## आर्य समाज के नियम

1. सब सत्य विद्या और जो पदार्थ विद्या से जाने जाते हैं, उन सब का आदि मूल परमेश्वर है।
2. ईश्वर सच्चिदानंदस्वरूप, निराकार, सर्वशक्तिमान, न्यायकारी, दयालु, अजन्मा, अनंत, निर्विकार, अनादि, अनुपम, सर्वाधार, सर्वेश्वर, सर्वव्यापक, सर्वातिर्यामी, अजर, अमर, अभय, नित्य, पवित्र और सृष्टिकर्ता है, उसी की उपासना करने योग्य है।
3. वेद सब सत्य विद्याओं का पुस्तक है। वेद का पढ़ना-पढ़ाना और सुनना-सुनाना, सब आर्यों का परम धर्म है।
4. सत्य के ग्रहण करने और असत्य के छोड़ने में सर्वदा उद्यत रहना चाहिए।
5. सब काम धर्मानुसार, अर्थात् सत्य और असत्य को विचार करके करने चाहिए।
6. संसार का उपकार करना इस समाज का मुख्य उद्देश्य है। अर्थात् शारीरिक, आत्मिक और सामाजिक उन्नति करना।
7. सबसे प्रीति-पूर्वक, धर्मानुसार, यथायोग्य वर्तना चाहिए।
8. अविद्या का नाश और विद्या की वृद्धि करनी चाहिये।
9. प्रत्येक को अपनी ही उन्नति से संतुष्ट न रहना चाहिये, किंतु सबकी उन्नति में अपनी उन्नति समझनी चाहिए।
10. सब मनुष्यों को सामाजिक सर्वहितकारी नियम पालने में परतंत्र रहना चाहिये और प्रत्येक हितकारी नियम में सब स्वतंत्र रहें।

## Institution at a Glance

Established in 1968, Mehr Chand Mahajan DAV College for Women commemorates the lasting legacy of Swami Dayanand Saraswati ji and the exemplary contribution of Justice Mehr Chand Mahajan, the third Chief Justice of India and former Prime Minister of Jammu & Kashmir, in the field of education and nation building. The foundation stone of the college was laid by the then Vice-President of India Dr V.V. Giri. The institution has shown phenomenal growth under the able guidance of Dr Punam Suri, Padma Shree Awardee, President, DAV CMC, New Delhi.

The College has emerged as a coveted seat of learning, academic distinction, and innovation. In 2018, a historic milestone was the visit by Sh Ram Nath Kovind, the then President of India, to mark the Golden Jubilee celebration of the Institution. College was reaccredited with Grade 'A' by NAAC in 2023 and finds a place in the Rank Band 101-150 in NIRF Rankings 2024. The college has received generous grants from RUSA, DST (FIST), ICSSR, ICMR and Biotechnology Industry Research Assistance Council. We are ranked among the top most colleges in India in accordance with the national assessment surveys conducted by leading periodicals.

Our consistent efforts bear testimony in the shape of excellent results in academics. A total of 93 top positions were bagged by our diligent students in Panjab University Examinations held in December 2023 and May 2024. The institution hones the ability of budding athletes and chisels them into National and International medal-winning sports persons. The college has been the winner of the Panjab University Women's General Efficiency Sports Shield 41 times since inception. Rooted in the rich Arya Samaj principles, we religiously promote our Vedic values by organizing a havan every month.

Giving a niche to talented students from varied walks of life, the institution shapes them into forerunners of wide-ranging vocations and prospective leaders. The journey, so far, has been immensely rewarding and the institution shall continue to rise from strength to strength and scale the zenith of excellence.

## From the Principal's Desk

Academic spectrum in our country has gone through an unprecedented transformation since the National Education Policy-2020 was rolled out. In the current scenario, higher educational institutions have a pivotal role in empowering our youth to develop scientific temper, intellectual rigor, cultural inclusivity and moral vision. These virtues will, for sure, guide our youth to contribute meaningfully and build a vibrant and resurgent India, marching confidently towards a glorious future.

