose VAC (Value Added Course) from common basket of Value-Added courses.

BCA Semester II (AS per NEP)

BCA-201: A-2: Computer Organisation (4 Credits)
BCA-202: B-2: Introduction to Artificial Intelligence and Data Science (2 Credits)
BCA-202P: Practical Based on BCA-202 (2 Credits)
BCA-203: C-2: Object Oriented Programming Using C++ (2 Credits)
BCA-203P: Practical Based on BCA-203 (2 Credits)
BCA-205: AEC-2: English-B (2 Credits)
BCA-207: Punjabi / HCP (2 Credits)
MDSC - 3 Credits
SEC - 3 Credits
VAC - 2 Credits

*Subject to approval from Panjab University

Semester III

BCA 16 301/ BCA 16 302 Punjabi-A/ History & Culture of Punjab A
BCA 16 303 Information System Design and Implementation
BCA 16 304 Computer Oriented Numerical Methods
BCA 16 305 Data Structures
BCA 16 306 Lab based on BCA 16 304
BCA 16 307 Lab based on BCA 16 305

Semester IV

BCA 16 401/ BCA 16 402 Punjabi-B/History & Culture of Punjab B
BCA 16 403 Software Project Management
BCA 16 404 Operating System Concepts and Linux
BCA 16 405 Database Management System
BCA 16 406 Lab based on BCA 16 404
BCA 16 407 Lab based on BCA 16 405

Semester V

BCA 16 501 Computer Networks
BCA 16 502 Discrete Mathematical Structure
BCA 16 503 Java Programming
BCA 16 504 Web Application Development using PHP
BCA 16 505 Lab based on BCA 16 503
BCA 16 506 Lab based on BCA 16 504

Semester VI

BCA 16 601 E-Commerce
BCA 16 602 Application Development using VB.Net
BCA 16 603 Computer Graphics and Multimedia Applications
BCA 16 604 Lab based on BCA 16 603
BCA 16 605 Major Project and Seminar

Graduate Attributes

- Learners get conversant with Programming Languages C, C++, Java, and VB.NET, Web Programming, Multimedia Applications and Software/Project Development.
- Learners get understanding of core concepts like Data Structures, Operating systems, Computer Organization, Client and Server-side Scripting, Data Base Management Systems and Software Engineering.

Course Outcomes

- Imparts necessary technical skills in various areas of Information Technology like Data Base Management, Computer Languages, Graphics and Multimedia, Web based applications, Software Development and Project Management.
- Helps in producing employable IT workforce and enables them to pursue post-graduation in fields of Information Technology/ Computer Science/ Applications.

Avenues

- Graphics Designer, DBA, Web/Software Developer, Programmer, Software Engineer, Technical Trainer, Project Manager (IT), System Analyst etc.

B.Voc. Retail Management / B.Voc. (Hons.) / B.Voc. Hons. with Research*

Number of Seats: 25 (Twenty-Five) **Admission Criteria:** Merit Basis

About the Course: The duration of B.Voc/B.Voc. (Honours)/ B.Voc. Hons with Research shall be of the four years (eight semesters). Four years B.Voc./B.Voc. (Honours) programme can be with research or without research. A four years degree without research shall be called B.Voc. (Honours). A four years degree with research shall be called B.Voc. (Honours with Research).

Highlights of the Course: •A student can exit at the end of 3rd year (six semesters), 2nd year (four semesters) and 1st year (two semesters). •Student who opts to exit after completion of the First year and have secured 48 credits will be awarded a UG Certificate. •Student who opts to exit after completion of the Second year and have secured 96 credits will be awarded a UG Diploma. •Student who opts to exit after completion of the Third year and have secured 144 credits will be awarded 3-years UG Degree (General). • A Four years UG Honours degree in the major discipline will be awarded to those who complete a four years degree programme with 192 credits. •Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. The students who secure 192 credits including 12 credits from a research project/dissertation are awarded UG Degree(Honours with Research). •The minimum qualification for admission to the First year of the programme shall be 10+2 in any discipline of the University/Board/Council or examination of any other University which has been recognized by the syndicate as equivalent thereto with not less than 45% marks in the aggregate.

Objective of the Course

- To provide knowledge & practical skills to the students
- To provide Employability skills

Salient Features

- Placement opportunities in industry
- Demand in Foreign Industries
- Professional and Industrial training

Future Scope

Academic Opportunities

- MBA - Retail Management
- MBA - General
- Professional Certificate in Digital Marketing
- PGDM in Supply Chain Management
- Overseas Post Graduation like:
  - MSc - International Business
  - MSc - International Fashion Retailing
  - MA - Global Fashion Retailing
  - Masters in Fashion Styling
  - Visual Merchandising

Career Profiles

- Retail Sales Associate •Supply Chain Distributor
- Visual Merchandiser •Retail Buyers and Merchandisers
- Departmental Manager (store operations)
- Manager Back-end operations
- Team Leader (stores operation) •Retail Franchisee

*Subject to approval of Panjab University, Chandigarh

Fastest-Growing Industry could be the

Best option for Your Career

UGC approved 1 Year Skill Based Diploma in

Microbial Analysis & Food Safety

Eligibility: 10+2 Graduation in science from a recognized University / College / Board / Council or examination of any other recognized University with not less than 45% marks in the aggregate.

