MESSAGE

The Joint Prospectus for the academic session 2026-27 embodies a unified commitment to excellence, collaboration and accessibility in higher education, aligning with the progressive vision of the National Education Policy. I extend my heartfelt gratitude to the faculty of Chandigarh's Government and Privately Aided Colleges for their dedication to producing this comprehensive and meticulously crafted document.

We are at a pivotal stage in the implementation of the National Education Policy (NEP) 2020. This innovative framework is transforming higher education by offering students greater flexibility in designing their academic journeys. It allows for combinations of majors and minors, encourages multidisciplinary learning, and emphasises skill-oriented courses. These changes are cultivating a more engaging, adaptable, and learner-focused academic environment.

Effective education begins with access to accurate information at the right time. In this context, the Online Joint Prospectus serves as a reliable and user-friendly resource, consolidating essential details about programmes, faculty, facilities and institutional achievements. By offering a unified platform for multiple colleges, it empowers students and their families to make informed decisions with clarity and confidence, while upholding the values of inclusivity, transparency, and accessibility.

Simultaneously, the platform continues to evolve to meet contemporary needs. Its enhanced digital interface, real-time updates, and cross-device accessibility contribute to a seamless and responsive admission experience. By providing a consolidated view of institutions, it not only simplifies the process but also highlights the unique strengths of each college, fostering both healthy academic engagement and a spirit of collective growth.

We aim to maintain the Joint Prospectus as a reliable and engaging resource. Our focus is to support informed decision-making while also highlighting the vitality of our academic community.

I wish each one of you a journey that is fulfilling, enriching, and truly transformative.

MESSAGE

I extend my heartfelt appreciation to the team of Post Graduate Government College Sector-46, Chandigarh for their commendable efforts in preparing this comprehensive and inclusive Online Joint Prospectus for the academic session 2026-27. By ensuring greater accessibility for prospective students through an updated and user-friendly digital platform, this initiative not only streamlines the admission process but also upholds the values of transparency, inclusivity and equal access for all.

It is truly encouraging to witness the continued excellence of Chandigarh's colleges in both academic and co-curricular spheres. Students from these institutions continue to excel across diverse fields including academics, sports, cultural activities and vocational pursuits, reflecting the vibrant and nurturing environment fostered by these colleges. The institutions remain committed to providing meaningful opportunities that shape motivated, confident and future-ready individuals grounded in strong moral and ethical values.

I also congratulate the city colleges on the continued and progressive implementation of the National Education Policy (NEP) 2020, with increased emphasis on multidisciplinary learning, skill development and flexible academic pathways. These reforms represent a significant step towards building an equitable, dynamic and quality-driven education system aligned with the evolving aspirations and demands of our youth.

I convey my sincere greetings and best wishes to everyone associated with this initiative.

MESSAGE

I extend my heartfelt congratulations to the Department of Higher Education on the release of the 10th Online Joint Prospectus for the academic session 2026-27. This commendable initiative reflects a progressive vision and continues to play a vital role in streamlining the centralized admission process for Government and Privately Aided Colleges in Chandigarh.

Chandigarh, as one of India's distinguished centres of higher education, attracts students from across the country and abroad. In such a vibrant and competitive academic environment, the availability of accurate, transparent and timely information is of paramount importance. The Online Joint Prospectus serves not only as a valuable resource for aspiring students but also as a symbol of the Department's commitment to accessibility, transparency and informed decision-making.

It is indeed encouraging to witness Chandigarh's colleges consistently maintaining high standards of academic excellence through dedication, innovation and institutional integrity. These institutions continue to shape young minds by fostering intellectual growth, ethical values, social responsibility and holistic development.

The implementation of the National Education Policy (NEP) 2020 has ushered in a transformative era in higher education. Its emphasis on multidisciplinary education, flexible academic structures, multiple entry and exit pathways, skill enhancement and experiential learning is redefining the educational framework of our nation. The growing integration of digital learning platforms, research, innovation and industry-academia collaboration is creating a more dynamic, inclusive and future-oriented ecosystem.

In an increasingly interconnected and rapidly evolving world, education must empower students not only with academic knowledge but also with critical thinking, adaptability, creativity and global competence. The reforms being embraced today are instrumental in building a stronger, more resilient and globally relevant higher education system.

I convey my best wishes to the Department of Higher Education, Chandigarh Administration, as well as the faculty and leadership of Chandigarh's colleges for their unwavering commitment to academic advancement and educational reform. I also extend my warm wishes to all students embarking on this important phase of their academic journey. May they find success, purpose and excellence in their pursuit of higher education.

MESSAGE

It is a pleasure to welcome you to the centralized online admission process for Government and Privately Aided Colleges of U.T. Chandigarh for the academic session 2026-27.

Over the years, this digital platform has grown into a more student-friendly and reliable system, ensuring a smooth and transparent admission experience. This year, several improvements have been introduced, including a simpler application interface, an effective grievance redressal system, and mobile-friendly access, making the process more convenient and responsive for everyone.

The Department of Higher Education remains committed to promoting academic excellence and creating a meaningful experience for all stakeholders. Our colleges continue to excel in areas such as scholarships, research, innovation, co-curricular and extracurricular activities. With this spirit, Chandigarh has emerged as a vibrant hub for higher education, attracting students from across the country who seek both academic rigour and holistic development.

The Online Joint Prospectus serves as a comprehensive and easy-to-use guide, providing clear information about programmes, courses, eligibility criteria and admission procedures. It is designed to help you make informed and confident decisions about your academic journey.