We, at MCM, have embraced the new system with a spark of hope, enthusiasm and confidence as the first year of the NEP-2020, implementation saw us navigating our path from a traditional curriculum to the palette of diverse courses aimed at broadening the horizons of young minds. Our Skill-Enhancement, Value-Added and Multi-Disciplinary Courses have supplemented the learners' knowledge and, fostered a culture of research and innovation. Our classroom teaching is seamlessly blended with expert lectures, experiential learning, internships, live projects and field visits. The journey during the last academic session has strengthened our resolve that education, like life itself, is a process which spells continuity, courage and conviction.

Our institution, under the visionary leadership of Dr Punam Suri, Padma Shree Awardee, Hon'ble President, DAV College Managing Committee (DAV CMC), New Delhi, Justice Pritam Paul (Retd), Hon'ble Vice-President and Sh Shiv Raman Gaur, IAS (Retd.), Ho'ble Director Higher Education, DAV CMC, New Delhi, remains committed to upholding the perennial values embedded in our rich Vedic legacy. The Principles of Arya Samaj will, forever, enlighten our path as the beacon of light and learning. We strive to impart holistic education to our young women so that they lead by example and become ambassadors of a cohesive, equitable and just society.

## Lasting Impressions

I congratulate MCM on completion of its 50 years and appreciate the unprecedented role of the College in empowering young women leaders of the future and imbibing a sense of responsibility of taking the nation forward. MCM has carved a niche for itself and I wish the institution to achieve greater heights in the future.

**His Excellency Shri Ram Nath Kovind**  
Former President of India

I congratulate the College on the successful completion of 50 years in the field of education. MCM DAV has carved a niche for itself in the field of women education. I convey my best wishes to the Principal and Staff and appreciate their efforts towards imparting holistic education to their students.

**Dr Punam Suri, Padma Shree Awardee**  
Hon'ble President, DAV College Managing Committee, New Delhi

This college has been doing excellent work for years in the fields of education, research, and women's empowerment, which is truly commendable. Having come here, I can personally witness that this institution not only imparts knowledge but also strengthens the foundation of character building and moral values.

**His Excellency Shri Gulab Chand Kataria**  
Hon'ble Governor of Punjab and Administrator, UT, Chandigarh

The institution has been rendering yeoman service in the education of women enabling them to take lead roles in society and family. MCM DAV is an iconic name in the field of higher education in Northern India. I hope that the collective efforts of all associated with the College would enable it to scale greater heights in the future.

**His Excellency Sh V P Badnore**  
Former Governor of Punjab & Administrator, Chandigarh UT

MCM DAV College has been imparting holistic education by fusing Indian values with modern, western and scientific outlook since its inception in 1968. It has proved its worth in every sphere of life.

**His Excellency Prof Kaptan Singh Solanki**  
Former Governor of Haryana

It was an honour to visit this College of National repute. The performance of girls in academics and sports has been top class and worth emulation.

**His Excellency Dr K K Paul**  
Former Governor of Uttarakhand

Grateful for the invite. Came here to alert the girls that time is of essence - the time to learn is now!

**Dr Kiran Bedi**  
Former Lieutenant Governor of Puducherry

The bright confident faces of MCM students are a reminder of the transformative power of education that awakens minds, and strengthens character.

**Hon'ble Justice Pritam Pal (Retd.)**  
Vice-President, DAV College Managing Committee, New Delhi

On visiting the MCM DAV College I felt that I have really entered into a temple of learning. It is indeed a leading institution of the country which fosters all round growth of girls' education. We are proud of this institution.

**Shri Shiv Raman Gaur, Hon'ble Director Higher Education**  
DAV College Managing Committee, New Delhi

Thank you very much for inviting us on the National Girls' Child Day to your college. It was a good experience not only for the students but for us also. We are thoroughly impressed with the excellent environment that you have in the college.

**Hon'ble Gen. V P Malik, PVSM, AVSM.**  
Former Chief of Army Staff

MCM DAV is a renowned institution and everyone knows about it. I pray to almighty to give you strength and wisdom to achieve great heights and to do good work.