No of Seats: 25

Admission criteria: Purely on Merit Basis.

Programme overview:

Mehr Chand Mahajan DAV College for Women under the aegis of UGC - National Skills Qualifications Framework (NSQF) has introduced the Diploma in Microbial Analysis and Food Safety. With Food Safety recognized as a priority area, we provide the above course for enhancing the employability and skill quotient of the students in this field while updating them with the latest technologies adopted in the food industry. Thus the fast track course has been introduced to develop individuals for food analysis & quality assurance to make an exciting career in this field.

Objectives:

- Meets the increasing requirements for food safety & quality management professionals in the food sector.
- Prepares skillful professionals in food safety analysis & monitoring, setting up & executing food safety laws, food safety management systems, risk analysis & total quality assurance.
- Creates professionals which ensure the safety & quality of food products as per mandatory legal requirements.

Career Prospects:

The programme shall open new vistas & a vast array of job openings in Food Industries & Food Testing Laboratories as follows:

- Food Safety Analyst
- Food Safety and Quality Assurance Supervisor
- Food Safety and Quality Assurance Technologist
- Quality Control Analyst
- Food Testing Lab Technologist.

MC 403 Business Ethics and Corporate Governance
MC 413 Advanced Corporate Accounting
MC 414 Security Analysis & Portfolio Management
MC 415 Advanced Auditing

Graduate Attributes

- Learners will have comprehensive knowledge and understanding of the subject-area and the ability to apply the same in multi-disciplinary contexts.
- Learners will be to apply critical, creative and evidence-based thinking, to make informed decisions.

Course Outcomes

- The course aims to provide in-depth knowledge of all conventional and contemporary areas of commerce including Advanced Accounting, International Accounting, Security Markets, Research Methodology and Tax planning.
- Learners will develop entrepreneurial skills, problem solving ability and the ability to work in teams.

Avenues

- Students may pursue MPhil/PhD or take up teaching as their career in higher educational institutions.
- Other career options are those of Chartered Accountant, Banker, Company Secretary, Stock Broker, Tax Consultant, Entrepreneurship, Financial Risk Manager (FRM), Certified Management Accountant (CMA), and Research Analyst.
- They may also appear for competitive exams conducted by UPSC, UGC, Bank PO, etc.

MSc Mathematics

MSc Mathematics

No. of seats: 40

For admission details, refer to: www.mcmdavcwchd.edu.in

Eligibility

BA/BSc with minimum 65% marks in the subject of Mathematics and 60% marks in the aggregate.

Admission shall be as per Panjab University Guidelines.

Course Content

Semester I

MATH 601S Real Analysis I

MATH 602S Algebra I

MATH 603S Differential Equations

MATH 604S Complex Analysis I

MATH 605S Number Theory I

Semester II

MATH 621S Real Analysis II

MATH 622S Algebra II

MATH 623S Vector Analysis and Mechanics

MATH 624S Complex Analysis II

MATH 625S Number Theory II

Semester III

MATH 617S Field Theory (Compulsory Course)

MATH 618S Topology (Compulsory Course)

MATH 661S Probability and Mathematical Statistics I

MATH-672S Computational Techniques-I OR
MATH 676S Fluid Mechanics I

MATH 678S Linear Programming

Semester IV

MATH 637S Linear Algebra (Compulsory Course)

MATH 638S Functional Analysis (Compulsory Course)

MATH 681S Probability and Mathematical Statistics II

MATH-692S Computational Techniques-II OR
MATH 696S Fluid Mechanics II

MATH 698S Non-Linear Programming

Graduate Attributes

- The course gives advanced knowledge of Mathematics in the areas of Linear Algebra, Statistics, Numerical and Real Analysis. Learners are also given in-depth knowledge of Differential Equations, Measure and Probability, Advanced and Topology and Number Theory.

Course Outcomes

- The course comprises of twenty papers covering pure and applied streams of Mathematics.
- The knowledge and skills obtained during the course help the learners excel in all fields of professional life.
- Learners are familiarized with an advanced study of Mathematical concepts, both in theory as well as application. They are taught the skills of identification, formulation and deciphering of complex mathematical problems.

Avenues

- MSc Mathematics opens doors to these professions: Teaching in Schools, Colleges and Universities, Banking Sector, Insurance Companies, Actuary, DRDO, ISRO and other similar organizations, Defence sector, Research and Development wings of Corporate Sectors, Management, Data Analyst, Data Scientist to name a few.

MSc Chemistry

MSc Chemistry

No. of seats:40

For admission details, refer to: www.mcmdavcwchd.edu.in

Admission will be on the basis of Entrance test (OCET) conducted by the Panjab University. Only the rank holders in this Entrance test will be considered for admission. 50% weightage will be given to the score in the entrance test and 50% to the score in the qualifying examination.

