Principal's Message

As the world moves towards more and diverse technologies, it has become imperative to understand the implications for the respective socio-economic systems.

New Education Policy 2020 is one of the responses of the Government of India to the changing scenario. As an affiliated college of Panjab University, our institution takes immense pride in being at the forefront in the field of running skill courses. Extending full-fledged support to the Panjab University in the implementation of NEP 2020, the College introduced a variety of Skill Enhancement Courses, approved by Panjab University. The faculty was encouraged to design curricula of various Skill Enhancement Courses which are at various stages of processing at the University for approval. The College has grown by leaps and bounds under the abundant blessings of Padma Shri Dr. Punam Suri Ji, Honourable President, DAV College Managing Committee. My heartfelt gratitude to him for his constant guidance and benevolence.

I express my immense gratitude to Skill Development Committee led by Dr. Gurvinder Kaur for their continuous efforts in promoting Skill Development in the institution and beyond.

Dr. Nisha Bhargava

Principal

Message from Chief Coordinator

The contemporary nature and extent of changes happening worldwide is disturbing various balances: rural-urban, technology-manual, jobs-entrepreneurship, and so on. It has become imperative to keep oneself abreast of how all the changes are impacting oneself and one's institution. Learning of new skills and upgrading one's existing skills is no more a luxurious choice, but a necessity. This is not just for one's economic progress but also to keep one physically, mentally and emotionally healthy. The College endeavours to incorporate inter-disciplinary elements and values in all its Skill Enhancement Courses with a view to chisel well-rounded personalities, befitting a confident and kind world. I am grateful to Principal Dr. Nisha Bhargava, for her continual encouragement, guidance and support in skill based endeavours.

जहन में छुपी कहानी को शब्दों के जरिए बाहर लाना चाहिए

Writing Workshop

शुक्रवार को चंडीगढ़ सेक्टर-36 में चंडीगढ़ लिटरेरी सोसायटी की ओर से क्रिएटिव राइटिंग वर्कशॉप एक्सप्लोरेंट आयोजित की गई।

विधि विवेकर | लेखक

चंडीगढ़ लिटरेरी सोसायटी की ओर से शुक्रवार को चंडीगढ़ सेक्टर-36 के एमसीएस टॉप्लैंड में क्रिएटिव राइटिंग वर्कशॉप एक्सप्लोरेंट आयोजित की गई। इसमें बताया गया कि किस तरह से लिखना सीखकर साहित्य की दुनिया में प्रवेश किया जा सकता है। वर्कशॉप को लीड देव्यानी मिश्र और शुभंघी सिंह ने किया। इसमें मौजूद सीटलएस

को वेयरपर्सन सुमित मिश्रा ने कहा - शब्दों में बहुत ताकत होती है। जो बात जहन में कहीं दबी होती है, वो भी शब्दों के जरिए बाहर आ जाती है। अगर वह सब कहना और सुनना तभी भात है जब कहानी को कहना आता हो। इसके लिए जरूरी है कि हम पहले कहानियाँ, कविताओं को पढ़ें। जितना

पढ़ते जाएँ उतना ही ज्यादा लिखने की विश्वास को संभलते जाएँ। हर दिन कुछ लिखने को कोशिश करें और अपने भावों को तर्कों में पिरोने की कोशिश करें। इसमें हिमेश्वर दाँ, निराला भार्गव, अरुणमन यादवी भी मौजूद रहे। कार्यक्रम में सुमित मिश्रा ने अनादरस करते हुए कहा- 'जद ही सीटलएस

शुरू विद्याभिवृत्ति के लिए इंग्लिश मेमोरिज प्रोग्राम शुरू करने जा रहा है। हमने स्टूडेंट्स के लिए इंग्लिश प्रोग्राम भी शुरू कर दिए हैं। नवंबर में हम लिटरेरी की शुरुआत कर रहे हैं जिसमें स्टूडेंट्स को खास नोड है। हम चाहते हैं कि आप आर्ग और लेखकों व कवियों से मिलकर बात करें।