**Prof Renu Vig**  
Hon'ble Vice Chancellor, Panjab University

MCM is an institute par excellence that is emblematic of quality holistic education. The values imbibed at MCM shape students in a manner that it becomes an award in itself.

**Prof Yojana Rawat, Hon'ble DUI, Panjab University**  
Chandigarh

It was a pleasure to visit the College and give my lecture. It was very well organized. The response of students was excellent.

**Prof Pritam Singh**  
Oxford Brookes University, Oxford, UK

Thank you so much for your warm hospitality. MCM is a special College that I will never forget.

**Prof Michael Alley**

# Guidelines for Parents and Students

## ENTRY RULES

- Parents and students are required to go through the prospectus carefully before signing the Admission Form. Once the form is signed, the complete responsibility of having read the rules and regulations shall lie with the parents and the students, who shall be bound by the same.
- Subject combinations must be checked carefully to avoid subject clashes.
- The college follows Panjab University guidelines for NEP and non-NEP courses, as issued from time to time.

## CONDUCT RULES

- Discipline is given paramount importance. Any act of indiscipline can lead to punitive action.
- Lectures shall be counted from the date of commencement of the academic session/course.
- Students will not be allowed to enter the College campus without their I-Cards.
- Students must make it a point to read the Notice Board daily. Ignorance of orders/notices duly displayed on the Notice Board shall not be accepted as an excuse for non-compliance.
- All the students are advised to keep checking the college website regularly for important announcements and updates.
- It is the personal responsibility of the student to inform the College office of any change in her address/phone number/email id or that of her parents/guardians. The College is not responsible for any gap in communication in case personal information is not updated by the student.
- Parents are requested to keep in touch with the faculty members as well as attend the Parent-Teacher Meeting which is held annually to keep track of their wards' academic performance and conduct.
- Rights of admission and entry to the College campus are reserved.
- Visitors are not allowed to meet the students during College hours.
- Transportation service for Panchkula and Chandigarh is available.
- Students coming by car/scooter or being dropped should avoid stopping their vehicle in front of the main gate to ensure smooth flow of traffic.
- Students must ensure that ACs, lights and fans in college and hostel areas are switched off when not required.
- Students are advised to avoid carrying large amount of cash, jewellery or any other expensive articles to College. The authorities shall not take responsibility for any loss/theft of personal belongings.
- The College authorities shall not be responsible for students' conduct outside the College.
- The following activities will be viewed very seriously: littering the campus, not using proper bins for dry and wet waste, scribbling on the walls and College property, creating disturbance anywhere in the College campus, tampering with vehicles of the staff members and property of the college, indulging in any kind of unfair means in college or university examination.

- A student who is guilty of misconduct in any way shall not be eligible for any prize, stipend, scholarship, fee concession or membership of any important body of the College.
- Carrying of plastic bottles or bags is not allowed as the college is a single-use plastic free campus.

**Note:** A student found guilty of breaking rules is liable to be penalized and in extreme cases, may even be expelled from the College.

## ANTI-RAGGING REGULATIONS

**Ragging is strictly prohibited and will be treated as a serious crime**

- The college follows a strict anti-ragging policy. Every student is required to read the anti-ragging guidelines available on the college website:  
<https://mcmdavcwchd.edu.in/wp-content/uploads/2019/06/Anti-Ragging-Guidelines.pdf>
- In case any incident of ragging comes to the notice of the authorities, the defaulting student is liable to be expelled from the College.

## EXAMINATION RULES

- The students are required to attend at least 75% lectures delivered in each of the subjects (theory as well as practical) opted by them.
- A student is required to obtain a minimum of 25% marks in the aggregate of all subjects in the Mid-Semester Test (MST).
- Failing to fulfil any of the given conditions, the student shall have to appear as a private candidate in Panjab University Examination.
- Students are required to clear all the college dues before appearing for the University Examination.