Eligibility

a. B.Sc. examination of the Panjab University or any other University recognized by the Syndicate securing at least 50% marks in aggregate and with Chemistry for M.Sc. Chemistry course along with any Science subject. Provided that the student who had not taken Mathematics as one of the subjects in B.Sc. examination may be admitted to M.Sc. (2 Year course) in Chemistry on the condition that he/she passes an additional paper in Mathematics in the first Year examination securing at least 40% marks and the student who studied Mathematics as one of the subjects in B.Sc. Examination should pass additional paper in Biology in the first year examination securing at least 40% marks. .

b. B.Sc. Pass Degree under the old B.Sc. Honours regulations awarded by the Syndicate on the recommendation of the Board of Control in the subject of M.Sc. course.

c. B.Sc. examination with 50 per cent marks in aggregate from any other University recognized by the Syndicate as equivalent to (a).

d. B.Sc. (Honours) examination of Panjab University or of any other University (recognized as equivalent thereto) in the subject of M.Sc. course.

e. Admission shall be as per Panjab University Guidelines.

Course Content

Semester I

CH 411 Inorganic Chemistry
CH 412 Organic Chemistry
CH 413 Physical Chemistry
CH 414 a) Mathematics for Chemists
b) Biology for Chemists
c) Computer for Chemists
CH 415 Laboratory Course (Inorganic)
CH 416 Laboratory Course (Organic)
CH 417 Laboratory Course (Physical)

Semester II

CH 421 Inorganic Chemistry
CH 422 Organic Chemistry
CH 423 Physical Chemistry
CH 424 Group Theory, Spectroscopy and Diffraction Method
CH 425 Laboratory Course (Inorganic)
CH 426 Laboratory Course (Organic)
CH 427 Laboratory Course (Physical)

Semester III

CH 511 Application of Spectroscopy
CH 512 Organotransition Metal Chemistry
CH 513 Heterocyclic Chemistry
CH 514 Environmental Chemistry
CH 515 Laboratory Course (Inorganic)
CH 516 Laboratory Course (Organic)
CH 517 Laboratory Course (Physical)

Semester IV

CH 521 Biophysical Chemistry
CH 522 Organic Synthesis I
CH 523 Chemistry of Natural Products
CH 524 Photochemistry and Solid State Chemistry
CH 525 Laboratory Course (Inorganic)
CH 526 Laboratory Course (Organic)
CH 527 Laboratory Course (Physical)

Graduate Attributes

- Learners are provided with an in-depth knowledge about molecular structures and chemical reactions.
- They become equipped with the skills and detailed knowledge of functioning of several laboratory instruments like rota-evaporator, UV-Visible spectrophotometer, centrifuge, pH meter, Conductivity meter etc.

Course Outcomes

- Learners get wide-spread knowledge on molecular interactions and their interplay in controlling properties and chemical reactions. They get ample exposure in different cutting edge experimental techniques to validate their theoretical knowledge.

Avenues

- Learners with multiple skills both in theoretical and experimental chemistry can easily find positions in Chemical Industries, Pharmaceutical Industries, Research and Development, as well as in academics.
- Many of them opt for research oriented careers by pursuing PhD and other advanced research.

PG Diploma in Computer Applications

Post Graduate Diploma in Computer Applications

(One year course)

No. of seats: 30

For admission details, refer to:

www.mcmdavcwchd.edu.in

Eligibility

- Bachelor's degree of Panjab University under 10+2+3 system of examination with atleast 50% marks in any discipline. (OR)
- B E/B Tech (OR)
- B Voc (Software Development), B Voc (Hardware and Networking) & B Voc Multimedia (Graphics & Animation) courses **with at least 50% marks**. (OR)
- Any other examination recognized by the Syndicate as equivalent to (a) or (b) or (c) above.

Course Content

Semester I

PGD 1101 Computer Fundamentals

PGD 1102 Computer Programming using C

PGD 1103 Data Base Management System

PGD 1104 Data Communications and Networks

PGD PR1105 Lab1 (Based on PGD 1101 & PGD 1102)

PGD PR1106 Lab2 (Based on PGD 1103)

Semester II

PGD 2101 Object Oriented Concepts Using JAVA

PGD 2102 Web Technologies

PGD 2103 Software Engineering

PGD 2104 Computer Based Accounting

PGD PR2105 Lab3 (Practical based on PGD 2101)

PGD PR2106 Lab4 (Practical based on PGD 2102)

PGD 2107 Project Work: Development of Business Application / Web Site

Graduate Attributes

- Students get proficiency in Programming Languages, such as, C, C++ and Java, Web Tools
- Students get understanding of core concepts like Software Engineering, DBMS and Networking
- Students equip themselves with the skills required to develop minor projects.

Course Outcomes

- Provides skills required for designing and developing applications using core Programming Languages, Web tools and Data Base Management Systems.
- Provides insight into analyzing the real world problems and designing solutions by applying the concepts of Software Engineering.

Avenues

- Learners may go for higher studies by opting for MCA (Lateral Entry) or MSc Computer Science.
- They may get employment as DBA, Web Developer, Programmer or Software Engineer.

PG Diploma in Mass Communication

Post Graduate Diploma in Mass Communication

(One year course)

No. of seats: 40

For admission details, refer to:

www.mcmdavcwchd.edu.in

Eligibility

A Bachelor or Post Graduate degree in any discipline of the University or a degree of any other University which is recognized by the Syndicate as equivalent thereto with not less than 40% marks in aggregate.