Higher education is not just about earning a degree, but it is about discovering your passions, engaging with new ideas, and building connections that last a lifetime. The classrooms, campuses and communities here offer spaces where your perspectives can grow and your aspirations can take shape.

I encourage you to begin this journey with curiosity and an open mind. Take part actively, challenge yourself and make the most of every opportunity that comes your way.

I extend my sincere appreciation to the Principal and the Prospectus Team of PGGC-46 for their dedication and careful efforts in preparing this prospectus and ensuring its timely release.

I wish you all the very best as you step into this exciting new phase of learning and growth.

MESSAGE

I am delighted to present the joint prospectus for centralized admissions to the colleges of Chandigarh. This initiative underscores our commitment to offering a streamlined and accessible application process for all prospective students. Through this prospectus, we aim to provide essential information on courses, eligibility and admission procedures, empowering students to make informed decisions about their academic futures. As we advance, we remain dedicated to fostering an inclusive and supportive educational environment that encourages growth, learning, and exploration.

More than just a guide to our programs and facilities, this prospectus serves as an invitation to join a community that has, over the years, nurtured generations of thoughtful, capable and values-driven individuals. The city colleges offer a dynamic and inclusive environment where students are encouraged to explore their passions, challenge their perspectives, and develop the skills necessary for success in an ever-evolving world. Our diverse range of courses is designed to cater to various interests and career aspirations, ensuring that each student can find their unique path. With a strong emphasis on experiential learning, we provide opportunities for hands-on experiences, internships and community engagement projects that enhance academic knowledge with real-world applications.

Our dedicated faculty members are not only experts in their fields but also mentors committed to supporting each student's journey. Beyond academics, city colleges prioritise holistic development through extracurricular activities, leadership programs, and wellness initiatives that promote personal growth and resilience. We invite you to become part of this legacy, a community where your potential is recognised, your ambitions are nurtured and your ideas are valued.

NATIONAL EDUCATION POLICY (NEP) 2020

The National Education Policy, 2020 (NEP) aims for a comprehensive overhaul of the education system, rooted in Indian values, to propel India, or Bharat, into a sustainable, equitable, and knowledge-driven society. Central to this vision are pillars of Access, Equity, Quality, Affordability, and Accountability. NEP 2020 promises to equip the youth to tackle both national and global challenges by fostering multidisciplinary education, institutional autonomy, quality research, teacher development, technology integration, internationalization, governance restructuring, and curriculum diversification.

In higher education, NEP 2020 advocates for a holistic approach, emphasizing multidisciplinary learning, institutional autonomy, and quality research facilitated by the National Research Foundation. It underscores the importance of continuous teacher development, technology integration, and international collaboration. The policy also aims to revamp governance and regulatory frameworks, diversify curricula, enhance pedagogy, improve assessment methods, and promote content availability in Indian languages.

For further details: kindly visit to the website of Govt. of India :

https://www.education.gov.in/sites/upload_files/mhrd/files/NEP_Final_English_0.pdf

The Panjab University has already implemented NEP-2020 w.e.f academic session 2024-25 in its affiliated colleges vide letter no. D-DCDC/24/179 dated 23.04.2024.

THE FUNDAMENTAL PRINCIPLES OF THE POLICY

- Recognizing, identifying, and fostering the unique capabilities of each student, by sensitizing teachers as well as parents to promote each student's holistic development in both academic and non-academic spheres.
- Flexibility, so that learners have the ability to choose their learning trajectories and programmes, and thereby choose their own paths in life according to their talents and interests;
- No hard separations between arts and sciences, between curricular and extra-curricular activities, between vocational and academic streams, etc. in order to eliminate harmful hierarchies among, and silos between different areas of learning.
- Multidisciplinary and a holistic education across the sciences, social sciences, arts, humanities, and sports for a multidisciplinary world in order to ensure the unity and integrity of all knowledge;
- Emphasis on conceptual understanding rather than rote learning and learning for exams.
- Creativity and critical thinking to encourage logical decision-making and innovation;
- Ethics and human & Constitutional values like empathy, respect for others, cleanliness, courtesy, democratic spirit, spirit of service, respect for public property, scientific temper, liberty, responsibility, pluralism, equality, and justice;
- Promoting multilingualism and the power of language in teaching and learning;
- Life skills such as communication, cooperation, teamwork, and resilience;
- Focus on regular formative assessment for learning rather than the summative assessment that encourages today's 'coaching culture';

- Extensive use of technology in teaching and learning, removing language barriers, increasing access for Divyang students, and educational planning and management;
- Respect for diversity and respect for the local context in all curriculum, pedagogy, and policy, always keeping in mind that education is a concurrent subject;
- Full equity and inclusion as the cornerstone of all educational decisions to ensure that all students are able to thrive in the education system;
- Synergy in curriculum across all levels of education from early childhood care and education to school education to higher education;
- Teachers and faculty as the heart of the learning process – their recruitment, continuous professional development, positive working environments and service conditions;
- A 'light but tight' regulatory framework to ensure integrity, transparency, and resource efficiency of the educational system through audit and public disclosure while encouraging innovation and out-of-the-box ideas through autonomy, good governance, and empowerment;
- Outstanding research as a co requisite for outstanding education and development;
- Continuous review of progress based on sustained research and regular assessment by educational experts;
- A rootedness and pride in India, and its rich, diverse, ancient and modern culture and knowledge systems and traditions.
- Education is a public service; access to quality education must be considered a basic right of every child;
- Substantial investment in a strong, vibrant public education system as well as the encouragement and facilitation of true philanthropic private and community participation.