क्रिएटिव राइटिंग से जुड़े कुछ टिप्स

- लिखने से पहले पढ़ने की बुराआत करें। लिखने का जग लव भी पढ़न नहीं छोड़ें।
- अपने रीडर को कभी कल ना अकेले। कोई भी लिखने को इतना मत बढ़ाएं जिसकी जरूरत ही न हो। जितना हो सके, एडिट जरूर करें। एडिटींग जग के कलम को केपट बनानी।
- हर एक लिखकर का बारी-छाट जेते तैयार करें जेते कि वह कोई अलग इंसान हो। उसकी हर पंख से तैयार न-पंख और बात करने का तरीका पता होना चाहिए।
- कबो के लव डीनर कर कभी भी ऐसे कब व इरोकल करें जो पढ़ने वाले को रुझा ही न आ।
- अपनी बात को तें कोई भी कह सकता है, अगर आप कल्पने की बजाय ऐसे लिखें की कहानी अंको के अगे बौड जाए।
- कहानी की बुराआत को हुक कहा जाता है। पढ़ने ही पढ़ने वाले को रोडम से जेड देने तें प्यार बंटना नहीं।
- एडिट का भी बेहद प्यार रखो।

Workshop on Khadi Bag Making

The NSS units of Mehr Chand Mahajan DAV College for Women in collaboration with the Home Science Department of the college organized a "Khadi Bag Making" workshop on 20th October, 2023. This activity was meant to reinforce the skill-oriented initiatives envisioned by the Government of India to empower youth. Resource person, Ms Rati Arora initiated the participants into a very creative and useful skill of making Khadi tote bags. Students got this wonderful opportunity to

reconnect with the rich legacy pioneered by Mahatma Gandhi in colonial times as he emphasized the need for self-reliance as a tool to fight the British Empire. The workshop briefed the 20 participants about various measures and initiatives being undertaken by the government to promote local artisans in the Khadi industry. The workshop was followed by a pledge to promote the use of domestic Indian products. Principal Dr. Nisha Bhargava appreciated this endeavour and motivated the students to follow the footprints of Gandhi Ji.

एमसीएम ने 'खादी बैग निर्माण कला' पर कार्यशाला का किया आयोजन

फास्ट मीडिया

अमृत्या, चंडीगढ़। मेहर चंद महाजन डीएवी महिला महाविद्यालय, सेक्टर 36-ए, चंडीगढ़ की एनएसएस इकाइयों ने कॉलेज के गृह विज्ञान विभाग के सहयोग से 'खादी बैग निर्माण कला' कार्यशाला का आयोजन किया। खादी हमारे स्वतंत्रता संग्राम का महत्वपूर्ण प्रतीक है और कार्यशाला का उद्देश्य युवाओं को खादी के उपयोग के प्रति संवेदनशील बनाना और रचनात्मक तरीके से उनमें भारतीय विरासत के प्रति गौरव की भावना विकसित करना था। इस कार्यशाला में गृह विज्ञान विभाग की सहायक प्रोफेसर, सुश्री रति अरोड़ा प्रमुख चक्ता के रूप में शामिल हुईं। कार्यशाला में प्रतिभागियों ने खादी टोट बैग बनाने का कौशल सीखा, जिससे माध्यम से भारत सरकार द्वारा कौशल-उन्मुख पहल को मजबूती प्रदान करते हुए युवाओं को सशक्त बनाने का प्रयास किया गया। इसमें 25 विद्यार्थियों ने भाग लिया। सरकार की पहल पर कार्यशाला में स्थानीय कारीगरों को बढ़ावा देने के लिए खादी उद्योग विषय पर एक जानकारीपूर्ण सत्र भी शामिल रहा। इसके बाद स्थानीय स्तर पर बने उत्पादों के उपयोग को बढ़ावा देने की शपथ ली गई। कॉलेज प्राचार्या डॉ. निशा भागव ने एनएसएस के प्रयासों की सराहना की और विद्यार्थियों को महात्मा गांधी के पदचिह्नों पर चलने के लिए प्रेरित किया। उन्होंने कहा कि खादी सिर्फ कपड़े का टुकड़ा नहीं बल्कि भारत की आत्मनिर्भरता, आर्थिक सशक्तिकरण और एकता का प्रतीक है।

