

Report of Exit Survey (2023-24)

An educational institution plays a crucial role in imparting knowledge, skills, and cultural values to students through a systematic approach. As students are the primary stakeholders of an educational institution, it is essential to evaluate their aspirations and needs to enhance the quality of the teaching-learning process. To gather student feedback, our institution employs a structured questionnaire covering diverse aspects such as curriculum, infrastructure, governance, and student support services. Outgoing students are requested to fill the questionnaire online, providing their response on a five-point scale ranging from 1 for Strongly Disagree to 5 for Strongly Agree. For the session 2023-24, we received feedback from 522 students, and the findings are presented below.