THE VISION OF THIS POLICY

- To contribute directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower.
- To develop a deep sense of respect towards the fundamental duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world through curriculum and pedagogy of institutions.
- To instill a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

NOTE

In this regard, it is important for all the applicants seeking admission in 1st year BA (Hons.)/ Bsc (Hons.) /Bcom (Hons.)/ BBA (Hons.)/ BCA (Hons.), BA (Hons.) with Research/ Bsc (Hons.)/BCom (Hons.)/ BBA (Hons.)/ BCA (Hons.) Four year degree programme under NEP 2020 to read, understand and comprehend the NEP 2020 document, its provisions as applicable to Higher Education. A few important and relevant highlights are outlined below. A detailed presentation in this regard is also uploaded on the website <http://dhe.chd.gov.in/> for further clarification in the matter.

CURRICULUM AND CREDIT FRAMEWORK FOR UNDERGRADUATE PROGRAMMES

In accordance with the NEP 2020, UGC has formulated a New Student-Centric “Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)” incorporating

- ✓ Flexible Choice-Based Credit System
- ✓ Multidisciplinary Approach
- ✓ Multiple Entry and Exit Options

This will enable students to pursue their career path by choosing the subject / field of their interest.

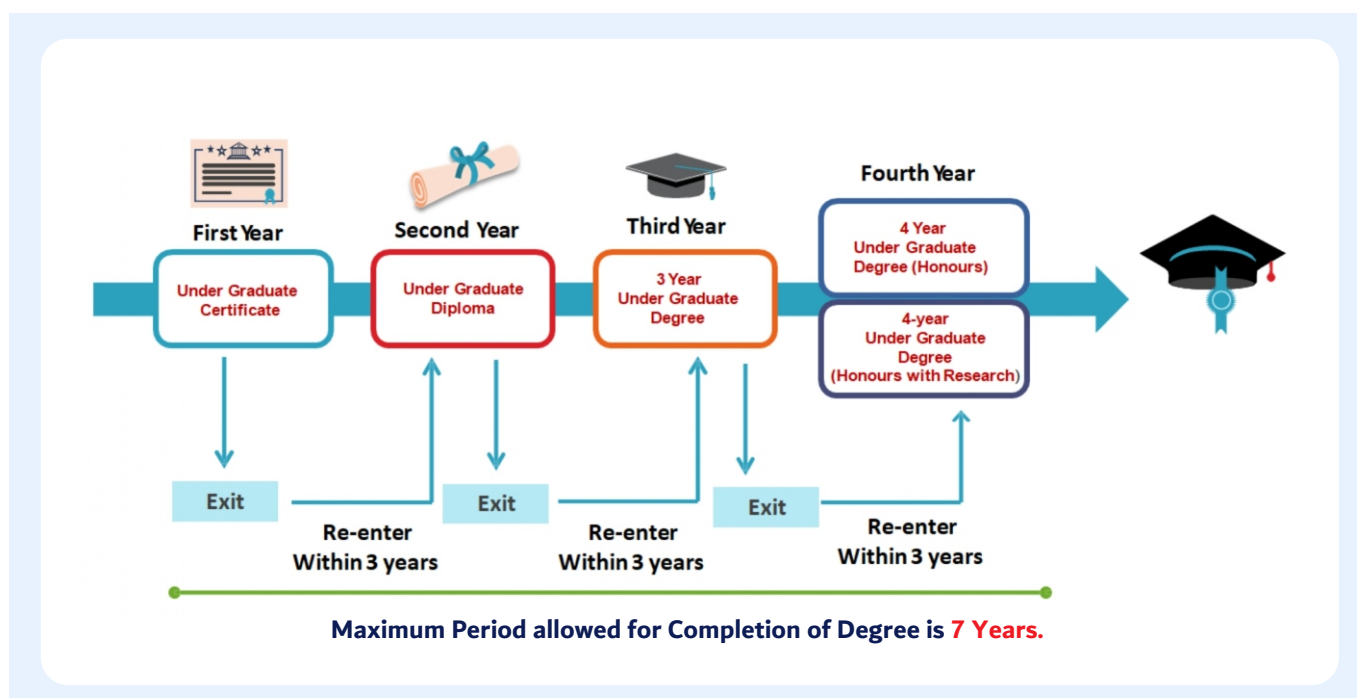

CERTIFICATION AND DURATION OF STUDY WITH MULTIPLE ENTRY & MULTIPLE EXIT OPTIONS

The undergraduate degree will have a flexible duration of either three or four years, with multiple exit and multiple entry options during this period. The table and an exhibit given below outlines the various certifications a student can earn at different stages of their undergraduate study; subject to fulfilment of conditions laid down by UGC & Panjab University, Chandigarh in this regard.

Table: CERTIFICATION EARNED AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME

Duration of Study	Semesters Completed	Certification Earned
4 Years	Eight Semesters	Bachelor's Degree(Honours)
		Bachelor's Degree(Honours and Research)
3 Years	Six Semesters	Bachelor's Degree
2 Years	Four Semesters	Undergraduate Diploma
1 Year	Two Semesters	Undergraduate Certificate

Exhibit: CERTIFICATION EARNED AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME

SEMESTER AND CREDIT STRUCTURE

A standard academic year is divided into two semesters, each semester spanning a minimum of 15 weeks. In addition to this, an eight-week summer term is also included in the academic calendar.