**Note:** For more information on Examination, refer to page no. 75

## LEAVE RULES

**Regular Attendance in class is compulsory and forms a part of the evaluation for Internal Assessment.**

- Leave must be applied for in advance on leave form available in the office.
- While applying for leave, the leave form must be counter-signed by parent/guardian.
- In case of serious illness, the leave application must be submitted along with the Medical Certificate within a week of absence. No medical leave will be sanctioned after a week of absence from College.
- Lectures will not be granted for Medical Leave or any other leave taken by the students. The leave only ensures that the student's name is not struck-off and remains on the College rolls.
- The name of the student, absent for more than 6 days without information, will be struck-off from the College rolls.

# NEP 2020

This National Education Policy 2020 aims to meet the needs of a rapidly changing world and a knowledge-driven economy. This Policy proposes the revision and revamping of all aspects of the education structure, including its regulation and governance to create a new system that is aligned with the aspirational goals of 21st century education while building upon India's traditions and value systems. Its aim is to develop students into versatile as well as creative individuals with ethical and constitutional values, intellectual curiosity, scientific temper, and 21st century capabilities across a range of disciplines including sciences, social sciences, arts, humanities and languages. Quality higher education must enable personal accomplishment and enlightenment, constructive public engagement, and productive contribution to the society, preparing students for more meaningful lives, work roles as well as economic independence.

## IMPORTANT REGULATIONS AND GUIDELINES

- 1. Award of Undergraduate Degrees:** A student will be awarded an Undergraduate Degree upon securing a total of 144 credits within three years. An Undergraduate Degree with Honours will be awarded upon securing a total of 192 credits.
- 2. Credit Completion:** Each student must aim to complete a requirement of 24 credits per semester or 48 credits in one academic year, in accordance with PU regulations for courses under NEP-2020.
- 3. Course Selection:** A student will select courses from the basket/lists offered by the College.
- 4. Major and Minor Course Selection:** By the end of the second semester, students may decide to continue with their chosen Major or request a change. The major course allows for in-depth study of a particular subject or discipline.
- 5. Change of Major:** Students will be allowed to change their major within the broad discipline at the end of the second semester, allowing sufficient time to explore interdisciplinary courses during the first year.
- 6. Language Requirement:** Every student will choose two languages, including English, irrespective of the chosen Degree.
- 7. Updates and Amendments:** The scheme is subject to modifications as per UGC and Panjab University Guidelines. Any changes in regulations in subsequent years after admission to the 1st Year will be applicable for the students retrospectively. Students should stay informed about any updates to ensure compliance with guidelines made by the competent authority.

## Curriculum and Credit Framework for Undergraduate Programmes with Multiple Entry Multiple Exit as per NEP 2020

In adherence to the National Education Policy (NEP) 2020, the College has introduced a revised Curriculum and Credit Framework for Undergraduate Programmes (CCFUP). This is based on the University Grants Commission's (UGC) guidelines, with a student-centric focus, flexible choice-based credit system, and a multidisciplinary approach. This framework also provides multiple entry and exit options, facilitating students to align their education with their career aspirations by choosing subjects/fields of their interest.

### 1. Certification and Duration of Study with Multiple Entry Multiple Exit (MEME)

The undergraduate degree will have a flexible duration of either three or four years, with multiple exit options during this period. The structure provides students with the flexibility to enter, exit, and re-enter the programme at various stages, each with its corresponding certification. The table below outlines the various certifications students can earn at different stages of their undergraduate study:

**Table 1: Multiple Entry Multiple Exit options**

Programme Exit	Credits Required	Additional Requirement	Awarded Qualification	Re-entry to Degree Programme
After Year 1 (Two semesters)	48 Credits	Completion of one 4- credit vocational course / internship/ apprenticeship (in addition to 6 credits from Skill based course) during summer vacation of Year 1	UG Certificate	Within three years of exit
After Year 2 (Four semesters)	96 Credits	Completion of one 4- credit vocational course during summer vacation of Year 2	UG Diploma	Within three years of exit
After Year 3 (Six semesters)	144 Credits	Compliance with minimum credit requirements specified in regulations	3-year UG Degree	Within three years of exit
After Year 4 (Honours) (Eight semesters)	192 Credits	Compliance with credit requirements as specified in regulations	4-year UG Honours Degree	N/A
After Year 4 (Honours with Research) (Eight semesters)	192 Credits (including 12 from a research project /dissertation)	75% marks and above in the first six semesters, completion of a research project /dissertation under faculty guidance in the major discipline	4-year UG Honours Degree with Research	N/A

## 2. Credit-based courses and projects

The undergraduate curriculum will include credit-based courses and projects centered around community engagement, environmental education, and value-based education. Additionally, students will have opportunities for internships with local companies/firms, businesses, artists, craftspeople, as well as research internships with faculty and researchers at their own or other Higher Education Institutions (HEIs)/research institutions. These practical experiences are integral to enhancing students' learning and employability.