Course Content

Semester I

101 Introduction to Mass Communication

102 Print Media

103 Electronic Media

104 Advertising and Public Relations

105 Practical

Semester II

106 Introduction to Mass Communication

107 Print Media

108 Electronic Media

109 Advertising and Public Relations

110 Practical

Graduate Attributes

- Learners are familiarized with specialized skills required in the fields of print journalism, electronic journalism, advertising and public relations.

Course Outcomes

- Besides strengthening the theoretical foundations of the budding media professionals, the course equips them with the requisite skills in areas like copywriting, photography and videography.

Avenues

- The course opens up a plethora of career opportunities in creative or technical areas in newspapers, magazines, radio, television, digital marketing, advertising and public relations.

Research Centre, PG Department of English : PhD in English

Admission Process for PhD :

Step 1: Clearing of PU CET/ UGC NET /GATE/GPAT/ any other National level qualifying test for admission to PhD as notified by PU.

Note: Direct awardees of National/International Fellowship for pursuing PhD and working regular teachers of Panjab University and its affiliated colleges are exempted from the entrance test.

Step 2: Application at the Research Centre as per notification in the newspaper and Official college website

Step 3: Qualifying an interview/viva-voce at the College Research Centre in which candidates are required to discuss their research interest/area through a presentation before a duly constituted research committee

All selection and eligibility criteria will be as per PU guidelines.

No. of Seats:

As per availability of supervisors

Duration of the PhD Programmes

Minimum duration of three years including course work and a maximum of six years

Course Content:

As per Panjab University guidelines

Eligibility Criteria for Admission to PhD Programme

The following are eligible to seek admission to the PhD programme:

1. Candidates who have completed:

i. A 1-year/2-semester Master's degree programme after a 4-year/8 semester Bachelor's degree programme, or a 2-year/4-semester Master's degree after a 3-year/6-semester Bachelor's degree programme, or qualifications declared equivalent to the Master's degree by the corresponding statutory regulating body, with at least 55% marks in aggregate or its equivalent grade in the point scale wherever grading system is followed OR equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of the educational institution.

Research Centre, PG Department of English : PhD in English

ii. A relaxation of 5% marks or its equivalent relaxation of grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/ Differently-abled/ Economically Weaker Section (EWS) and other categories of candidates as per the decision of the Commission from time to time.

iii. Provided that a candidate seeking admission after a 4-year/8-semester Bachelor's degree programme should have a minimum of 75% marks in aggregate or its equivalent grade on a point scale wherever the grading system is followed. A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/ Differently-abled/ Economically Weaker Section (EWS) and other categories of candidates as per the decision of the Commission from time to time.

2. Candidates who have completed the MPhil programme with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of the educational institutions, shall be eligible for admission to the PhD programme. A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/ Differently-abled/ Economically Weaker Section (EWS) and other categories of candidates as per the decision of the Commission from time to time.

Note: The courses offered by the Research centre, their admission process and structure may vary as per guidelines issued by Panjab University from time to time.

The examination at the end of Course work for Ph.D is held by Panjab University.The research scholars are awarded their degree after completion of the Programme by Panjab University.

Admission Guidelines

ONLINE ADMISSION GUIDELINES 2024-25

IMPORTANT

There are two modes of admission with reference to different classes:

A. Online College Admission (Regulated by College)

B. Online Centralized Admission (Regulated by DHE)

[All admissions will be done as per guidelines provided by Panjab University/ Director Higher Education, Chandigarh Administration]

A. Online College Admission

- Applicants seeking admission to courses regulated through College:

Semester I BSc/ B Sc Hons/ B Sc (Hons with Research)*, BSc/ BSc Hons/ BSc (Hons with Research)* in Microbial and Food Technology, BA/ BA Hons/ BA (Hons with Research)*, BA (Aesthetics and Beauty Therapy)*, BBA (Banking, Financial Services and Insurance)*, B Voc Retail Management (Diploma, Advanced Diploma and Degree/ B Voc Hons*/ B Voc (Hons with Research)*, Diploma in Microbial Analysis and Food Safety, MA, MCom, MSc, Postgraduate Diploma in Computer Applications (PGDCA), Postgraduate Diploma in Mass Communication (PGDMC)

*Subject to approval of Panjab University

Semester III BA, BSc (Medical, Non-medical, Computer Applications as elective subject with Maths and Physics, MFT), BCom, BBA, BCA, BVoc, Honours (BA, BSc, BCom), MA, MSc, MCom

Add-on Courses/ Certificate Course: Communicative English (FEA), Cosmetology (CMT), Floriculture and Landscaping (FCL), French (FRA), Interior Designing & Decoration (IDD), Video Reporting (VDO)

Note: Only those students who complete the Add-on Certificate Course in First Year will be eligible for Diploma and Advanced Diploma in CMT, IDD and VDO in second and third year respectively.

Semester V BA, BSc (Medical, Non-medical, Computer Applications as elective subject with Maths and Physics, MFT), BCom, BBA, BCA, B Voc, Honours (BA, BSc, BCom)

PhD in English: An advertisement will be published in newspapers/Official college website for admission to PhD in English. The schedule for admissions shall be available on the College Website. The interested applicants can regularly check the same for updates.