During the summer term, students are encouraged to engage in internships, apprenticeships or work-based vocational education and training. This is particularly beneficial for students who plan to exit after two or four semesters of study.

CREDIT REQUIRED FOR CERTIFICATION AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME (AS PER PANJAB UNIVERSITY, CHANDIGARH)

ELIGIBILITY FOR UNDERGRADUATE PROGRAMMES

Specific eligibility criteria for pursuing undergraduate degrees in the Arts, Science or Commerce disciplines are specified in the Admission Guidelines of PU for the academic session 2026-27. These are also reproduced later in this document.

COMPONENTS OF THE STRUCTURE / CURRICULUM FRAMEWORK OF UNDERGRADUATE PROGRAM

In the inaugural year of the undergraduate program, students will have the opportunity to create a multidisciplinary academic plan. This will include the following elements:

Course Type	Description
Major Core	The Central area of study chosen by the student.
Minor Stream	An additional area of study selected by the student, typically outside their major discipline.
Multidisciplinary/ Interdisciplinary course	Course intended to broaden the intellectual experience and from part of liberal art and science education other than their major and minor stream.
Ability Enhancement Courses(AEC)	Courses in English and Modern Indian Language aimed at enhancing language and communication skills.
Skill Enhancement Courses(SEC)	Practical courses designed to enhance the application of knowledge and provide hands-on experience to enhance the employability skills of the students.
Value Added Courses (VAC)	Extra course that provide additional knowledge and skills beyond the curriculum for the holistic development of the students.

Curricular components of the undergraduate programme

The curriculum consists of major stream courses, minor stream courses and courses from other disciplines, language courses, skill courses, and a set of courses on Environmental education, understanding India, Digital and technological solutions, Health & Wellness, Yoga education, and sports and fitness. At the end of the second semester, students can decide either to continue with the chosen major or request a change of major. The minor stream courses include vocational courses which will help the students to equip with job oriented skills.

a) **Disciplinary/interdisciplinary major (72 credits for three year UG & 112 credits for four year UG):**

The major would provide the opportunity for a student to pursue in-depth study of a particular subject or discipline. Students may be allowed to change major within the broad discipline at the end of the second semester by giving her/him sufficient time to explore interdisciplinary courses during the first year. Advanced-level disciplinary/interdisciplinary courses, a course in research methodology, and a project/dissertation will be conducted in the seventh semester. The final semester will be devoted to seminar presentation, preparation, and submission of project report/dissertation. The project work/dissertation will be on a topic in the disciplinary programme of study or an interdisciplinary topic.

b) **Disciplinary/interdisciplinary minors (24-32 credits for three year UG & 32-40 credits for four year UG):**

Students will have the option to choose courses from disciplinary/interdisciplinary minors and skill-based courses relating to a chosen vocational education programme. Students who take a sufficient number of courses in a discipline or an interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline or in the chosen interdisciplinary area of study. A student may declare the choice of the minor and vocational stream at the end of the second semester,

allotted to the 'Minor' stream relating to Vocational Education and Training and these can be related to the major or minor discipline or choice of the student. These courses will be useful to find a job for those students who exit before completing the programme.

c) Courses from Other Disciplines (Multidisciplinary) (09 credits): All UG students are required to undergo 3 introductory-level courses relating to any of the broad disciplines given below. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. Students are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class) in the proposed major and minor stream under this category:

i. Natural and Physical Sciences: Students can choose basic courses from disciplines such as Natural Science, for example, Biology, Botany, Zoology, Biotechnology, Biochemistry, Chemistry, Physics, Biophysics, Astronomy and Astrophysics, Earth and Environmental Sciences, etc.

ii. Mathematics, Statistics, and Computer Applications: Courses under this category will facilitate the students to use and apply tools and techniques in their major and minor disciplines. The course may include training in programming software like Python among others and applications software like STATA, SPSS, Tally, etc. Basic courses under this category will be helpful for science and social science in data analysis and the application of quantitative tools.

iii. Library, Information, and Media Sciences: Courses from this category will help the students to understand the recent developments in information and media science (journalism, mass media, and communication)

iv. Commerce and Management: Courses include business management, accountancy, finance, financial institutions, fintech, etc.,

v. Humanities and Social Sciences: The courses relating to Social Sciences, for example, Anthropology, Communication and Media, Economics, History, Linguistics, Political Science, Psychology, Social Work, Sociology, etc. will enable students to understand the individuals and their social behaviour, society, and nation. Students be introduced to survey methodology and available large-scale databases for India. The courses under humanities include, for example, Archaeology, History, Comparative Literature, Arts & Creative expressions, Creative Writing and Literature, language(s), Philosophy, etc., and interdisciplinary courses relating to humanities. The list of Courses that can include interdisciplinary subjects such as Cognitive Science, Environmental Science, Gender Studies, Global Environment & Health, International Relations, Political Economy and Development, Sustainable Development, Women's and Gender Studies, etc. will be useful to understand society.

d) Ability Enhancement Courses (AEC) (08-10 credits): Modern Indian Language (MIL) & English language focused on language and communication skills. Students are required to achieve competency in a Modern Indian Language (MIL) and in the English language with special Vocational Education and Training: Vocational Education and Training will form an integral part of the undergraduate programme to impart skills along with theory and practical. A minimum of 12 credits

will be emphasis on language and communication skills. The courses aim at enabling the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, that help students articulate their arguments and present their thinking clearly and coherently and recognize the importance of language as a mediator of knowledge and identity. They would also enable students to acquaint themselves with the cultural and intellectual heritage of the chosen MIL and English language, as well as to provide a reflective understanding of the structure and complexity of the language/literature related to both the MIL and English language. The courses will also emphasize the development and enhancement of skills such as communication, and the ability to participate/conduct discussion and debate.