Workshop on Tally Accounting Software

Mr. Manish thoroughly described the standard seven steps required to establish the business. The information about several government schemes for

startup funding assistance was shared during the session. Specific schemes of Central government assisting women entrepreneurs was also highlighted. A total of 83 attended the session enthusiastically. The participants across the various streams such as B. Com and BBA turned up in good number. 3 faculty members became part of the mentorship session. The session meant to motivate the young participants about identifying the problems and come up with innovative ideas to encounter those problems. The students showed keen interest and learnt through the real-life examples of successful ventures given by the speaker. The participants proactively engaged themselves with the process to understand how to do research to identify the problems, screening of the ideas, gestation period, Testing & Criticism. The students were benefitted from the friendly approach of the speaker to clear the myths about the entrepreneurship such as risk vs. reward, financial capital vs. human capital, first movers vs. improvers, large mass movements etc.

Promoting Positive Personality Development among Youth

The Personality development Cell of Mehr Chand Mahajan DAV College for Women in collaboration with the Medical Committee of the college, organized an expert talk on the title, **“Promoting Positive Personality Development among Youth”** by the resource person, Dr. Prabhjot Malhi, Consultant (Child Psychology) Fortis Medcentre, Chandigarh on 26th September 2023. Dr. Prabhjot initiated her lecture by discussing a few case studies which were a clear reflection of the challenges faced by the younger generation today. She mentioned that the youth is getting distracted due to excessive intervention of social media. The unrealistic virtual media is promoting a self-centred, irresponsible new generation. She urged the students to develop a sense of responsibility towards their bigger goals and forge internal and external assets viz competence, values and relationships, opportunities etc. apart from a disciplined life. The adverse effects of growing anxiety in life can be combated by opening the door of one’s heart to friends and parents. The

सोशल मीडिया के प्रयोग से भटक रहे युवा

चंडीगढ़। सेक्टर-36 स्थित एमसीएम डीएवी कॉलेज के व्यक्तित्व विकास प्रकोष्ठ ने मेडिकल कमेटी के सहयोग से युवाओं में 'सकारात्मक व्यक्तित्व विकास को बढ़ावा देना' विषय पर सत्र का आयोजन किया गया। इसमें बाल मनोविज्ञान सलाहकार डॉ. प्रभजोत मल्ही बतौर प्रमुख वक्ता शामिल हुए।

उन्होंने बताया कि सोशल मीडिया के अत्यधिक प्रयोग के कारण युवा वर्ग भटक गया है। उन्होंने विद्यार्थियों को अपने लक्ष्यों के प्रति जिम्मेदारी की भावना विकसित करने, अपनी क्षमताओं और मूल्यों का विकास करने का आग्रह किया। कहा कि जीवन में प्रतिकूल परिस्थितियों से बचने के लिए आवश्यक है कि हम अपने दिल के द्वार अपने मित्रों और परिवारजनों के लिए सदा खुले रखें। उन्होंने कहा कि सोशल मीडिया से युवाओं में अवसाद बढ़ रहा है। फेसबुक से डिप्रेशन का खतरा 7% और चिड़चिड़ापन का खतरा 20% बढ़ा है। सोशल मीडिया ने मोटापा, अनिद्रा और आलस्य की समस्या बढ़ा दी है। व्याख्यान में सभी संकायों के 56 विद्यार्थियों ने भाग लिया। कॉलेज प्राचार्य डॉ. निशा भार्गव ने दोनों समितियों के संयुक्त प्रयासों की सराहना की। ब्यूरो