- For regular updates and more details refer to the College Website: www.mcmdavcwchd.edu.in
- Introductory video of the college is available at https://mcmdavcwchd.edu.in/admission-2023/
- Regularly updated E-content/lectures delivered by College teachers are available at https://mcmdavcwchd.edu.in/e-content/

B. Online Centralized Admission (Regulated by DHE)

- Admission to the following Courses is conducted through a process of Centralized Admission in conformity with the guidelines of Director Higher Education (DHE)-Chandigarh and Panjab University, Chandigarh:

Semester I BCom/ B Com Hons/ B Com (Hons with Research)*, BBA/ BBA Hons/ BBA (Hons with Research)* and BCA/ BCA Hons/ BCA (Hons with Research)*

*Subject to approval of Panjab University

For more details refer to the DHE Website: www.dhe.chd.gov.in

- Applicants seeking admission to courses regulated through **Online Centralized Admission (DHE)** have to:

STEP I Fill the DHE Online Application Form posted on **www.dhe.chd.gov.in** and follow the procedure as given on the DHE Website.

STEP II After getting the name in the Centralized Merit List/ seat allocation through DHE portal, the applicant must refer to the centralized admission procedure at:

Admission Guidelines

https://mcmdavcwchd.edu.in/centralized-admission-procedure/ for filling the College Admission Form and paying the course fee.

IMPORTANT INSTRUCTIONS FOR CANDIDATES

- Admission to all classes will be online. Students must come to the college for physical verification of documents after payment of fee.
- Only eligible applicants who have applied online for admission to College through the College portal will be considered for admission. Applicants seeking admission to courses regulated through Online Centralized Admission will follow the procedure and Admission Schedule as given on the DHE Website **www.dhe.chd.gov.in**
- Applicants will be admitted strictly in accordance with the rules and regulations in the latest Panjab University calendar/guidelines/any other instructions which have been or may be issued by the University or Director Higher Education, UT (for Admission to Centralized Courses) from time to time for the respective courses/examinations.
- Processing fee will not be refunded in any circumstances even if the applicant is found ineligible for the course at a later stage.
- Applicant must check the College Website for Admission Schedule and Merit List applicable for admission to various courses.
- Those approved for admission are required to pay the Admission Fee (within 24 hours).
- Fee Receipt will be available in the Student Dashboard after the payment of fee.
- Applicant is advised to check her Student Dashboard (available after registration at http://admissions.mcmdav.com/stulogin) regularly for admission and status updates.
- **Scrutiny of the Documents:**
- The respective College Committees will scrutinise the form and documents uploaded by the candidate. If at any stage any information is found to be false, incorrect or is not supported by the documents presented, the admission will be cancelled.
- **Candidates must keep their original certificates available for verification by the college and Panjab University.**

Note:

A. All admissions are provisional and subject to:

- Scrutiny of the Admission Forms.
- Verification of original documents as per the guidelines issued by Panjab University, Chandigarh and DHE, UT, from time to time.
- Completion of all the other College formalities.
- Approval of Panjab University, Chandigarh. The College is not responsible if the University does not approve of the admission of a candidate due to any reason.

B. The admission will be cancelled if the applicant:

- Makes incorrect or incomplete statements.
- Conceals necessary information in the form.
- Submits information that is false, incorrect or not supported by the documents presented.

C. The College reserves the right to refuse admission to an applicant.

HOSTEL ADMISSION

- Check the Hostel Prospectus available on the College Website: www.mcmdavcwchd.edu.in
- After registration and filling the College Admission Form, the applicant seeking hostel accommodation can fill the Hostel Online Admission Form by logging into the Student Dashboard (using the same User ID used for college admission): http://admissions.mcmdav.com/stulogin

Admission Guidelines

ADMISSION TO UNDERGRADUATE COURSES

BSc/ B Sc Hons/ B Sc (Hons with Research)*, BSc/ BSc Hons/ BSc (Hons with Research)* in Microbial and Food Technology, BA/ BA Hons/ BA (Hons with Research)*, BA (Aesthetics and Beauty Therapy)*, BBA (Banking, Financial Services and Insurance)*, B Voc Retail Management (Diploma, Advanced Diploma and Degree/ B Voc Hons*/ B Voc (Hons with Research)*, Diploma in Microbial Analysis and Food Safety

SEMESTER I

- Courses offered will be governed by the guidelines received from Panjab University/DHE, UT with regards to implementation of NEP 2020.
- Pay the Fee Online within 24 hours of the generation of fee link on the student dashboard.
- Provisional admission to College and Hostel (if applied already) will be notified on the Student Dashboard.

* Subject to approval of Punjab University

SEMESTER III

A. Applicants For Honours (BA / BCOM / BSC)

- Honours Allotment for BA /B.Com /B.Sc Semester III will be according to merit, preference and availability of the seats in each subject. Consult the College Prospectus available on College Website for options in Honours for BA / B.Com/ B.Sc.
- If Preference 1 of Honours is not available, applicant would automatically be allotted the next available preference in order of Preference opted by her, for which she will have to give her consent within 24 hours through the Student Dashboard.
- Once Honours is granted fee slip will be generated on the student dashboard.
- Fee needs to be paid within 24 hours.
- Fee Receipt will be available in the Student Dashboard after the payment of fee.
- Provisional admission to the Honours subject will be notified in the Student Dashboard.
- Courses offered are subject to guidelines received from Panjab University/DHE with regards to implementation of NEP 2020.