e) Skills Enhancement Courses (SEC) (09 Credits): These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. The institution may design courses as per the students' needs and available institutional resources.

f) Value-Added Courses (VAC) Common to All UG Students (06-08 credits) These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. The institution may design courses as per the students' needs and available institutional resources.

i. **Understanding India:** The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among student-teachers of the Indian knowledge systems, the Indian education system, and the roles and obligations of teachers to the nation in general and to the school/community/society. The course will attempt to deepen knowledge about and understanding of India's freedom struggle and of the values and ideals that it represented to develop an appreciation of the contributions made by people of all sections and regions of the country, and help learners understand and cherish the values enshrined in the Indian Constitution and to prepare them for their roles and responsibilities as effective citizens of a democratic society.

ii. **Environmental science/education:** The course seeks to equip students with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change, and pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. The course will also deepen the knowledge and understanding of India's environment in its totality, its interactive processes, and its effects on the future quality of people's lives.

ii. **Digital and technological solutions:** Courses in cutting-edge areas that are fast gaining prominences, such as Artificial Intelligence (AI), 3-D machining, big data analysis, machine learning,

and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.

IV. Health & Wellness, Yoga education, sports, and fitness: : Course components relating to health and wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual, and environmental well-being of a person. Sports and fitness activities will be organized outside the regular institutional working hours. Yoga education would focus on preparing the students physically and mentally for the integration of their physical, mental, and spiritual faculties, and equipping them with basic knowledge about one's personality, maintaining selfdiscipline and self-control, to learn to handle oneself well in all life situations. The focus of sports and fitness components of the courses will be on the improvement of physical fitness including the improvement of various components of physical and skills-related fitness like strength, speed, coordination, endurance, and flexibility; acquisition of sports skills including motor skills as well as basic movement skills relevant to a particular sport; improvement of tactical abilities; and improvement of mental abilities.

The HEIs may introduce other innovative value-added courses relevant to the discipline or common to all UG programmes.

g) Summer Internship /Apprenticeship (02–04 credits) : A key aspect of the new UG programme is induction into actual work situations. All students will also undergo internships / Apprenticeships in a firm, industry, or organization or Training in labs with faculty and researchers in their own or other HEIs/research institutions during the summer term. Students will be provided with opportunities for internships with local industry, business organizations, health and allied areas, local governments (such as panchayats, municipalities), Parliament or elected representatives, media organizations, artists, crafts persons, and a wide variety of organizations so that students may actively engage with the practical side of their learning and, as a by-product, further improve their employability. Students who wish to exit after the first two semesters will undergo a 02-04 credit workbased learning/internship during the summer term in order to get a UG Certificate.

Community engagement and service: The curricular component of 'community engagement and service' seeks to expose students to the socio-economic issues in society so that the theoretical learnings can be supplemented by actual life experiences to generate solutions to real-life problems. This can be part of summer term activity or part of a major or minor course depending upon the major discipline.

Field-based learning/minor project: The field-based learning/minor project will attempt to provide opportunities for students to understand the different socioeconomic contexts. It will aim at giving students exposure to development-related issues in rural and urban settings. It will provide opportunities for students to observe situations in rural and urban contexts, and to observe and study actual field situations regarding issues related to socioeconomic development. Students will be given opportunities to gain a first-hand understanding of the policies, regulations, organizational structures, processes, and programmes that guide the development process. They would have the opportunity

to gain an understanding of the complex socio-economic problems in the community, and innovative practices required to generate solutions to the identified problems. This may be a summer term project or part of a major or minor course depending on the subject of study.

h) Research Project / Dissertation (12 Credits) : Students choosing a 4-Year Bachelor's degree (Honours with Research) are required to take up research projects under the guidance of a faculty member. The students are expected to complete the Research Project in the eighth semester. The research outcomes of their project work may be published in peer-reviewed journals or may be presented in conferences /seminars or may be patented.

CREDIT STRUCTURE OF UNDERGRADUATE PROGRAM AS PER PANJAB UNIVERSITY, CHANDIGARH

	Total	144	192

Note: Honours students not undertaking research will do 3 courses for 12 credits in lieu of a research project/Dissertation.

Credit Hour Allocation for Different Course Types

The workload associated with a course will be measured in terms of credit hours. One credit hour is equivalent to one hour of instructional time per week over the duration of a semester (minimum 15 weeks).

Credit Hours per Course Component

The weekly and semester-wise instructional hours associated with each credit for different components are as follows:

Table: Credit Hours per Course Component

Course Component	Weekly Hours per Credit	Total Hours in a 15 - week Semester
Lecture	1 Hour	15 Hours
Tutorial	1 Hour	15 Hours
Practicum	2 Hours	30 Hours
Seminar, Internship, Studio Activities, Field Activities/ Projects, Community Engagement and Service	2 Hours	30 Hours

Letter Grades and Grade Points

The Semester Grade Point Average (SGPA) is computed from the grades as a measure of the student's performance in a given semester. The SGPA is based on the grades of the current term, while the Cumulative GPA (CGPA) is based on the grades in all courses taken after joining the programme of study. The HEIs may also mention marks obtained in each course and a weighted average of marks based on marks obtained in all the semesters taken together for the benefit of students.