Unveiling the Inner Sanctuary through Prayerful Cleansing

The Character-Building Committee in collaboration with Swachhta Committee (Commerce) of Mehr Chand Mahajan DAV College for Women, Chandigarh organized a session on 'Unveiling the Inner Sanctuary through Prayerful Cleansing' on 2nd November 2023. The interactive session on the topic 'Unveiling the Inner Sanctuary through Prayerful Cleansing' was organized by five student ambassadors. It was aimed at cleaning your inner self by praying and expressing gratitude to the God for everything, and cleaning ourselves from the demons of anger, hatred, jealousy, revenge, ignorance, comparison, etc. The five student ambassadors of Character-Building Committee gave presentation and showed the video edited by them. A total number of 80 participants and 4 faculty members have attended this session. The concept of religion was introduced where it showed that it is just a mere thought wherein religions were demarcated. We do belong to different religions but all rituals, practices, prayers are submitted at only one reception and that is the divine power GOD. We do call it Bhagwan, Allah, Guru and Jesus. The video showed how people extended gratitude before eating their food, and how people started wasting food for the sake of some mere likes on social media. The presentation revolved around the concept of cleaning the inner self which can be done by eating healthy food and praying to God. This was portrayed by showing the transition from the old era when everything was green and clean, and people shared

warm relations turning to times when wars began, hatred spread among masses and people dying of hunger.

It was concluded that there are certain things that we can take into practice and cleanse ourselves by unveiling the inner sanctuary and that can be done by waking up early and praying, showing gratitude to God, eating healthy, avoiding mobiles, anger management, and stopping fighting because of religion and detaching yourself with everything which is toxic for you. College Principal Dr. Nisha Bhargava applauded the students for their endeavors, shared her personal experiences and motivated the students.

Five Days Skill Workshop on “Laboratory Diagnostics Education and Hands-on-Training”

Nai Talim envisioned by Gandhi ji refers to holistic approach for nurturing mind, body and soul. It is based on the thought that education should be centred around productive work and knowledge. Experiential learning, focuses on acquiring skills and knowledge through hands-on activities essential for transforming knowledge into functional experience for application in day-to-day life. The purpose of this workshop was to institutionalize Vocational Education Nai Talim Experiential Learning (VENTEL) and develop knowledge, skills and attributes

necessary for sustainable development of the learner. The objective of the workshop was to apprise the students on the technical aspects of laboratory diagnostic techniques, scope and future prospects of this field as career option etc., to provide deep knowledge on fundamental as well as advanced diagnostic techniques used (both microbiology based and immunology based) and to enhance the practical quotient of the students and make them apprise of key parameters of research such as designing an experiment, precautions to be taken, trouble shooting, result observation and final reporting etc.

With the primary objective of imbibing the culture and spirit of Mahatma Gandhiji’s Nai-Talim and Experiential learning concept, Mehr Chand Mahajan DAV College for Women, Chandigarh –a recognized Vocational Education-Nai Talim-Experiential Learning (VENTEL) Action Plan Institution under the aegis of SES REC cell of the college in association with Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Education, Govt of India, organized a “Laboratory Diagnostics Education and Hands-on-Training” from 08th Jan 2024 to 12th Jan 2024.

Principal madam Dr. Nisha Bhargava laid emphasis on the importance of more such hands-on training workshops to be conducted for the students as part of skill enhancing initiatives. The skill workshop was initiated with the interactive lecture delivered by Dr. Vandana Sharma

The poster is for a workshop held at Mehr Chand Mahajan DAV College for Women, Sector 36-A, Chandigarh. It is organized in association with the Mahatma Gandhi National Council of Rural Education, Ministry of Education, Govt. of India. The workshop is titled 'FIVE DAYS SKILL WORKSHOP ON "LABORATORY DIAGNOSTICS EDUCATION & HANDS-ON-TRAINING"'. The dates are 08-12 Jan, 2024. The course fee is Rs 700/-. The nodal officer is Dr. Vandana Sharma, and coordinators are Dr. Sandeep Kaur and Dr. Kirti Singla. The workshop is organized by Dr. Nisha Bhargava, Convener and Principal. giving a detailed insight into the basics of lab diagnostic techniques, scope and future prospects of lab diagnosis as a career option. Further, Dr. Sandeep Kaur gave a comprehensive lecture on immune system of our body, immune cells, their working, and how to restore and maintain our immune health. On day 2 onwards, the workshop was focused on providing hands-on training wherein the students were demonstrated the various microbiological and immunological diagnostic techniques such as staining, antibiotic susceptibility assays, radial immunodiffusion, differential leukocyte count (DLC), agglutination and precipitation reactions and advanced techniques such as direct and indirect ELISA in detail. The workshop witnessed a participation of 33 students from the college and they showcased enthusiastic participation in all the practical sessions and expressed that workshop on advanced lab diagnostics techniques may be pursued in future. The workshop was highly appreciated by all the participants and it laid the foundation and gave direction for future VENTEL activities to be adopted by the institution.