B. Applicants Without Honours (BA/BCOM/BSC/BBA/BCA/B Voc)

- Those approved for admission will proceed to pay the admission fee online.
- Fee Slip would be available and displayed in the Student Dashboard.
- Student is required to pay the Fee online within 24 hours.
- Fee Receipt will be available in the Student Dashboard after the payment of fee.
- Provisional admission to College will be notified in the Student Dashboard.

SEMESTER V (BA / BCOM / BSC/ BBA/ BCA/V Voc)

- Those approved for admission will proceed to pay the admission fee online.
- Fee Slip would be available and displayed in the Student Dashboard.
- Student is required to pay the Fee online within 24 hours.
- Fee Receipt will be available in the Student Dashboard after the payment of fee.
- Provisional admission to College will be notified in the Student Dashboard.

POSTGRADUATE COURSES SEMESTER I

Refer to the College Prospectus available on College Website for details regarding PG Courses.

- Courses offered are subject to guidelines received from Panjab University.
- After the List is displayed on the College Website the applicant will be informed to submit copy of the form in the college for admission on the notified date.
- Pay the Fee Online within 24 hours after the approval of provisional admission.
- Fee Receipt will be available in the Student Dashboard after the payment of fee.
- Provisional admission to College and Hostel (if applied already) will be notified in the Student Dashboard.

Note: The applicant of MSc Chemistry should provide the OCET Roll Number and score in the Admission Form, if applicable.

POSTGRADUATE COURSES SEMESTER III

- Those approved for admission will proceed to pay the admission fee online.
- Fee Slip would be available and displayed in the Student Dashboard.
- Student is required to pay the Fee online within 24 hours.
- Fee Receipt will be available in the Student Dashboard after the payment of fee.
- Provisional admission to College will be notified in the Student Dashboard.

HOW TO APPLY

STEP I: Fill College Admission Form Online and follow the instructions given to fill the form.

- **Go to:www.admissions.mcmdav.com and register**

Note:

- It is mandatory for the applicant to register with her own email id.
- Applicant should register only once for each course.
- If an applicant wishes to apply for more than one course, she will have to use a separate email id for applying/registering for the same.
- Email id used for registration will be used for all communication regarding admission and subsequently for all communication throughout the course and beyond. It is advised that this email id should not be changed so as to remain connected with the institution.
- Old students have to register again (preferably with existing Email ID) for filling the College Online Admission Form online.

Registration

a. Click "Register" (For old as well as new applicants)
b. Activation link will be sent to Email / Mobile No. used for Registration.
c. Open Email and click on Activation link to complete Registration process. Applicant will be redirected to login page.

d. Remember your user name and password for subsequent login.

Registered Candidates should login into the Student's Portal by clicking on 'Login'

a. Complete the Online Form by filling details in all the tabs.

b. Upload all the required documents.

c. Preview the Application Form and make corrections (if any).

d. Pay Processing Fee Online through: Net Banking / Credit Card / Debit Card.

e. No changes in the form are allowed after the final submission.

f. Click on Final Submission.

Note: Submitting Admission Form online does not imply admission or guarantee of admission to the applied course.

STEP II: Fee Payment

Process

- Click on Pay Admission fee.
- Click of Show Button.
- Click on Pay Button.
- Go to UPI ID/QR/Credit Card/Debit Card (RUPAY only)
- Prefer using QR scanner given in the Prospectus
- Pay fee using any of these options. You will then be redirected to Dashboard within ten seconds. If you are not redirected to Dashboard, then please go to Dashboard manually.
- Wait till you receive the e-receipt showing status-**SUCCESS**, on your screen.
- Once you see this message, your fee payment is complete. In case this message on screen is not available, then the process remains incomplete.

Note:

- Save/Print the Admission Form and Fee Receipt for future reference.

STEP III: PHYSICAL VERIFICATION OF DOCUMENTS

The candidate must come to the college herself for this step according to schedule available on college website.

- Print out of the form has to be submitted in the college.
- Copies of all uploaded documents must be attached to the printout.
- Original documents must be brought for physical verification.

MIGRATION RULES

a) RULES REGARDING MIGRATION FROM THE AFFILIATED COLLEGE TO ANOTHER

1.1. Local migration of students shall ordinarily not be allowed only for valid reasons.

1.2. No student who has joined one college shall be admitted to another college during the same course unless :

(i) the Principals of the colleges concerned agree and the application is forwarded to the Registrar for sanction, accompanied by a prescribed fee which shall in no case be refunded, and

(ii) the principal of the college from which he intends to migrate has given the leaving certificate.

No application for transfer shall be entertained unless the student's statement is supported by his Principal who, in the case of migration of students provisionally promoted state all the relevant facts on the application.

2. A student who is conditionally promoted shall not be admitted to a higher class by the Principal of the other college, on migration.

3. If the applicant be a detained student or one who has been degraded or against whom any disciplinary action has been taken, etc., the Principal shall specifically mention remarks.