Letter Grade	Grade Point
O (Outstanding)	10
A+ (Excellent)	9
A (Very Good)	8
B+ (Good)	7
B (Above average)	6
C (Average)	5
P (Pass)	4
F (Fail)	0
Ab (Absent)	0

Computation of SGPA and CGPA

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

I. The SGPA is the ratio of the sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$SGPA (S_i) = \frac{\sum(C_i \times G_i)}{\sum C_i}$$

Where C_i is the number of credits of the i th course and G_i is the grade point scored by the student in the i th course.

UGC recommends the following procedure to compute the SGPA CGPA

$$SGPA (S_i) = \sum(C_i \times G_i) / \sum C_i$$

C_i is the number of Credits of the i th Course and
 G_i is the grade point scored by the student in the i th course.

Example for Computation of SGPA

Semester	Course	Credit	Letter Grade	Grade Point	Credit Point (Credit × Grade)
1	Course 1	3	A	8	3×8=24
1	Course 2	4	B+	7	4×7=28
1	Course 3	3	B	6	3×6=18
1	Course 4	3	O	10	3×10=30
1	Course 5	3	C	5	3×5=15
1	Course 6	4	B	6	4×6=24
		20			139
SGPA					139/20=6.95

$$CGPA = \sum(C_i \times S_i) / \sum C_i$$

S_i is the SGPA of the i th semester and
 C_i is the total number of credits in that semester

Example for Computation of CGPA

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5	Semester 6
Credit: 21 SGPA:6.9	Credit: 22 SGPA:7.8	Credit: 25 SGPA:5.6	Credit: 26 SGPA:6.0	Credit: 26 SGPA:6.3	Credit: 25 SGPA:8.0

$$CGPA = 6.73(21 \times 6.9 + 22 \times 7.8 + 25 \times 5.6 + 26 \times 6.0 + 26 \times 6.3 + 25 \times 8.0) / 145$$

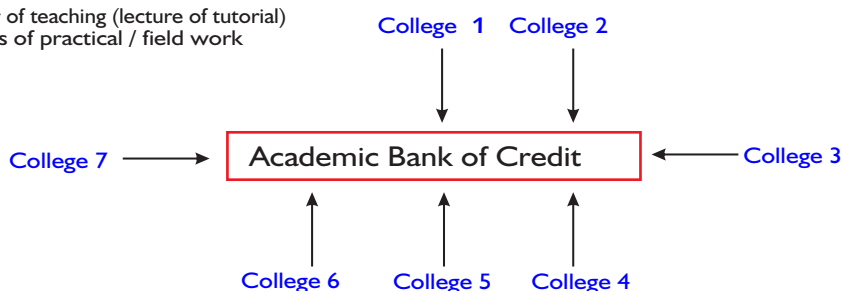

Academic Bank of Credit (ABC)

Under NEP 2020, the students are required to store credits for the completion of their learning journey. Academic Bank of Credits (ABC) is a platform provided by Govt. of India that stores the information of the credits earned by an individual student throughout his/her education programme.

An Academic Bank of Credit (ABC) of each student, will be established which would store the academic credits earned by a student from various recognized HEIs, so that the degrees from an HEI can be awarded taking into account the total credits earned.

Credit-Based

* 1 Credit = 1 hour of teaching (lecture or tutorial)
 = 2 hours of practical / field work

Each student is required to register on ABC.com. The steps to register on ABC are as follows:

1. Login to DigiLocker. Student with DigiLocker Account can create ABC ID.
2. Search for Education. Education category shows Academic Bank of Credits service.
3. Create ABC ID. Select your University and click on Generate ABC ID.
4. Accumulate Credits. Students can check accumulated credits by logging into abc.gov.in.

How it works?

Credits get deposited

Guidance today, success tomorrow

NATIONAL CADET CORPS (NCC)

The National Cadet Corps (NCC) is a distinguished youth development organization in India that plays a crucial role in shaping the leaders of tomorrow. With various wings including the Army, Navy, and Air Force, college NCC units empower students to enhance their leadership abilities, character, and discipline while contributing to the nation. The rigorous training and diverse activities offered foster essential life skills such as teamwork, effective communication, and problem-solving.

Each of the three wings provides tailored training in its specific area, allowing cadets to discover and refine their interests and talents. By engaging in NCC activities, students not only develop a strong sense of patriotism and civic responsibility but also prepare themselves for future roles as leaders and active participants in society. The NCC's motto, "Unity and Discipline," encapsulates its dedication to nurturing well-rounded individuals capable of making meaningful contributions to the growth and development of our nation.

NATIONAL SERVICE SCHEME (NSS)

College NSS (National Service Scheme) units serve as an invaluable platform for fostering social responsibility and community engagement among students. Established by the Ministry of Youth Affairs and Sports in the Government of India, these units are dedicated to enhancing students' personal growth through meaningful community service and volunteerism.

Participation in NSS activities offers students enriching experiences that help them develop essential leadership skills while nurturing a strong sense of social awareness and civic duty. Through a diverse range of initiatives, such as environmental conservation projects, health awareness campaigns, and disaster management training, NSS units empower students to step into active roles as responsible citizens who make positive contributions to society.

By instilling core values like empathy, teamwork, and selflessness, college NSS units play a vital role in shaping well-rounded individuals ready to create a lasting impact in their communities. This collaborative effort not only benefits students but also strengthens the fabric of society as a whole.