HUMAN IMMUNE SYSTEM

- The immune system is a complex system that is responsible for distinguishing us from everything foreign to us and for protecting us against infections and foreign substances. The immune system works to seek and kill invaders.
- The study of immune system is known as immunology.

Six Days Online Summer Bridge Course on “Life Threatening Microbial Pathogens and Vaccinology” (Understanding Disease Prevention and Therapy)

Six Days Online Summer Bridge Course on “Life Threatening Microbial Pathogens and Vaccinology” (Understanding Disease Prevention and Therapy) was organized by Mehr Chand Mahajan DAV College for Women, Chandigarh, a recognized Vocational Education-Nai Talim-Experiential Learning (VENTEL) Action Plan Institution in association with Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Education, Govt of India under VENTEL cell from 03rd June 2024 to 08th June 2024. Nai Talim envisioned by Gandhiji, refers to holistic approach for nurturing mind, body and soul. It is based on the thought that education should be centred around productive work and knowledge and work are inseparable. Experiential learning, focuses on acquiring skills and knowledge through hands-on activities essential for transforming knowledge into functional experience for application in day-to-day life. The purpose of this workshop was to institutionalize Vocational Education Nai Talim Experiential Learning (VENTEL) and develop knowledge, skills and attributes necessary for sustainable development of the learner. The objective of this workshop are to apprise students of the role of microbial pathogens in causing infectious diseases, understanding disease prevention and treatment interventions available, to provide deep knowledge on fundamental as well as advanced diagnostic techniques used and to impart the students about the key concept and basis of vaccine, recent trends and advances made in the field of vaccines.

The week-long bridge course was focused in giving up to date knowledge and recent advancements in the field of clinical microbiology, microbial pathogens, infectious diseases caused by them, preventive measures available with special emphasis on vaccines to the participants.

Principal madam Dr. Nisha Bhargava laid emphasis on the importance of the bridge course and the topic of disease prevention and therapy which will enable the students to enhance their scientific knowledge and research quotients as well. The course witnessed enthusiastic participation from 21 dedicated students. This intensive bridge course was designed to provide in-depth knowledge and understanding of microbial pathogens and vaccinology, essential for students aiming to excel in the field of microbiology and related sciences. It aimed to bridge the gap between high school graduates, undergraduates, and advanced research or professional courses, offering valuable insights and hands-on knowledge to all participants. Dr. Vandana Sharma kicked off the course with an introductory lecture on pathogens, detailing their types and modes of transmission, setting a strong foundation for the subsequent lectures. Dr. Sandeep Kaur followed with an in-depth discussion on virulence factors and covered significant

bacterial, fungal, and viral infections. Dr. Deepika Malik shared her expertise on vaccines, covering their mechanisms, types, and the latest trends in vaccinology. All the sessions were highly engaging, enriched with amazing and interesting facts. To ensure comprehensive understanding, Dr. Kirti Singla conducted a thorough assessment, evaluating the knowledge gained by the participants throughout the course. The course not only enhanced their academic credentials but also significantly contributed to their future endeavours in the field of microbiology, equipping them with the knowledge and skills to excel in their careers. The students showed enthusiastic participation and the bridge course got positive feedback from the participating students who expressed their wish to have more of such skill-based courses in the field of medical microbiology.

Personalized Vaccines

Personalized vaccines are the **next generation of vaccines** that are showing promise in **treating difficult cancers** when given with immune checkpoint therapy.