**Note:** a) Students who choose to exit the programme after the completion of the first two semesters must undertake a work-based learning/internship during the summer term. This internship, worth 4 credits, is a requirement for the award of the Undergraduate Certificate.

b) The maximum time in which a student will be allowed to complete the Degree is Seven Years.

## 3. Semester and Credit Structure

A standard academic year is divided into two semesters, each semester spanning a minimum of 15 weeks. In addition to this, an eight-week summer term is also included in the academic calendar.

During the summer term, students are encouraged to engage in internships, apprenticeships or work-based vocational education and training. This is particularly beneficial for students who plan to exit after two or four semesters of study.

## 4. Eligibility for Undergraduate Programmes

Specific eligibility criteria for pursuing undergraduate degrees in the discipline of Arts, Science or Commerce are specified in the NEP Regulations on Panjab University website.

## 5. First Year Undergraduate Programme Structure

Upon admission to the first semester of the undergraduate studies, students are required to outline their course choices according to the structure provided. The template for this academic plan is as follows:

**Table 2: Courses and Credits distribution in the First Year**

I	II	III	IV	V	VI	VII	VIII
Study program BA/ BSc/ BCom/ BBA/ BCA	MAJOR/ MINOR (Choose 3 discipline specific courses)*	MDC (Choose one course other than those in II)	AEC (Choose from languages)	SEC (Choose one course per semester)	VAC (Choose one course per semester)	Compulsory Pbi/HCP (Choose one course per semester)	Total Credits
Credits	12	3	2	3	2	2	24

**\*The final choice of Major and Minor will be before third semester starts**

**Note:**

1. Students will see the specific guidelines and list of courses offered by the College.
2. Every student will ensure that she is taking a specified number of courses in each component of the Curriculum Framework to complete 24 credits.

## 6. Choice of Courses

Undergraduate students will make course selections from list provided by the College. The choices will fall into categories as outlined below:

### 6.1 Major Course:

This is the primary subject area, a student wishes to delve into during the undergraduate course. It is the area of study that the student is keenly interested in and may wish to pursue as a career. Students can be permitted to change their Major within the broad discipline at the end of the second semester, providing them with ample time to explore interdisciplinary courses during their first year.

### 6.2 Minor Course:

This is a secondary area of study that complements the student's chosen Major. Students who complete a sufficient number of courses in a discipline or an interdisciplinary area of study other than their chosen Major will qualify for a Minor in that discipline or interdisciplinary area. A student may declare their choice of Minor and vocational stream at the end of the second semester.

### 6.3 Multidisciplinary Course (MDC/MDSC):

All undergraduate students are required to complete three introductory-level courses relating to any of the broad disciplines. Students are not allowed to choose or repeat courses already taken as their proposed Major and Minor stream under this category.

### 6.4 Ability Enhancement Course (AEC):

These are Modern Indian Language (MIL) & English language courses focused on enhancing language and communication skills. The courses aim to enable students to acquire and demonstrate core linguistic skills, including communication, critical reading, and expository and academic writing skills.

### 6.5 Skill Enhancement Course (SEC):

These courses aim to impart practical skills, hands-on training, soft skills, etc., to enhance the employability of students.

### 6.6 Value Added Course (VAC):

These courses are designed to provide extra skills or knowledge beyond the standard curriculum, often tailored towards enhancing employability, promoting entrepreneurship, or developing personal and professional skills.