- (c) Attendance and Class Participation

4.2 In case of Ability Enhancement Courses (AEC) which will be taught in B.Com. Semester I , II, III and IVth Semester. The internal assessment will be 20% of total marks.

4.3 The Principal of the College where the student is studying shall forward these marks to the Controller of Examinations at least two weeks before the commencement of the examination. Internal Assessment for Centre for Distance and Online Education Courses - The Internal assessment for Centre for Distance and Online Education students shall be based on the assignments.

4.4 The Principal of the College where the student is studying shall preserve the records on the basis of which the internal assessment awards have been prepared, for inspection, if needed by the University, up to six months from the date of declaration of the results.

4.5 The First Semester examination shall be open to a student who-

- (i) has been on the rolls of the College during the semester ; and
- (ii) has attended not less than 75% of the lectures for each paper; a deficiency up to 10% may be condoned by the Principal of the College.
- (iii) Has secured at least 25% marks in the Class Tests in aggregate or at least 25% marks from each subject totalling to 25% in aggregate.

4.6 The Second, Third, Fourth, Fifth, Sixth, Seventh and Eighth Semester examinations shall be open to a regular student who-

- (i) has been on the rolls of the College during the semester preceding the Second, Third, Fourth, Fifth, Sixth, Seventh and Eighth Semester examination, as the case may be;
- (ii) has attended not less than 75% of the lectures, for each paper; a deficiency up to 10% may be condoned by the Principal of the College.
- (iii) has passed the First, Second, Third, Fourth, Fifth, Sixth and Seventh Semester examination respectively or is covered under Re-appear Regulations.

4.7 The medium of instruction and examination shall be English, Hindi or Punjabi.

4.8 A regular candidate of an affiliated College may study a subject, which his/her College is not offering, by attending the prescribed courses of instructions in subject in another affiliated College. The Principal of the latter College shall certify that the student has completed the prescribed eligibility. The Principal of the College in which the student is enrolled shall report the student's name to Controller of Examinations of the University for confirmation.

A candidate may appear in one paper in each semester of his/her own, if the College is not imparting instructions in that paper.

B. Evaluation & Passing Criterion

4.9 The minimum number of marks required to pass each semester examination shall be 40% in external examination and 20% in internal assessment and 40% in aggregate of all the papers in each semester.

4.10 The over-all result of Certificate, Diploma, B.Com., B.Com. FAQ's regarding NEP 2020

Question 1. What is the National Education Policy (NEP) 2020?

The NEP 2020 is a comprehensive framework formulated by the Government of India to guide the development of education in the country. It aims to transform India's education system by promoting holistic development, inclusivity, and lifelong learning.

Question 2. What are the main objectives of NEP 2020?

The main objectives of NEP 2020 include:

- ♦ Shifting from rote learning to developing critical thinking, problem-solving, and creative skills.
- ♦ Ensuring inclusivity and equity in education.
- ♦ Integrating technology in education.
- ♦ Promoting multidisciplinary and holistic education.

Question 3. What is the Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)?

The CCFUP is a new student-centric curriculum framework under NEP 2020 that includes:

- ♦ Flexible Choice-Based Credit System.
- ♦ Multidisciplinary Approach.
- ♦ Multiple Entry and Exit Options. This framework allows students to pursue their interests and career paths with flexibility.

Question 4. What is Academic Bank of Credit (ABC) and how does it work?

Under NEP 2020, the students are required to store credits for the completion of learning journey. The ABC is a digital platform where students can store and transfer the academic credits they earn from various recognized higher education institutions (HEIs). This enables seamless credit transfer and supports multiple entry and exit points in the education system.

Question 5. What is the structure of the 3/4-year UG programme under NEP 2020?

The structure includes:

**Transforming Higher Education Landscape of Chandigarh
under
RUSA/ PM-USHA**

Chandigarh – the City Beautiful is an acclaimed center of learning. Each year, it welcomes students in great numbers almost from more than 20 states even from foreign land with endeavor to provide quality education and fulfil their aspirations. It is pertinent to mention that Chandigarh Administration has always been at the forefront of implementing Flagships schemes of the Government of India. Pradhan Mantri Uchcharat Shiksha Abhiyan (PM-USHA) which is also a centrally sponsored scheme which was launched in 2023 immediately after the introduction of NEP (2020) by the Ministry of Education, Government of India, New Delhi which is the upgraded extension of the Rashtriya Uchcharat Shiksha Abhiyan (RUSA) initiated in 2013 under RUSA 1.0 and further expanded through RUSA 2.0 in 2018. Aligned with the vision and recommendations of NEP 2020, PM-USHA acts as the primary vehicle for implementing NEP 2020 recommendations across state-level higher educational institutions while ensuring sustainable, inclusive, and standardized growth in the higher education sector. It is pertinent to mention here that almost all the eligible institutions of Chandigarh including Panjab University, got grants earlier under RUSA 1.0 and RUSA 2.0.

1) During RUSA 1.0, infrastructure grant @ Rs 2 Crore each was approved by the Ministry to 10 colleges of Chandigarh. Under the scheme, expenditure ratio was 35+35+30. It means that an institution can spend money on 03 components; construction, renovation and equipments as per above ratio that too as per requirement of the concerned institution.