- **Customization:** The vaccine is developed *based on the patient's own cells or genetic information*. For cancer vaccines, this might involve identifying unique mutations in a tumor.
- **Antigen Selection:** Specific antigens that are unique to the individual's disease are selected to create the vaccine.
- **Vaccine Production:** Using these personalized antigens, a vaccine is formulated that targets the unique features of the patient's disease.
- **Immune Response:** The tailored vaccine stimulates the patient's immune system to recognize and attack the specific antigens, providing a highly targeted immune response.

Latest Trends in Vaccine Development

- **Neoantigen Vaccines:** Designed based on the unique mutations (neoantigens) found in a patient's tumor.
- **Provenge (Sipuleucel-T):** A therapeutic cancer vaccine for prostate cancer that uses the patient's own immune cells.

Yoga Programme on the theme 'Yoga for Women Empowerment' to mark the celebration of International Yoga Day

Celebrating International Yoga Day with the theme "Yoga for Women Empowerment" emphasizes the transformative power of yoga in women's lives. This theme focuses on how yoga can enhance women's physical strength, mental well-being, and self-confidence. By fostering self-awareness and promoting holistic health, yoga empowers women to achieve balance and resilience, thereby contributing to their overall development and enabling them to better navigate personal and professional challenges. The NSS units and Physical Education Department of Mehr Chand Mahajan DAV College for Women in Chandigarh, in collaboration with the Viksit Bharat Abhiyan Committee, celebrated the 10th International Day of Yoga on 21st June 2024. The theme of the event was "Yoga for Women Empowerment" under the broader theme of "Yoga for Self and Society." Worthy Chief Guest Ms. Kanwar deep Kaur, SSP, Chandigarh, graced the event and a token of gratitude was handed over to the worthy Chief Guest by Madam Principal. Keisham Monarita, a national and international gold medallist in yoga, conducted a session. The event also included the felicitation of the college sports persons who had won medals in various competitions, including Panjab University Inter College, All India Inter-University level, Khelo India Games, and North Zone All India University Games. The Principal Dr Nisha Bhargava congratulated the winners and exhorted all the participants to practise Yoga for their holistic well-being.

एमसीएम ने पूर्णउत्साह के साथ 10वां अंतरराष्ट्रीय योग दिवस मनाया

चंडीगढ़, स्टेट समाचार।

मेहर चंद महाजन डीएवी महिला महाविद्यालय, चंडीगढ़ की एनएसएस इकाइयों और शारीरिक शिक्षा विभाग ने कॉलेज की विकसित भारत अभियान समिति के सहयोग से 10वें अंतरराष्ट्रीय योग दिवस के अवसर पर 'योगा फॉर सेल्फ एंड सोसाइटी' की व्यापक थीम के अंतर्गत 'योगा फॉर वीमेन इम्पावरमेंट' विषय पर एक कार्यक्रम आयोजित किया। इस कार्यक्रम में चंडीगढ़ की एमएसपी सुश्री कंचरदीप कौर मुख्य अतिथि के रूप में उपस्थित थीं।

सुश्री कंचरदीप, जो स्वयं पिछले 11 वर्षों से योग का अभ्यास कर रही हैं, ने इस तथ्य पर प्रकाश डाला कि आज की भागदौड़ भरी जीवनशैली में स्वास्थ्य पीछे छूट जाता है। उन्होंने यह भी कहा कि हमारे विचार हमारे शरीर का मार्गदर्शन करते हैं, जिससे हमारे स्वास्थ्य पर प्रभाव पड़ता है और यहीं पर योग की भूमिका आती है क्योंकि यह हमारे विचारों को शुद्ध

करता है, तनाव से राहत देता है और न केवल शारीरिक स्वास्थ्य को बढ़ावा देता है बल्कि हमारे मन और आत्मा को भी संतुलित रखता है। उन्होंने यह भी कहा कि नकारात्मक विचारों को दूर रखना और अपने लक्ष्य पर ध्यान केंद्रित करना जीवन का सार है और योग हमें लक्ष्य पर ध्यान केंद्रित करने की क्षमता प्रदान करता है। इस कार्यक्रम में राष्ट्रीय एवं