## 7. Course Components

Courses will be comprised of one or more of the following components depending on the requirement of a specific discipline:

- Lecture
- Tutorial
- Practicum
- Seminar/ Internship/ Studio Activities/ Field Practice/ Projects/  
Community Engagement and Service

## 8. Research Project/Dissertation Requirement for 4-Year Bachelor's Degree (Honours with Research)

For students enrolled in the 4-Year Bachelor's Degree program (Honours with Research), it is mandatory to undertake a research project under the supervision of a faculty member in the fourth year. This research project is to be initiated and completed in the eighth semester of the programme.

## 9. Inclusion of Other Activities in VAC/SEC

The Value Added Course (VAC) and Skill Enhancement Course (SEC) components of the undergraduate curriculum will include a diverse range of extracurricular activities that enrich students' learning experience and contribute to their personal and professional development. These activities will include but are not limited to:

- Participation in the National Service Scheme (NSS)
- Engagement with the National Cadet Corps (NCC)
- Involvement in adult education or literacy initiatives
- Mentoring school students
- Participation in other community service or outreach activities

### Migration Rules\* given below (as per Panjab University Calendar)

**PU Website Link:** <https://puhcd.ac.in/includes/documents/calendar-2016/calender-vol-3-2019.pdf>

Migration from the Affiliated College to Another

- I.1. Local migration of students shall ordinarily not be allowed only for valid reasons.
- I.2. No student who has joined one college shall be admitted to another college during the same course unless:
  - (i) the Principals of the colleges concerned agree and the application is forwarded to the Registrar for sanction, accompanied by a prescribed fee which shall, in no case, be refunded, and
  - (ii) the Principal of the college from which he intends to migrate has given the leaving certificate.

No application for transfer shall be entertained unless the student's statement is supported by Principal who, in the case of migration of students provisionally promoted, shall state all the relevant facts on the application.
2. A student who is conditionally promoted shall not be admitted to a higher class by the Principal of the other college, on migration.
3. If the applicant be a detained student or one who has been degraded or against whom any disciplinary action has been taken, etc., the Principal shall specifically mention this in his remarks.
4. The college leaving certificate shall not be given by the Principal until the transfer has been notified by the Registrar. No admission without such sanction shall be considered valid.
5. When migration of a student from one college to another college has been sanctioned, he/she must join the new college within 15 days. Provided that if a student does not avail himself of the migration, within fifteen days from the date of receipt of the letter by the Principals of the colleges concerned, he/she shall have to apply afresh and pay fresh fee in order to revalidate his/her previous migration.
6. If a student changes his/her mind after putting in his application for migration, he/she must inform the colleges concerned as also the University immediately.
7. If the student changes his/her mind after migration has been sanctioned by the University, he/she must apply for re-migration and follow the entire procedure prescribed by the University once again if he/she has joined the other college. If he/ she has not, he/she must apply for cancellation of the migration certificate through the Principal of the college concerned and return his migration certificate.
8. No migration certificate can be issued unless the student has been registered with the University.

\*subject to revision by Panjab University

The students who secure 192 credits including 12 credits from a research project/dissertation are awarded UG Degree( Honours with Research). •The minimum qualification for admission to the First year of the programme shall be 10+2 in any discipline of the University/Board/Council or examination of any other University which has been recognized by the syndicate as equivalent thereto with not less than 45% marks in the aggregate.

## Objective of the Course

- To provide knowledge & practical skills to the students
- To provide Employability skills

## Salient Features

- Placement opportunities in Industry
- Demand in Foreign Industries
- Professional and Industrial training

## Future Scope

### Academic Opportunities

- MBA - Retail Management
- MBA - General
- Professional Certificate in Digital Marketing
- PGDM in Supply Chain Management
- Overseas Post Graduation like:
  - MSc - International Business
  - MSc - International Fashion Retailing
  - MA - Global Fashion Retailing
  - Masters in Fashion Styling
  - Visual Merchandising

### Career Profiles

- Retail Sales Associate •Supply Chain Distributor
- Visual Merchandiser •Retail Buyers and Merchandisers
- Departmental Manager (store operations)
- Manager Back-end operations
- Team Leader (stores operation) •Retail Franchisee

UGC approved 1 Year Skill Based Diploma in

## Microbial Analysis & Food Safety

**Eligibility:** 10+2/Graduation in science from a recognized University / College / Board / Council or examination of any other recognized University with not less than 45% marks in the aggregate.