Major Quality Improvements carried out under RUSA 1.0

Key Areas	Overall Outcome
Smart Classrooms	Upgradation of 48 smart classrooms with modern teaching and learning facilities.
Renovation of Classroom & Laboratory	Renovation and upgradation of 10 classrooms and laboratories with improved infrastructure and equipment.
Hostel Infrastructure	Addition of 17 new hostel rooms to enhance student accommodation capacity.
Sanitation Facilities	Construction of 27 new washrooms and renovation of 16 existing washrooms for improved hygiene conditions.
Skill Development & Research Facilities	Establishment of 4 skill and research laboratories to promote practical learning and innovation.
Automation & Digitalization of Libraries	RFID (Radio Frequency Identification) System and Libsys Library Management Software for complete computerization, automation, and efficient cataloguing of library resources.
Renewable Energy Initiatives	Installation of 25 kWp / 40 kWp Solar Photovoltaic Power Plant for partial replacement of conventional energy resources with sustainable energy solutions.
Day Care Centre facility	Established a Day Care Centre for providing a safe and caring environment for children of employees and students.
Facilities for differently abled persons (Divyangjan)	Construction of ramps, lifts, and washrooms for differently abled persons.
Sports Infrastructure	International-standard sports facilities , including a rubberized handball court with LED lighting for both day and night matches.
Various Hostel Facilities	Augmentation of hostel facilities through installation of fully automatic washing machines and enhancement of drinking water supply by boosting 50,000 litres water capacity for hostel students.

Upgradation Of Labs Under RUSA Scheme At MCM-36, Chandigarh

2) During RUSA 2.0 phase, 4 colleges of Chandigarh got grant @ Rs 2 crore each under Infrastructure component. The expenditure ratio during this phase was 50+ 50, that means, an institution can spend on either of the two i.e. (construction, renovation and equipment).

(I) Quality Improvements carried out by the Colleges under RUSA 2.0

Key Areas	Overall Outcome
Computing & Core IT Equipment	Computers (AIO), Laptops, Server systems, Monitors, Workstations, and Online UPS systems.
Software & Digital IDs for library books	MS Office licenses and RFID systems for advanced Library automation.
Smart Classroom & Media	Interactive Boards, Projector Screens, AI Vision Cameras, and the establishment of dedicated MOOC Production Studio.
Campus Networks & Auditorium sound systems	Up-gradation of Local Area Networking (LAN), Auditorium Sound Systems, Amplifier Systems, and Backup Batteries.
Student Amenities	Specialized furniture for Auditoriums, Classrooms, and Offices; Office Almirahs, individual lockers for students, hostel beds, and automated washing machines for the hostels.

It is pertinent to mention here that Panjab University, Chandigarh was also approved grant @ Rs 62 Crore under 3 components i.e Equity Initiative @ Rs 5 Crore , Faculty Improvements @ Rs 7 Crore and Research innovation and Quality Improvements @ Rs 50 Crore.

(ii) Major Quality Improvements carried by Panjab University, Chandigarh

Key Areas	Overall Outcome
Advanced Scientific Research & Analytical Instruments	Plasma Cleaner, Furnaces and other related facilities; Confocal Raman Spectrometer; Vector Analyzer; Fluorescence Spectrophotometer (Time Resolved); Electrochemical Workstation (Physics); UV Visible Spectrometer
Biotechnology & Life Science Equipment	DNA Sequencer; Flow Cytometer and Cell Sorter
Environmental & Water Testing Facilities	X-Ray Fluorescence; Water Testing Lab; Water Purifier Accessories; Ion Chromatographer
Renewable Energy & Sustainability Infrastructure	Solar Park on the Rooftop of UIET / Dental College
IT & Digital Infrastructure Upgradation	Computer Centre Upgradation
Educational Media & Smart Learning Facilities	Video Recording Studio (MOOC); Infrastructure; Furniture; Laboratory Setup etc.

3) The primary objective of PM-USHA is to enhance the quality of higher education in India. It aims to cater five pillars of the NEP 2020, viz, accessibility, quality, equity, accountability, and affordability. 03 colleges of Chandigarh have been approved amount @ Rs 5 crores each by the Ministry under Grants to Strengthen Colleges (component of PM-USHA). Further Rs 10 Crores

have been approved under GIEI (Gender Inclusion and Equity Initiative), which is a state component of PM-USHA.

Major Quality Improvements being carried out under PM-USHA

Key Area	Expected Overall Outcome
Construction of Open-Air Theatre	Development of an open-air space for cultural events, seminars, performances, and student activities.
Construction of Solar Panel on Car Parking	Installation of solar panels over parking areas to promote green energy and sustainable infrastructure.
Renovation of 04 Girls' Hostels	Upgradation and modernization of hostel infrastructure to improve student comfort and facilities.
Conversion of Normal Classrooms into Smart Classrooms	Integration of ICT -enabled teaching tools such as smart boards, projectors, and digital learning systems.
Renovation of Toilets for Divyangjans & Girls' Hostels	Construction and improvement of accessible and hygienic sanitation facilities.
Open Air Gym & Rainwater Harvesting System	Promotion of student fitness and sustainable water conservation practices within the campus.
Updating College Website & Renovation of Labs	Modernization of digital presence and enhancement of laboratory infrastructure for academic excellence.
Soft Component Activities	Organization of capacity -building workshops, certificate courses, and add -on courses for skill enhancement.
Procurement of Equipment	Purchase of essential equipment including computers, printers, digital cameras, security cameras, student bus, washing machines, air conditioners, online UPS, display boards, water coolers, and RO water purifiers.
Construction of New Building Block	Expansion of institutional infrastructure through the development of a new academic/administrative block.

Therefore, institutions of Chandigarh are now fully equipped to cater the needs of GeNext.