अंतरराष्ट्रीय स्तर पर योग में स्वर्ण पदक विजेता सुश्री केशम मोनारीटा ने एक योग सत्र आयोजित किया। सुश्री मोनारीटा ने सामान्य योग दिवस प्रोटोकॉल में उल्लिखित सभी आसनों का प्रदर्शन किया। प्रतिभागियों ने ताड़ासन, वृक्षासन, त्रिकोणासन आदि जैसे आसन किए और कपालभाति, अनुलोम-विलोम जैसे श्वास व्यायाम भी किए। सत्र में

विद्यार्थियों और संकाय सदस्यों सहित 100 से अधिक प्रतिभागियों ने उत्साहपूर्वक भाग लिया। इसके बाद कॉलेज के उन खिलाड़ियों को सम्मानित किया गया, जिन्होंने पंजाब यूनिवर्सिटी इंटर-कॉलेज, ऑल इंडिया इंटर-यूनिवर्सिटी लेवल, खेलो इंडिया गेम्स और नॉर्थ जोन ऑल इंडिया यूनिवर्सिटी गेम्स में विभिन्न खेलों में पदक प्राप्त किए थे। लगभग 40 विजेताओं को उनकी उत्कृष्ट उपलब्धियों के लिए नकद पुरस्कार देकर सम्मानित किया गया। प्राचार्या डॉ. निशा भार्गव, जो चार दशकों से अधिक समय से योग से जुड़ी हुई हैं, ने इस अवसर पर अपने विचार व्यक्त करते हुए कहा कि योग मन और शरीर की एकता, विचार और क्रिया, मानव और प्रकृति के बीच सामंजस्य, स्वास्थ्य और कल्याण के लिए समग्र दृष्टिकोण का प्रतीक है। उन्होंने विद्यार्थियों को समग्र स्वास्थ्य को ध्यान में रखते हुए अपने दैनिक जीवन में योग को अपनाने के लिए प्रेरित किया।

MCM celebrates 10th International Yoga Day with fervour

June 21, 2024 03:07 PM

CHANDIGARH, 21.06.24 - The NSS units and Physical Education Department of Mehr Chand Mahajan DAV College for Women, Chandigarh, in collaboration with the Viksit Bharat Abhiyan Committee of the college, marked the celebration of 10th International Day of Yoga with an event on the theme 'Yoga for Women Empowerment' under the overarching theme of 'Yoga for Self and Society'.

The event was graced by Ms. Kanwardeep Kaur, SSP, Chandigarh, as the Chief Guest. Ms. Kanwardeep, who herself has been practising yoga since the last 11 years, highlighted the fact that today's fast paced lifestyle makes health take a backseat. She added that our thoughts guide our body, thereby impacting our health, and this is where yoga comes into play as it cleanses our thoughts, relieves stress and not just promotes physical health but also takes care of our mind and soul. Ms. Kanwardeep reiterated that keeping negative thoughts at bay and focusing on one's goal is the essence of life and is also the greatest learning from yoga.

As part of the celebration, Ms. Keisham Monarita, a Gold Medalist in Yoga at National and International level, conducted a yoga session. Ms. Monarita demonstrated asanas as mentioned in common yoga day protocol. The participants performed asanas like tadasana, vrikshasana, trikonasana, etc. and also practised breathing exercises like kapalbhati and anulom-vilom.

Principal Dr. Nisha Bhargava, who is an ardent follower of yoga practice for more than four decades, asserted that yoga symbolises the unity of mind and body; thought and action; harmony between human and nature, and a holistic approach to health and well-being. She motivated the students to adopt yoga in their everyday life for ensuring holistic health

Rock-Climbing workshop

The Rock-Climbing workshop was held for one week in college premises in collaboration with Chanigarh Naval Unit. In this activity 50 cadets from naval wing and students of sports and other departments took part. The students were given practical experience to manage the safety equipment during rock climbing. Technique of climbing and belaying was also taught to students. The final event was organised in collaboration with decathlon. Only female participants were allowed.