**No of Seats:** 25

**Admission criteria:** Purely on Merit Basis.

### Programme overview:

Mehr Chand Mahajan DAV College for Women under the aegis of UGC - National Skills Qualifications Framework (NSQF) has introduced the Diploma in Microbial Analysis and Food Safety. With Food Safety recognized as a priority area, we provide the above course for enhancing the employability and skill quotient of the students in this field while updating them with the latest technologies adopted in the food industry. Thus the fast track course has been introduced to develop individuals for food analysis & quality assurance to make an exciting career in this field.

### Objectives:

- Meets the increasing requirements for food safety & quality management professionals in the food sector.
- Prepares skillful professionals in food safety analysis & monitoring, setting up & executing food safety laws, food safety management systems, risk analysis & total quality assurance.
- Creates professionals which ensure the safety & quality of food products as per mandatory legal requirements.

### Career Prospects:

The programme shall open new vistas & a vast array of job openings in Food Industries & Food Testing Laboratories as follows:

- Food Safety Analyst
- Food Safety and Quality Assurance Supervisor
- Food Safety and Quality Assurance Technologist
- Quality Control Analyst
- Food Testing Lab Technologist.

## Unnat Bharat Abhiyan: Transforming Rural India

Our college supports Unnat Bharat Abhiyan by working with adopted villages through rallies, awareness programs, and community-driven initiatives to foster sustainable rural development.

## Victory Against Drugs: Building a Drug-Free Future

Our college leads the fight against substance abuse through impactful rallies, awareness campaigns, and counseling initiatives, empowering youth to choose a healthier, addiction-free life.

## Viksit Bharat Abhiyan: Vision for a Developed India

Viksit Bharat Abhiyan envisions a developed India by 2047, and our college contributes by empowering youth and promoting initiatives that drive inclusive national growth.

## Skill Development, Innovation and Start-up Initiatives

Recognizing the pivotal role of skills in shaping a well-rounded personality and ensuring employability, the College places strong emphasis on skill development as a core component of holistic education. A major milestone was achieved in the year 2019 when the College was registered and accredited as a Training Centre (TC 111709) under the Ministry of Skill Development and Entrepreneurship, Government of India. To acquire industry-relevant competencies, the College collaborated with the **Centre for Skill Development & Entrepreneurship, Panjab University** in 2024-25. The College has the unique distinction of being recognized as a Vocational Education Nai Talim Experiential Learning (VENTEL) Action Plan Institution by the Mahatma Gandhi National Council of Rural Education, under the Ministry of Human Resource Development, Government of India. Additionally, the Ministry of Food Processing Industries, Government of India, has identified the College as the only technical institution in Chandigarh authorized to provide training in bakery and food processing. The College has been successfully conducting training sessions in this field for the past two years.

Ministry of Human Resource Development (MHRD), Government of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are in their informative years. To develop the

culture of innovation systematically, MIC has created 'Institution's Innovation Council (IIC)' across selected HEIs. Keeping in line with the same, the Institution's Innovation Council of the college organizes various activities including seminars, workshops and hands-on training on themes based on innovation, entrepreneurship, design thinking, IPR and technology transfer.

The **Innovation and Start-up Cell** for students and faculty of the College enables the institute to actively engage faculty (teaching and non- teaching) and students in innovation and entrepreneurship related activities. The main focus of the cell is to promote innovation and entrepreneurial culture and, safeguard the academic integrity and research environment of the college. The vision of the Innovation and Start-up Cell is to provide entrepreneurial knowledge, encourage students for innovation & start-ups, and promote research for nation building at large. It organizes interactive and informative sessions on 'Mentoring Support to the Entrepreneurial/ Start- up Aspirants.' 'Innovation Mission Punjab' chose our college as a partner to launch IM Punjab Campus Ambassador Program. This program aims to build a network of passionate students to promote innovation and entrepreneurship on their respective campuses and engage themselves in the activities that will contribute to innovation ecosystem.