4. The college leaving certificate shall not be given by the Principal until the transfer has been notified by the Registrar. No admission without such sanction shall be considered valid.

5. When migration of a student from one college to another college has been sanctioned, he/she must join the new college within 15 days. Provided that if a student does not avail himself of the migration, within fifteen days from the date of receipt of the letter by the Principals of the colleges concerned, he/she shall have to apply afresh and pay fresh fee in order to revalidate his/her previous migration.

6. If a student changes his mind after putting in his application for migration, he/she must inform the colleges concerned as also the University immediately.

7. If the student changes his/her mind after migration has been sanctioned by the University, he/she must apply for re-migration and follow the entire procedure prescribed by the University once again if he/she has joined the other college. If he/ she has not, he/she must apply for cancellation of the migration certificate through the Principal of the college concerned and return his migration certificate.

8. No migration certificate can be issued unless the student has been registered with the University.

FOREIGN STUDENTS

- They must have a valid passport and a valid Student Visa (if applicable).
- They must have the equivalence certificate and eligibility certificate from Deputy Registrar, Panjab University, Chandigarh.
- Foreign Students will follow all rules and guidelines of Panjab University and the College.
- The Admission and Fee would be governed by the guidelines of Dean, Foreign Students, Panjab University, Chandigarh.

RULES FOR WITHDRAWAL

- Student who wishes to leave the College must apply in writing to the Principal and application must be countersigned by her parent or guardian. The application must include the reason for withdrawal and must be submitted in person to the Principal.
- Student has to pay the College fees and all other dues until her name is formally withdrawn.
- No student will be permitted to leave the College until she has cleared her College dues.
- Fee will be refunded to withdrawing candidates as per rules.

Note

- Reservation of seats will be as per Panjab University Guidelines
- Anti-ragging declaration has to be submitted along with the admission form by every student.

It is mandatory for every parent to submit an online Anti-ragging undertaking every academic year at www.antiragging.in and www.amanmovement.org

A Roadmap for College Admission

Non-Centralized Courses

B.A - I, II & III Year; B.Sc/B.Sc (MFT) – Ist Year
B.Com, BCA, BBA - II & III Year
B.Sc (Med, Non-Med, Comp. App, MFT) - II & III
All PG courses – I & II Year
Add-on (ongoing classes), B.Voc & Diploma course
*** B.A I Aesthetics and Beauty Therapy**
*** BBA I (Banking Financial Services & Insurance)**
** Subject to approval from Panjab University*

1. Visit the link https://admissions.mcmdav.com/stulogin

2a. Click on **Register** (First-time Registration for old/new applicants)

2b. Open your email & activate your account

3. Visit the link given in Step 1 and **Login** to student dashboard

4. Read the on-screen instructions carefully, scroll down and tick-mark the checkbox and click 'Continue' button

5. Duly fill all the sections of the admission form and **attach** the relevant documents (You can navigate to the next section/tab, only if the information in the current tab is updated/saved successfully)

6. Click **College Processing Fee** in the left pane and pay fee online.

7. **Preview** the Application Form and make corrections (if any). Then click **'Final Submission'** in the left pane of the student dashboard

8. Scrutiny and display of Merit List - by office (if applicable)

9. Provisional admission on the notified admission dates

10. Generation of Fee slip - by office

11. Click **Admission Fee Payment** in the left pane and pay the fee – by student

Centralized Courses

B.Com/BBA/BCA – Ist Year

Fill admission form first on DHE portal www.dhe.chd.gov.in

After the seat allocation through DHE portal, visit college website https://mcmdavcwchd.edu.in/centralized-admission-procedure/ for referring college admission instructions.

Important Instructions

- Applicant is required to use different Email ID for each course she is applying for. One Email ID can be used to apply/register for one course only.
- Applicants will fill the admission form online and bring the printed copy of the form in the college on the notified admission dates.
- Those approved for admission will proceed to pay the Admission Fee online through Net Banking/RUPAY only Debit Card/ Credit Card/ UPI/QR. Fee is to be paid within the stipulated time.
- While paying the fee, applicant should wait over the screen until 'Success' status is flashed. Otherwise fee payment process might remain incomplete.
- Fee paid status can be checked on dashboard by clicking 'Online Payments' option in the left pane.
- Applicants willing to join hostel should fill Hostel Admission Form separately, using the same login credentials and dashboard which they used for College Admission. See Hostel Prospectus on College Website for details.

Annual Fee

Annual Charges including Tuition Fee and Admission Fee (2024-25)

Course	Semester I & II	Semester III & IV	Semester V & VI
BA	25343	23693	24193
BA (Office Management)	30563	28913	29413
BSc (Medical)	32081	30431	30931
Bsc (Non-Medical)	31181	29531	30031
BSc (Computer Application-Elective)	37181	35531	36031
BSc (Microbial & Food Technology)	56215	54565	55065
Bcom	36321	34671	35171
BCA	56215	54565	55065
BBA	48725	47075	47575
BVoc (Retail Management)	26497	25913	26413
MA (English, Sociology & Economics)	31804	30820	
MA (Psychology)	34473	33489

INTERNAL ASSESSMENT

Undergraduate Classes

Based on MST, Projects, Class Performance and Attendance as per Panjab University guidelines.

Practical Examination: As per the University guidelines

Postgraduate Classes

Based on MST, Projects, Class Performance and Attendance as per Panjab University guidelines.

Practical Examination: As per the University Guidelines

- Attendance in the MST conducted by the College is compulsory
- Absence /Failure in MST may disqualify a student from appearing as a regular College student in the University Examination.
- No Re-exam will be held for the student who is absent in MST. However, students who miss the Examination while representing College in sports or cultural events and students with a medical emergency condition can be allowed to appear in the special test. The participating students and medical emergency cases must submit an application duly signed by the Teacher-in-charge to the Dean, Examinations.
- The PUPIN Number issued by the University in the 1st year is valid for the duration of the entire UG/PG course.

University Examination

Tentative Dates

- Odd Semester Examination will be conducted by Panjab University in December 2024.
- Even Semester Examination will be conducted by Panjab University in May-June 2025.
- Practical Examination will be held by Panjab University as per the schedule.

A student will be eligible to appear in the University examinations as a regular student of the College only if she has:

- Remained on the rolls of the College for the academic year preceding the examination and has paid the examination fee for each semester as per Panjab University guidelines.
- Attended not less than 75 percent of the total number of lectures delivered and tutorials and practicals held in each of the subjects offered.
- Obtained at least 25 percent marks in aggregate of all the subjects in the MST conducted by the College.
- Students with practical subjects / BCom cannot appear privately. Such students who do not qualify the MST would be detained for a year.
- In practical subjects a student must obtain at least 25 per cent marks in theory and practical examination separately.

Note: MST /Final Examination/ Practical Examination will be conducted as per guidelines of Panjab University, Chandigarh, because the college follows the Academic Calendar issued by Panjab University.

Skill Development and Entrepreneurship Courses

The College understands the value of skills as an important component of wholesome personality as also for earning livelihood. Apart from creating an ecosystem that instills an interest in acquiring new skills, the College continually endeavors to impart varied skills in a structured manner.

A landmark was achieved by the College in 2019 when the College got registered and accredited as a Training Centre (TC 111709) under the aegis of Ministry of Skill Development and Entrepreneurship, Government of India. The College is the first one in northern India to acquire this status.

The College has the distinction of being recognized as Vocational Education Nai Talim Experiential Learning (VENTEL) Action Plan Institution by Mahatma Gandhi National Council of Rural Education, Ministry of Human Resource Development, Government of India, under which the College is offering various courses following New Education Policy (NEP) guidelines.

Skill Development Worshops to be conducted under VENTEL Action Plan Institution in collaboration with MGNCRE in the College in 2023-24 are as under:

- Short-Term Course on Entrepreneurship Development
- Workshop cum Course on "Laboratory Diagnostic Education and Hands on Training"
- Course on Digital Marketing
- Course on Video Editing
- Hands on Training workshop on Oyster Mushroom Cultivation
- Course on Soft Skills
- Hastkala :Developing skills in Fabric ornamentation
- "Swaad Bhi Sarakshan Bhi"-Preserving Nature's Bounty
- Workshop on Upcycling of old clothes (Waste to Art)
- Research Methodology; Tools, Trends and Methods
- Workshop on Beekeeping for Beginners
- Entrepreneurship and Photo Editing
- Workshop on Abstract Expression
- Workshop on Basic Gardening techniques and Sustainable Urban Farming
- Workshop on The Art of Scientific Research Writing
- Green Chemistry Course
- Course on Goods and Service Tax
- Course on Phython Programming
- Basic course on Cosmetology
- Couse on LaTex and Web Designing
- Green Computing Course
- Basic course on Geriatric care and Counselling
- Course on Data Analysis with Excel
- Speech Skills in English
- Course on Interior Designing and Decoration
- Basic Course on Fashion Designing
- Course on Creative Writing
- Course on Event Management
- Basic Administrative Skill training course
- Course on Business and Office Communication
- Course on "Music: The Rhythm of Soul"
- Basic Course on Applied Hindi in field of Journalism and Media
- Course on Museology and Conservation

The Ministry of Food Processing Industries, Government of India has recognized the College as the only technical institution in Chandigarh for providing training in bakery and food processing. We are organizing training sessions for this skill for past two years.

In line with the vision of Skill India, the College is instrumental in making the youth ready for life and for employment. Numerous certified short duration skill-based activities, workshops and courses are also carried out in the College to reiterate the vital role of skills in life.

The following workshops have been held (while some will continue others can be held again):

- Be A Health Manager (Series 1: 2019) (Series 2: 2020)(Series 3:2021) (Series 4: 2022) (Series 5: 2023) (Series 6: 2024)
- Sustainable Urban Farming (Since 2018)
- Beyond Boundaries: A Course in Translation
- Be a GST Expert
- Data Analytics
- Yoga
- Self Defense Training with Chandigarh Police
- Sustain And Beable (Workshop On Organic Farming)
- Learning The Nuances of Rearing Ornamental and Organic Plants
- Protect The Platter (Workshop on Food Preservation)
- Be The Breadwinner (Entrepreneurship: Opportunities and Challenges)
